

OPENING:

- What were your reasons for attending HeiTMed in the past semester?

INTRODUCTORY:

- What did you learn within the context of HeiTMed?
- What was positive, what was negative?

KEY QUESTIONS:

- Which didactic approaches did you get to know in HeiTMed? Which did you find especially helpful? What difficulties did you encounter?
- Did you find it helpful to contribute to the tutorial with your own presentation?
- Was HeiTMed helpful in regard to your studies?

ENDING:

- Where do you see room for improvement in the HeiTMed program? What should be changed?
