

## OPEN PEER REVIEW REPORT 1

**Reviewer:** Sidharth Mehan, Rajendra Institute of Technology & Sciences, India.

**Comments to the authors:**

1. With reference to proposed drug TMP269, future perspective is not significantly explored.
2. Lack of Pharmacokinetic parameters.
3. Standard comparison group is must.
4. Clinical relevancy with respect to TMP269 is very less in review and reference part.
5. Lack of specific biochemical markers.
