

The 2016 Enterovirus-D68 Acute Flaccid Myelitis Working Group

Stephan W. Aberle (Medical University of Vienna, Vienna, Austria)

Theresia Popow-Kraupp (Medical University of Vienna, Vienna, Austria)

Lubomira Nikolaeva-Glomb (National Center of Infectious and Parasitic Diseases, Sofia, Bulgaria)

Petra Rainetova (National Reference Laboratory for Enteroviruses, Prague, Czech)

Sofie Midgley (Statens Serum Institute, Copenhagen, Denmark)

Thea Kølsten Fischer (Statens Serum Institute, Copenhagen and Center for Global Health, Department of Infectious Diseases, University of Southern Denmark, Odense, Denmark)

Grethel Simonlatser (Laboratory of Communicable Diseases, Tallinn, Estonia)

Carita Savolainen-Kopra (National Institute for Health and Welfare, Helsinki, Finland)

Bruno Lina (National Reference Centre for Enteroviruses and Parechoviruses, Hospices Civils de Lyon, Lyon, France)

Isabelle Schuffenecker (National Reference Centre for Enteroviruses and Parechoviruses, Hospices Civils de Lyon, Lyon, France)

Manoëlle Kossorotoff (Necker-Enfants Malades University Hospital, Paris, France)

Denise Antona (Santé publique France, Saint-Maurice, France)

Anna Maria Eis-Hübinger (University of Bonn Medical Center, Bonn, Germany)

Stephan Buderus (GFO Kliniken Bonn, St. Marien-Hospital, Bonn, Germany)

Marcus Panning (Institute for Virology, Medical Center – University of Freiburg, Faculty of Medicine, University of Freiburg, Freiburg, Germany)

Markus Nowotny (University Medical Center of the Johannes Gutenberg University, Mainz, Germany)

Lisa Kiechle (University Medical Center of the Johannes Gutenberg University, Mainz, Germany)

Sindy Böttcher (Robert Koch Institute, Berlin, Germany)

Mária Takács (National Public Health Institute, Budapest, Hungary)

Ágnes Farkas (National Public Health Institute, Budapest, Hungary)

Arthur Löve (National University Hospital Reykjavik, Reykjavik, Iceland)

Fausto Baldanti (University of Pavia, Pavia, Italy)

Antonio Piralla (Fondazione IRCCS Policlinico San Matteo, Pavia, Italy)

Maria Rosaria Capobianchi (Lazzaro Spallanzani National Institute for Infectious Diseases, Rome, Italy)

Maria Beatrice Valli (Lazzaro Spallanzani *National Institute for Infectious Diseases, Rome, Italy*)

Susanna Esposito (Pediatric Clinic, Università degli Studi di Perugia, Perugia, Italy)

Elena Pariani (University of Milan, Milan, Italy)

Sandro Binda (University of Milan, Milan, Italy)

Rinze Neuteboom (Erasmus Medical Center, Rotterdam, The Netherlands)

Suzan Pas (Erasmus Medical Center, Rotterdam, The Netherlands)

Kimberley Benschop (National Institute for Public Health and the Environment, Bilthoven, The Netherlands)

Adam Meijer (National Institute for Public Health and the Environment, Bilthoven, The Netherlands)

Svein Arne Nordbø (Department of Medical Microbiology, St. Olav's Hospital, Trondheim University Hospital and Department of Clinical and Molecular Medicine, Norwegian University of Science and Technology, Trondheim, Norway)

Maria Hafstrøm (Department of Pediatrics, St. Olav's Hospital, Trondheim University Hospital and Department of Clinical and Molecular Medicine, Norwegian University of Science and Technology, Trondheim, Norway)

Susanne Gjeruldsen Dudman (Norwegian Institute of Public Health, Oslo, Norway)

Helle Pfeiffer (Oslo University Hospital, Oslo, Norway)

Raquel Guiomar (National Influenza and Other Respiratory Viruses Reference Laboratory, National Institute of Health Dr Ricardo Jorge, Lisbon, Portugal)

