Table S2. Health Indicators Compiled from 24 National Health Reports

Tracer Area	Tracer Indicator	Number of Countries	Countries
REPRODUCTIVE, MATERNAL, NEWBORN AND CHILD HEALTH	Percentage of women who were overweight when they became pregnant	3	Germany, Channel Islands
	Receipt of full series of HPV for both male and female adolescents (ages 13-17)	2	Australia, USA
	Percentage of children and adolescents (5-19) with untreated dental caries	2	Germany, USA
	The percentage of infants aged 6 months that are partly or fully on breast feeding	6	Croatia, Estonia Germany, Qatar, Taiwan, USA
	The percentage of adolescents (2-19 years old) that are obese	5	Australia, Bermuda, Channel Islands, Taiwan, USA
	The percentage of adolescents under 18 with a food or skin allergy	5	Australia, Croatia, Germany, Ireland, USA
	Percentage of children and adolescents (5-17) diagnosed with ADHD	2	Australia, USA
INFECTIOUS DISEASES	Influenza vaccination rates for the elderly aged 65 year+	8	Australia, Bermuda, Estonia, Germany, Israel, Singapore, Spain, USA
	Vaccination rates for pneumococcal disease	1	Australia

	Mortality rates from pneumonia in older people	2	Australia, Bermuda
	Number of MRSA cases after more than 48 hours of admission	2	Australia, Singapore
NON-COMMUNICABLE DISEASES	In hospital mortality following acute myocardial infarction (AMI).	1	Bermuda
	Prevalence of adults with high cholesterol.	8	Australia, Bermuda, Brunei Darussalam, Gibraltar, Hong Kong, Israel, Spain, USA
	Percentage of smokers trying to quit	1	Ireland
	Prevalence of adolescents that report smoking e-cigarettes	3	Australia, Canada, USA
	Drug poisoning death rate involving heroin or opioid analgesics.	1	USA
	Number of people treated for drug abuse	1	Croatia
	Colorectal cancer screening.	7	Australia, Brunei Darussalam, Croatia, Denmark, Gibraltar, Israel, USA
	Breast cancer Screening	10	Australia, Bermuda, Brunei Darussalam, Croatia, Denmark,

			Germany, Gibraltar, Israel, Spain, USA
	The proportion of adults obese or overweight	9	Australia, Bermuda, Brunei Darussalam, Channel Islands, Croatia, Estonia, Israel, Taiwan, USA
	Percentage of people with anxiety disorders, depression, sleep disorders and alcoholism	4	Australia, Channel Islands, Croatia, Germany
	Percentage of People with dementia	2	Australia, Germany
	Percentage of people who have a partner or a close family member that has/had dementia	1	Ireland
	Number of new cases of treated end-stage kidney disease (ESKD) or end-stage renal failure (ESRF)	4	Australia, Bermuda, Israel, Saudi Arabia
	Percentage of people who sometimes or always need help with core activities of daily living (mobility, self-care or communication)	1	Australia
	Percentage of adults with pain in the lumbar spine, osteoarthritis or cervical back pain	4	Australia, Germany, Spain, USA

SERVICE CAPACITY AND ACCESS	The average experienced waiting time for planned hospital surgery	2	Australia, Denmark
	Average wait time for patients who are to have an initial consultation at the specialised care level.	2	Australia, Spain
	Average length of stay (ALOS)	3	Australia, Bermuda, USA
	The percentage of people who self-assess their health as excellent or very good.	4	Australia, Bermuda, Estonia, Spain
