SUPPORTING INFORMATION

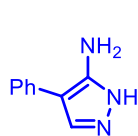

Table of Contents

Structures of aldehydes 5 , aminopyrazoles 6 and sulfoxonium ylides 7	S2–S4
¹ H and ¹³ C NMR spectra for new sulfoxonium ylides.....	S5–S7
¹ H, ¹³ C, and ¹⁹ F NMR spectra for <i>N</i> -fused [5,6]-bicyclic heterocycle products.....	S8–S58