Paula Palminha (Laboratory of Vaccine Preventable Diseases, National Institute of Health Dr Ricardo Jorge, Lisbon, Portugal)

Inês Costa (National Influenza and Other Respiratory Viruses Reference Laboratory, National Institute of Health Dr Ricardo Jorge, Lisbon, Portugal)

Andrea Sofia Dias (Coimbra Hospital and University Center, Coimbra, Portugal)

Cristina Tecu (National Institute for Medical-Military Research and Development
"Cantacuzino", Bucharest, Romania)

Carmen Maria Cherciu (National Institute for Medical-Military Research and Development
"Cantacuzino", Bucharest, Romania)

Ivana Lazarevic (Institute of Microbiology and Immunology, Faculty of Medicine,
University of Belgrade, Belgrade, Serbia)

Svetlana Filipović – Vignjević (Institute of Virology, Vaccines and Sera "Torlak", Belgrade,
Serbia)

Natasa Berginc (National Laboratory of Health, Environment and Food, Ljubljana, Slovenia)

Mónica Gozalo Margüello (Marqués de Valdecilla University Hospital, Santander, Spain)

Maria Cabrerizo Sanz (Spanish National Poliovirus Laboratory, National Centre for
Microbiology, Institute of Health "Carlos III", Madrid, Spain)

Juan Pablo García Iñiguez (Pediatric Intensive Care Unit, Miguel Servet Children's
Hospital, Zaragoza, Spain)

Sonia Perez Castro (University Hospital of Vigo and Inflammatory and Infectious Diseases
& Immune Disorders Group, Galicia Sur Health Research Institute, Vigo, Spain)

Carlos Rodrigo (Vall d'Hebron University Hospital and Autonomous University of
Barcelona, Barcelona, Spain)

Andrés Antón (Vall d'Hebron University Hospital, Barcelona, Spain)

Núria Rabella Garcia (Santa Creu i Sant Pau Hospital, Barcelona, Spain)

Robert Dyrdak (Karolinska Institutet and Karolinska University Hospital, Stockholm, Sweden)

Jan Albert (Karolinska Institutet and Karolinska University Hospital, Stockholm, Sweden)

Rolf Kramer (European Public Health Microbiology Training Programme (EUPHEM), European Centre for Disease Prevention and Control, Stockholm, Sweden)

Sybil Stacpoole (Cambridge University Hospitals NHS Foundation Trust, Cambridge, England, UK)

Rhys Thomas (Newcastle University, Newcastle, England, UK)

Niamh O’Flaherty (National Virus Reference Laboratory, University Center Dublin, Dublin, Ireland)

Richard Drew (Rotunda Hospital & Temple Street Children's University Hospital, Dublin, Ireland)

Kate Templeton (Royal Hospital for Sick Children, Edinburgh, Scotland, UK)

Catherine McDougall (Royal Hospital for Sick Children, Edinburgh, Scotland, UK)

Paul Eunson (Royal Hospital for Sick Children, Edinburgh, Scotland, UK)

Nandita Chinchankar (Royal Hospital for Sick Children, Edinburgh, Scotland, UK)

Jay Shetty (Royal Hospital for Sick Children, Edinburgh, Scotland, UK)

Catherine Moore (Public Health Wales, Cardiff, Wales, UK)

Christopher Williams (Public Health Wales, Cardiff, Wales, UK)

Authors in byline, who accept direct responsibility for the manuscript:

Marjolein Knoester (University Medical Center Groningen, Groningen, The Netherlands)

Jelte Helfferich (University Medical Center Groningen, Groningen, The Netherlands)

Randy Poelman (University Medical Center Groningen, Groningen, The Netherlands)

Coretta van Leer-Buter (University Medical Center Groningen, Groningen, The Netherlands)

Oebele Brouwer (University Medical Center Groningen, Groningen, The Netherlands)

Bert Niesters (University Medical Center Groningen, Groningen, The Netherlands)
