

Table S1. Identification of DEGs at each developmental stage of styles within each morph.

Morph	Pairwise comparison	
	Big floral bud	Early flowering stage
S-morph	B vs S	E vs B
L-morph	B vs S	E vs B
H-morph	B vs S	E vs B

S: gene expression at small floral bud stage; B: gene expression at big floral bud stage; E: gene expression at early flowering stage.
