

Subject #						
Composite Cerebrovascular Stenosis Score (CVSS)						
Vessel		Abnormal (yes/no)	Degree of Stenosis 1= 1-50%, 2=50-99%	Vessel occlusion 1= present	Unable to evaluate	Comments
ICA	Right					
	Left					
A1	Right					
	Left					
ACA distal to A1	Right					
	Left					
ACOM						
MCA*	Right					
	Left					
PCA**	Right					
	Left					
SCA	Right					
	Left					
Basilar						
Vertebral	Right		***			
	Left		***			
PICA	Right					
	Left					
		Number of Vessels=	Total Stenosis score=	Total Occlusion score=		
			Composite Cerebrovascular Stenosis Score (CVSS): Composite Stenosis Score + (Composite Occlusion Score x 3) =			
					Arterial Distribution of Ischemia	
*MCA up to the junction of M2/3					ICA	Right
**PCA up to mid P3, anterior to the dorsal brainstem						Left
***If vertebral appears hypoplastic do not score					A1	Right
Is ischemia restricted to the arterial distribution of stenosis (Y/N)?						Left
					ACA distal to A1	Right
						Left
					ACOM	
					MCA	Right
						Left
					PCA	Right
						Left
					SCA	Right
						Left
					Basilar	
					Vertebral	Right
						Left
					PICA	Right
						Left
