Questionnaire for midwives

1. Background information

| Variable | N | | Res | ponse frequencies | | |
|-------------------------|-----------|---------------------|--------------------|-------------------|---------------|-------------|
| How old are you? | | | | | | |
| | | 20 – 25 years | 26 – 30 years | 31 – 35 years | 36 – 40 years | > 40 years |
| | 35 | 3 | 8 | 7 | 3 | 14 (40.00%) |
| | | (8.57%) | (22.86%) | (20.00%) | (8.57%) | |
| Which is your highest I | evel of e | ducation? | | | | |
| | | Student | High school | University | | |
| | 35 | 0 | 35 | 0 | | |
| | | (0.00%) | (100.00%) | (0.00%) | | |
| How many years of wo | rk exper | ience do you have? |) | | | |
| | | < 5 years | 5 – 15 years | 16 – 25 years | > 25 years | |
| | 35 | 8 | 15 | 4 | 8 | |
| | | (22.86%) | (42.86%) | (11.43%) | (22.86%) | |
| Before you started this | job, did | you already have v | vork experiences i | n | | |
| | | A private | A secondary | A primary care | | |
| | | practice | care center | center | | |
| Yes | 35 | 2 | 12 | 17 | | |
| | | (5.71%) | (34.29%) | (50.00%) | | |
| On which department | are you v | working at this mor | ment? | | | |
| | | Delivery room | Maternity | Prenatal ward | Prenatal | |
| | | | | | consultations | |
| | 35 | 11 | 8 | 10 | 6 | |
| | | (31.43%) | (22.86%) | (28.57%) | (17.14%) | |

2. Perception about remote monitoring

| On a scale from 1 to 5 (with 5 being mostly agree value for The pregnant woman The midwife | ee) hov 35 | v would you r | ate the use of | | itoring as bei | ng an added | | | | | | | | | | |
|--|----------------------|---------------|----------------|---------------|----------------|-------------|--|--|--|--|--|--|--|--|--|--|
| The pregnant woman | 35 | = | 2 | 2 | | | | | | | | | | | | |
| , , | 35 | = | 2 | | | | | | | | | | | | | |
| , , | 35 | 0 | | | 4 | 5 | | | | | | | | | | |
| The midwife | | U | 2 | 5 | 18 | 10 | | | | | | | | | | |
| The midwife | | (0.00%) | (5.71%) | (14.29%) | (51.43%) | (28.57%) | | | | | | | | | | |
| THE IIIUWIIC | 35 | 0 | 2 | 9 | 15 | 9 | | | | | | | | | | |
| | | (0.00%) | (5.71%) | (25.71%) | (42.86%) | (25.71%) | | | | | | | | | | |
| The general practitioner | 35 | 1 | 4 | 8 | 14 | 8 | | | | | | | | | | |
| | | (2.86%) | (11.43%) | (22.86%) | (40.00%) | (22.86%) | | | | | | | | | | |
| The obstetrician | 35 | 0 | 1 | 4 | 16 | 14 | | | | | | | | | | |
| | | (0.00%) | (2.86%) | (11.43%) | (45.71%) | (40.00%) | | | | | | | | | | |
| The society | 35 | 0 | 1 | 14 | 11 | 9 | | | | | | | | | | |
| | | (0.00%) | (2.86%) | (40.00%) | (31.43%) | (25.71%) | | | | | | | | | | |
| On a scale from 1 to 5 (with 5 being mostly agre | ee), ho | w would you | rate the devi | ces which are | used on this | moment to | | | | | | | | | | |
| detect pre-eclampsia? | | _ | | | | | | | | | | | | | | |
| · | | 1 | 2 | 3 | 4 | 5 | | | | | | | | | | |
| The blood pressure monitor | 35 | 0 | 0 | 7 | 16 | 12 | | | | | | | | | | |
| · | | (0.00%) | (0.00%) | (20.00%) | (45.71%) | (34.29%) | | | | | | | | | | |
| The activity tracker | 35 | 2 | 3 | 17 | 12 | 1 | | | | | | | | | | |
| , | | (5.71%) | (8.57%) | (48.57%) | (34.29%) | (2.86%) | | | | | | | | | | |

| | | (2.86%) | (5.71%) | (31.43%) | (45.71%) | (14.29%) | | | | | | | | | | |
| Rate the following questions on a scale from 1 | to 5 (w | ith 5 being m | ostly agree). | | | | | | | | | | | | | |
| Ţ. | , | 1 | 2 | 3 | 4 | 5 | | | | | | | | | | |
| Before the study started, I did already know | 35 | 8 | 12 | 7 | 6 | 2 | | | | | | | | | | |
| what remote monitoring meant. | | (22.86%) | (34.29%) | (20.00%) | (17.14%) | (5.71%) | | | | | | | | | | |
| Before the study started, I did already know | 35 | 8 | 11 | 8 | 7 | 1 | | | | | | | | | | |
| what remote monitoring aims. | | (22.86%) | (31.43%) | (22.86%) | (20.00%) | (2.86%) | | | | | | | | | | |
| Before the study started, I already had some | 35 | 24 | 5 | 2 | 2 | 2 | | | | | | | | | | |
| practical experiences with remote | | (68.57%) | (14.29%) | (5.71%) | (5.71%) | (5.71%) | | | | | | | | | | |
| monitoring. | | , | , | , | | | | | | | | | | | | |
| The use of remote monitoring is an added | 35 | 13 | 9 | 6 | 5 | 2 | | | | | | | | | | |
| value on my daily work package. | | (37.14%) | (25.71%) | (17.14%) | (14.29%) | (5.71%) | | | | | | | | | | |
| The use of remote monitoring is an threat for | 35 | 24 | 5 | 4 | 2 | 0 | | | | | | | | | | |
| my daily work package. | | (68.57%) | (14.29%) | (11.43%) | (5.71%) | (0.00%) | | | | | | | | | | |

