

### Appendix 1 - Proposed initial search strategy

Stage	Search terms /description
1	(("Decision-making" OR "Clinical decision-making" OR "Computer-assisted decision-making" OR "clinical decision support systems") AND ("Medical Records Systems, Computerized" OR "Electronic Health Records" OR "Hospital Information Systems" OR "Health Information Exchange"))  Date range: 2008/01/01 -- 2018/01/01  English only
2	Manual search in the reference lists of the included studies
3	Iterative refinements of stage 1, adapting to variant indexing practice in HDAS sources
