

**lasso penalized logistic regression**

grey lines: ROC curves from each CV-repetition  
black line: consensus ROC curve

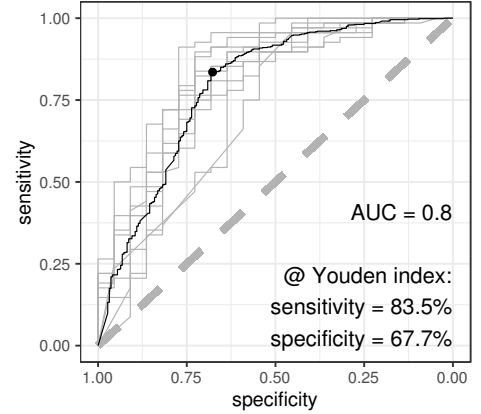

**SVM**

grey lines: ROC curves from each CV-repetition  
black line: consensus ROC curve

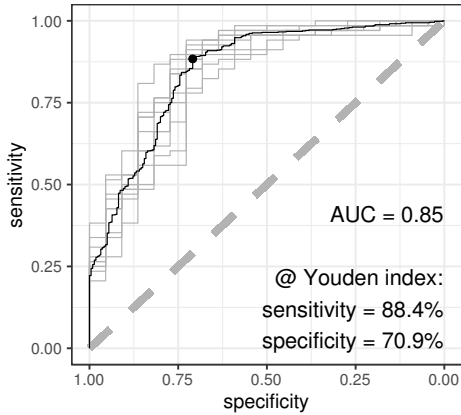

**boosted C5.0**

grey lines: ROC curves from each CV-repetition  
black line: consensus ROC curve

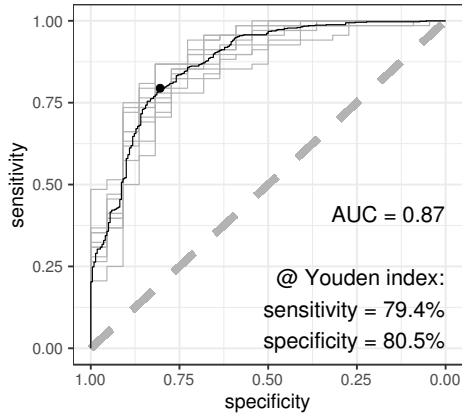

**random forest of classification trees**

grey lines: ROC curves from each CV-repetition  
black line: consensus ROC curve

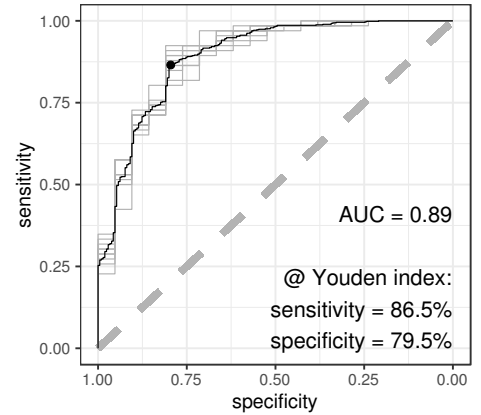

**random forest of regression trees**

grey lines: ROC curves from each CV-repetition  
black line: consensus ROC curve

**random forest of regression trees with Aduen**

grey lines: ROC curves from each CV-repetition  
black line: consensus ROC curve

**Aduen et al.**

ROC curve as evaluated on the full data set
