[RESPONSES IN BRACKETS]

1. What is your gender?

    a. Male   [46%]

    b. Female   [54%]

2. What is your age? (type number only please) [24.9 (4.2) years]

3. How much time practicing ECG interpretation have you done previously?

    a. None   [43%]

    b. 1-30 minutes   [19%]

    c. 31-60 minutes   [14%]

    d. 60-120 minutes   [13%]

    e. >120 minutes   [11%]

4. How confident are you at reading ECG's?

    a. Not at all (I would be completely guessing)   [20%]

    b. Very low (I might get 1 right)   [28%]

    c. Low (I might get a couple right)   [37%]

    d. High (I should get most right)   [13%]

    e. Very high (I expect to get nearly all right)   [2%]

5. Have you studied using online practice modules before for medical skills?

    a. Never   [60%]

    b. Yes, but not for ECG   [35%]

    c. Yes, and it was for ECG [5%]

6. Do you think practicing is required for learn ECG interpretation?

    a. Not required   [0%]

    b. Probably not needed   [0%]

    c. I don't know   [1%]

    d. Probably important   [11%]

    e. Absolutely required   [88%]

7. Do you expect online practice modules for ECG will be EFFICIENT (good learning for your time spent)?

    a. Not at all   [0%]

    b. Probably not   [0%]

    c. Not sure   [7%]

    d. Probably yes   [38%]

    e. For sure yes   [55%]

8. Do you expect online practice modules for ECG will be EFFECTIVE (they will actually work for you)?

    a. Not at all   [0%]

    b. Probably not   [1%]

    c. I don't know   [6%]

    d. Probably effective [62%]

    e. Extremely effective [31%]

9. If you have any comments, please type below:

POST SURVEY COMPLETED BY 174 STUDENTS

1. How confident are you at reading ECG's?

    a. Not at all (I would be completely guessing) [0%]

    b. Very low (I might get 1 right)   [1%]

    c. Low (I might get a couple right)   [13%]

    d. High (I should get most right)   [75%]

    e. Very high (I expect to get nearly all right) [11%]

2. Do you think practicing is required for learn ECG interpretation?

    a. Not required   [0%]

    b. Probably not needed   [0%]

    c. I don't know   [1%]

    d. Probably important   [4%]

    e. Absolutely required   [95%]

3. Do you think online practice modules for ECG is EFFICIENT (good learning for your time spent)?

   a. Not at all   [0.5%]

   b. Probably not   [0.5%]

   c. Not sure   [1%]

   d. Probably yes   [24%]

   e. For sure yes   [74%]

4. Do you expect online practice modules for ECG will be EFFECTIVE (they will actually work for you)?

   a. Not at all   [1%]

   b. Probably not   [0%]

   c. I don't know   [3%]

   d. Probably effective   [37%]

   e. Extremely effective   [60%]

5. How important was the instant feedback to you?

   a. Not at all. It did not help   [0%]

   b. Not bad. Was occasionally useful   [2%]

   c. I don't know   [2%]

   d. Good. It helped a fair bit.   [31%]

   e. Excellent. Is absolutely required.   [65%]

6. Did you have fun working on the practice modules?

   a. Not at all. They were painful   [1%]

   b. Not really, but they were not painful [4%]

   c. I don't know   [3%]

   d. They were a little enjoyable   [48%]

   e. They were very fun   [44%]

7. Would you want this format of practice for other skills (x-rays or ultrasound for example)?

    a. Not at all   [1%]

    b. Not really   [1%]

    c. I don't know   [0%]

    d. Probably yes   [22%]

    e. For sure yes   [76%]
