

## Reviewer Report

**Title:** NanoPipe - a web server for nanopore MinION sequencing data analysis

**Version:** Revision 1      **Date:** 12/13/2018

**Reviewer name:** Keith Robison

### Reviewer Comments to Author:

I am glad the authors found my comments helpful.

I re-tried the test case on two different platforms -- Chrome on a PC running at my workplace and Safari on an iPad Pro running over 4G -- both get the "Request is invalid or has already been deleted!" message (job is listed as 150391086568823 for the iPad job)

My job from the first review is still queued! 154333715321656

### Level of Interest

Please indicate how interesting you found the manuscript: Choose an item.

### Quality of Written English

Please indicate the quality of language in the manuscript: Choose an item.

### Declaration of Competing Interests

Please complete a declaration of competing interests, considering the following questions:

- Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
- Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
- Do you hold or are you currently applying for any patents relating to the content of the manuscript?
- Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?
- Do you have any other financial competing interests?
- Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

No competing interests
