Supplementary Table 1. Adjustment Variables for Healthcare Utilization Regression Models

Inpatient	Year of diagnosis, age, sex, race, depression, anxiety, Alzheimer's disease and related dementias, asthma, atrial fibrillation, heart failure, chronic kidney disease, chronic obstructive pulmonary disease, diabetes, hyperlipidemia, hypertension, ischemic heart disease, osteoporosis, stroke, Deyo Charlson comorbidity index
Emergency Department	Year of diagnosis, age, sex, race, depression, anxiety, Alzheimer's disease and related dementias, asthma, atrial fibrillation, heart failure, chronic kidney disease, chronic obstructive pulmonary disease, diabetes, hyperlipidemia, hypertension, ischemic heart disease, osteoporosis, stroke, Deyo Charlson comorbidity index
Outpatient	Year of diagnosis, age, sex, race, depression, anxiety, Alzheimer's disease and related dementias, asthma, atrial fibrillation, heart failure, chronic kidney disease, chronic obstructive pulmonary disease, diabetes, hyperlipidemia, hypertension, ischemic heart disease, osteoporosis, rheumatoid arthritis, stroke, Deyo Charlson comorbidity index
Prescriptions	Year of diagnosis, age, sex, race, depression, anxiety, Alzheimer's disease and related dementias, asthma, atrial fibrillation, heart failure, chronic kidney disease, chronic obstructive pulmonary disease, diabetes, hyperlipidemia, hypertension, ischemic heart disease, osteoporosis, rheumatoid arthritis, stroke, Deyo Charlson comorbidity index

Supplementary Table 2. Adjustment Variables for Costs Regression Models

Inpatient	Year of diagnosis, age, sex, race, depression, anxiety, myocardial infarction, anemia, asthma, atrial fibrillation, chronic kidney disease, diabetes, heart failure, hyperlipidemia, hypertension, ischemic heart disease, osteoporosis, stroke, Deyo Charlson comorbidity index
Emergency Department	Year of diagnosis, age, sex, race, depression, anxiety, myocardial infarction, Alzheimer's disease and related dementias, anemia, asthma, atrial fibrillation, heart failure, chronic kidney disease, chronic obstructive pulmonary disease, diabetes, hypertension, ischemic heart disease, rheumatoid arthritis, osteoporosis, stroke, Deyo Charlson comorbidity index
Outpatient	Year of diagnosis, age, sex, race, depression, anxiety, myocardial infarction, anmeia, atrial fibrillation, heart failure, chronic kidney disease, chronic obstructive pulmonary disease, diabetes, hyperlipidemia, hypertension, ischemic heart disease, rheumatoid arthritis, stroke, Deyo Charlson comorbidity index
Prescriptions	Year of diagnosis, age, sex, race, depression, anxiety, Alzheimer's disease and related dementias, anemia, asthma, atrial fibrillation, heart failure, chronic kidney disease, chronic obstructive pulmonary disease, diabetes, hypertension, ischemic heart disease, rheumatoid arthritis, osteoporosis, stroke, Deyo Charlson comorbidity index
Total	Year of diagnosis, age, sex, race, depression, anxiety, myocardial infarction, Alzheimer's disease and related dementias, anemia, asthma, atrial fibrillation, heart failure, chronic kidney disease, chronic obstructive pulmonary disease, diabetes, hypertension, ischemic heart disease, rheumatoid arthritis, osteoporosis, stroke, Deyo Charlson comorbidity index
