**Notice of results of screening for the first call for proposals of FY2016 in the Medical  
Device Development Promotion Research Program**

Dear Professor Liu,

Greetings and best wishes.

Thank you for submitting your proposal to the Medical Device Development Promotion Research Program.

This is to notify you that your proposal has been selected for conditional acceptance following careful screening by experts affiliated with our Organization, as described on the attached sheet.

We hope you continue cooperation and support of our activities.

Sincerely yours,

**【Receipt number】** 3-06

**【Title】** Investigator initiated clinical trial to evaluate efficacy and safety of brain wave – BMI rehabilitation system for the hemiplegic upper limb

Attachment 1

Reasons for screening results

<p>Proposal</p> <p>Receipt number: 3-06</p> <p>Title: Investigator initiated clinical trial to evaluate efficacy and safety of brain wave – BMI rehabilitation system for the hemiplegic upper limb</p>
<p>Institution Name</p> <p>Keio University</p>
<p>Results of screening:</p> <p>Conditional acceptance</p>
<p>Reasons:</p> <p>The content of your proposal has been reviewed strictly and carefully based on the screening standards described in the call for proposals.</p> <p>Your proposal has been assessed to have promise in the areas of development of innovative technologies and devices and corporate business development based thereon, grounded in the results of steady research and development toward practical implementation of BMI rehabilitation systems.</p> <p>Conditions of acceptance:</p> <ul style="list-style-type: none"><li>- Since the Panasonic Eco Solutions Company, which plans to conduct business development based on this technology, does not engage in the businesses of manufacturing and sales, we ask you decide on policies for obtaining the necessary business permits etc. during FY2016 in preparation for product development.</li><li>- Consult with AMED to decide on quantitative interim and final objectives.</li><li>- Implement the project appropriately within the budget amount proposed by AMED, without detracting from the purposes of the program or the content of the proposal.</li></ul>
