

**Periodontal Antibodies and All-Cause and Cardiovascular Disease Mortality**  
 J. Qi, Z. Zihang, J. Zhang, Y.M. Park, D. Shrestha, B. Jianling, and A.T. Merchant

**Appendix**

**Appendix Figure 1.** Hazard Ratios (95% CIs) of All-Cause Mortality According to Tertiles of Four Cluster Scores for Age, Race, Gender, and Periodontal Status Subgroups. (CI = Confidence Interval, HR = Hazard Ratio)

**Appendix Figure 2.** Hazard Ratios (95% CIs) of Cardiovascular Disease Mortality According to Tertiles of Four Cluster Scores for Age, Race, Gender, and Periodontal Status Subgroups. (CI = Confidence Interval, HR = Hazard Ratio)
