

**Supplemental material to:**

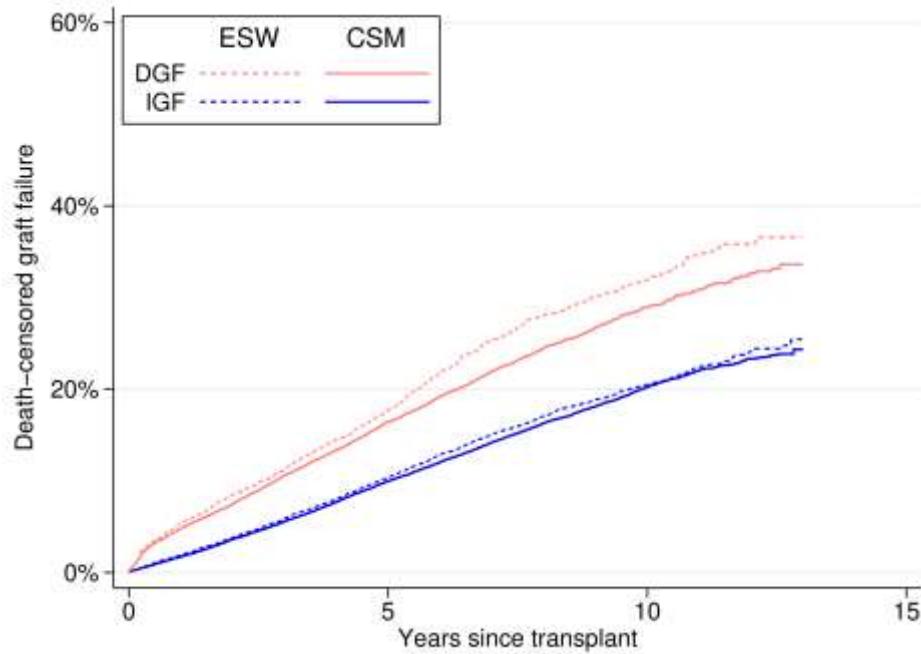

Bae S, et al. Early Steroid Withdrawal in Deceased-Donor Kidney Transplant Recipients with Delayed Graft Function.

**Table of Contents**

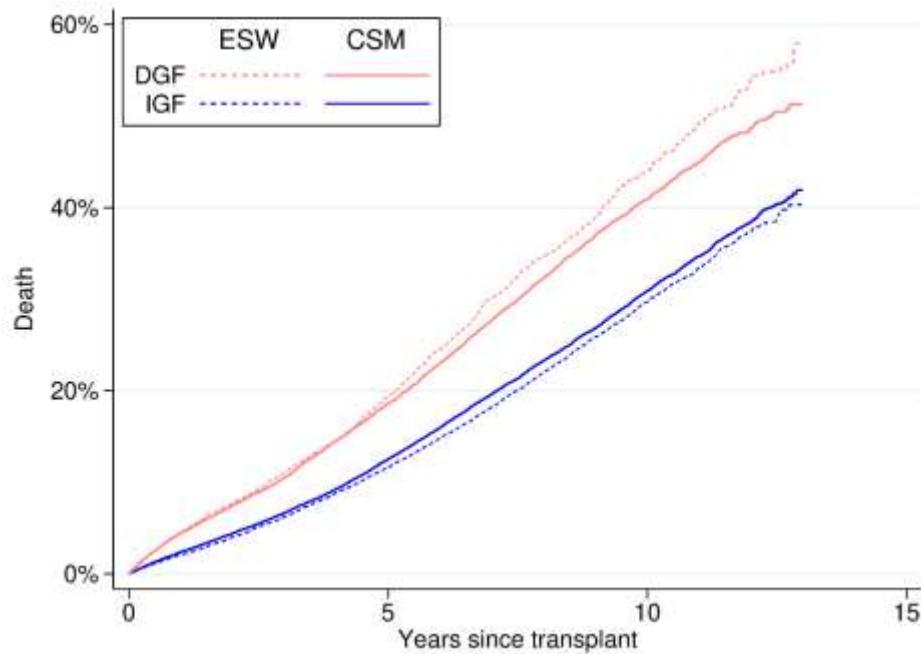

Supplemental Figure 1. Kaplan-Meier cumulative incidence plot for death-censored graft failure and death.....	1
Supplemental Table 1. Coefficients from the inverse probability of treatment weights model.....	2

**Supplemental Figure 1. Kaplan-Meier cumulative incidence plot for death-censored graft failure and death.**

(a) Death-censored graft failure

(b) Death

ESW, early steroid withdrawal; CSM, conventional steroid maintenance; DGF, delayed graft function; and IGF, immediate graft function.

**Supplemental Table 1. Coefficients from the inverse probability of treatment weights model.**
