Dear Erinn,

Yes I can confirm that Prof. McKeivitt conceived and designed the research, handled funding for the research and made critical revisions to the manuscript.

Thanks,
Amanda

MS Title: Long-term trends in stroke survivors discharged to care homes: The South London Stroke Register

Dear Dr. Clery,

Before I send your manuscript to production, there is one item that needs to be addressed: As Prof. McKeivitt's license agreement form was completed by his designee, could you please provide confirmation that Prof. McKeivitt fulfilled authorship criteria? You may do so by replying to this email.

The criteria are outlined on the license agreement form.

Thank you,

Erinn Cain