3. Education

| Variable | N | Response frequencies | | | | | | | | | |
|---|----|----------------------|---------|----------|----------|----------|--|--|--|--|--|
| On a scale from 1 to 5 (with 5 being mostly agree), on which item do you think (para)medical personnel should have an | | | | | | | | | | | |
| extra education before they start to work with remote monitoring? | | | | | | | | | | | |
| | | 1 | 2 | 3 | 4 | 5 | | | | | |
| Which explanation we have to give the | 35 | 0 | 0 | 4 | 16 | 15 | | | | | |
| patients before they start to use remote | | (0.00%) | (0.00%) | (11.43%) | (45.71%) | (42.86%) | | | | | |
| monitoring. | | | | | | | | | | | |
| How we can support the patients in order to | 35 | 0 | 0 | 8 | 14 | 13 | | | | | |
| have a high compliance rate. | | (0.00%) | (0.00%) | (22.86%) | (40.00%) | (37.14%) | | | | | |
| About the technology of the devices which are | 35 | 0 | 1 | 7 | 13 | 14 | | | | | |
| used for remote monitoring. | | (0.00%) | (2.86%) | (20.00%) | (37.14%) | (40.00%) | | | | | |
| About the protocols which have to be used in | 35 | 0 | 0 | 5 | 15 | 15 | | | | | |
| the remote monitoring of different | | (0.00%) | (0.00%) | (14.29%) | (42.86%) | (42.86%) | | | | | |
| complications. | | | | | | | | | | | |

4. Quality and patient safety

| Variable | N | | Resp | onse frequer | ncies | |
|---|----------------------------|--|--|---|--|---|
| Rate the following questions on a scale from 1 | L to 5 (w | ith 5 being m | ostly agree). | | | |
| | | 1 | 2 | 3 | 4 | 5 |
| Do you think that remote monitoring will | 35 | 5 | 18 | 10 | 2 | 0 |
| make the patient unnecessarily worried? | | (14.29%) | (51.43%) | (28.57%) | (5.71%) | (0.00%) |
| Do you think that remote monitoring will give | 35 | 6 | 13 | 11 | 5 | 0 |
| the patient a false safety feeling? | | (17.14%) | (37.14%) | (31.43%) | (14.29%) | (0.00%) |
| Do you think that remote monitoring will | 35 | 4 | 5 | 17 | 9 | 0 |
| make your work easier? | | (11.43%) | (14.29%) | (48.57%) | (25.71%) | (0.00%) |
| Do you think that a remote monitoring | 35 | 0 | 0 | 8 | 19 | 8 |
| prenatal follow-up program the care for | | (0.00%) | (0.00%) | (22.86%) | (54.29%) | (22.86%) |
| women with a high risk for gestational | | , , | , , | , | , | , |
| hypertensive disorders improves? | | | | | | |
| Do you think that a shift in healthcare is | 35 | 1 | 1 | 7 | 19 | 7 |
| possible by using remote monitoring? | | (2.86%) | (2.86%) | (20.00%) | (54.29%) | (20.00%) |
| Do you think that remote monitoring will be a | 35 | 0 | 0 | 8 | 19 | 8 |
| standard tool in healthcare in the future? | | (0.00%) | (0.00%) | (22.86%) | (54.29%) | (22.86%) |
| Do you think it would be agreeable when | 35 | 1 | 0 | 16 | 14 | 4 |
| more remote monitoring studies will be | | (2.86%) | (0.00%) | (45.71%) | (40.00%) | (11.43%) |
| performed in the future? | | (2.0070) | (0.0070) | (43.7170) | (40.0070) | (11.43/0) |
| Do you think that the blood pressure of the | 35 | 2 | 4 | 9 | 19 | 1 |
| pregnant women can be elevated because of | | (5.71%) | (11.43%) | (25.71%) | (54.29%) | (2.86%) |
| the stress for the result? | | (3.7170) | (11.43/0) | (23.7170) | (34.2370) | (2.00/0) |
| Do you think that the result of remote | 35 | 2 | 11 | 17 | 5 | 0 |
| monitoring nog represent the reality? | 33 | (5.71%) | (31.43%) | (48.57%) | (14.29%) | (0.00%) |
| On a scale from 1 to 5 (with 5 being mostly ag | roo) do | | | | | |
| pregnant women? | ieej, uo | you tillik tile | e illeasureille | iits wiii be uo | ile correctly b | y tile |
| pregnant women: | | 1 | 2 | 3 | 4 | 5 |
