

**OPEN PEER REVIEW REPORT 1**

Name of journal: Neural Regeneration Research

Manuscript NO: NRR-D-18-00763

Title: Amelioration of Alzheimer's disease pathology and cognitive deficits by immunomodulatory agents in animal models of Alzheimer's disease

Reviewer's Name: Hans-Gert Bernstein

Reviewer's country: Germany

Date sent for review: 2019-01-01

Date reviewed: 2019-01-02

Review time: 1 day

COMMENTS TO AUTHORS

This is a well-written, very comprehensive review dealing with an important aspect of current Alzheimer research. I found it very inspiring to read how mouse and rat AD models were compared .
Minor point:

Some sentences contained in the summary are literally repeated in the introductory remarks. Therefore I suggest to re-phrase a bit either the summary or the introduction.
