

**OMTO, Volume 12**

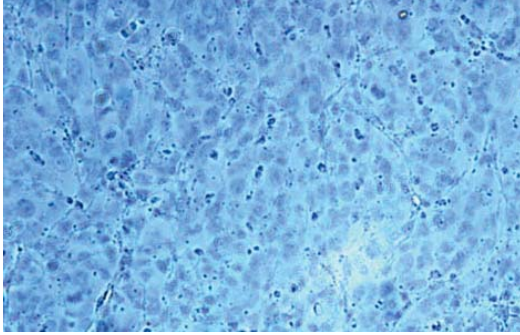

**Supplemental Information**

**Recombinant AAV-CEA Tumor Vaccine  
in Combination with an Immune Adjuvant Breaks  
Tolerance and Provides Protective Immunity**

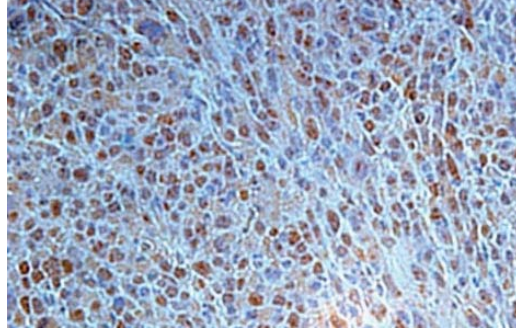

**Jonathan A. Hensel, Vinayak Khattar, Reading Ashton, and Selvarangan Ponnazhagan**

## Supplemental Figure 1

**Antibody Control**

**PD-L1**

**PD-L1 expression in MC38-CEA tumor.** Representative immunohistochemistry analysis indicates high expression of PD-L1 in a mouse with resistant tumor growth, within the rAAV-CEA treatment group.
