

List of Supplementary Files.

Supplementary Table 1. Antibodies use in immunoblot analysis.

Supplementary Figure 1. miRNA expression in the livers of mice fed OEP-NF.

Supplementary Figure 2. Power-Doppler analysis of mitral valve in mice fed OEP-NF.

Supplementary Figure 3. Ultrasonography scans of mice fed control (upper) and OEP-NF (bottom) diets.

Supplementary Figure 4. Immunoblot analysis of the left ventricular levels of selected proteins.

Supplementary Video 1. Ultrasonography of a mouse fed control diet.

Supplementary Video 2. Ultrasonography of a mouse fed OEP-NF diet.
