

## The Questionnaire for Men Who Have Sex With Men

Hello! We come from Chongqing CDC or Chongqing Medical University. We are conducting a survey to understand people's knowledge about health and the characteristic of sexual behaviors. Please be assured that this survey is anonymous and we will keep your answer confidential. We hope that your answer is your personal truth. The survey will take up about 10 minutes. At the end of the survey, I can give you some help (for example, you can ask some health questions, We will try to answer). We hope you will support our work. Thank you!
