#### **Other Supplementary Material for this manuscript includes the following:**

(available at [advances.sciencemag.org/cgi/content/full/5/2/eaau7220/DC1](https://advances.sciencemag.org/cgi/content/full/5/2/eaau7220/DC1))

Table S1 (Microsoft Excel format). Residual scores for all 560 protein groups.

Table S2 (Microsoft Excel format). The association of plasma protein groups with A $\beta$  SUVR in cognitively unimpaired subjects.

Table S3 (Microsoft Excel format). The association of plasma protein groups with A $\beta$  SUVR in all subjects.
