Title: PseudoFuN: Deriving functional potentials of pseudogenes from integrative relationships with genes and miRNAs across 32 cancers

Version: Revision 1 **Date: 2/10/2019**

Reviewer name: Jennifer Harrow

Reviewer Comments to Author:

I appreciate the effort that the authors put in to addressing my comments and added the additional benchmarking table 2.

One minor comment concerning table 2 is that the highlighting described in the figure could not be seen in the table, otherwise I have no further amendments.
