

Supplementary Information

FIGURE S1 Similarities between notifications within product categories and hazard categories.

residues of veterinary products – residues of veterinary medicinal products

TSEs – transmissible spongiform encephalopathies

FIGURE S3 Similarities between notifications within notifying countries and hazard categories.

residues of veterinary products – residues of veterinary medicinal products

TSEs – transmissible spongiform encephalopathies

FIGURE S4 Similarities between notifications within origin countries and hazard categories.

residues of veterinary products – residues of veterinary medicinal products

TSEs – transmissible spongiform encephalopathies

FIGURE S5 Similarities between notifications within notification basis and hazard categories.

residues of veterinary products – residues of veterinary medicinal products

TSEs – transmissible spongiform encephalopathies

FIGURE S6 Similarities between notifications within notification type and hazard categories.

residues of veterinary products – residues of veterinary medicinal products
 TSEs – transmissible spongiform encephalopathies

FIGURE S7 Similarities between notifications within distribution status and hazard categories.

residues of veterinary products – residues of veterinary medicinal products

TSEs – transmissible spongiform encephalopathies

FIGURE S8 Similarities between notifications within risk decision and hazard categories.

residues of veterinary products – residues of veterinary medicinal products

TSEs – transmissible spongiform encephalopathies

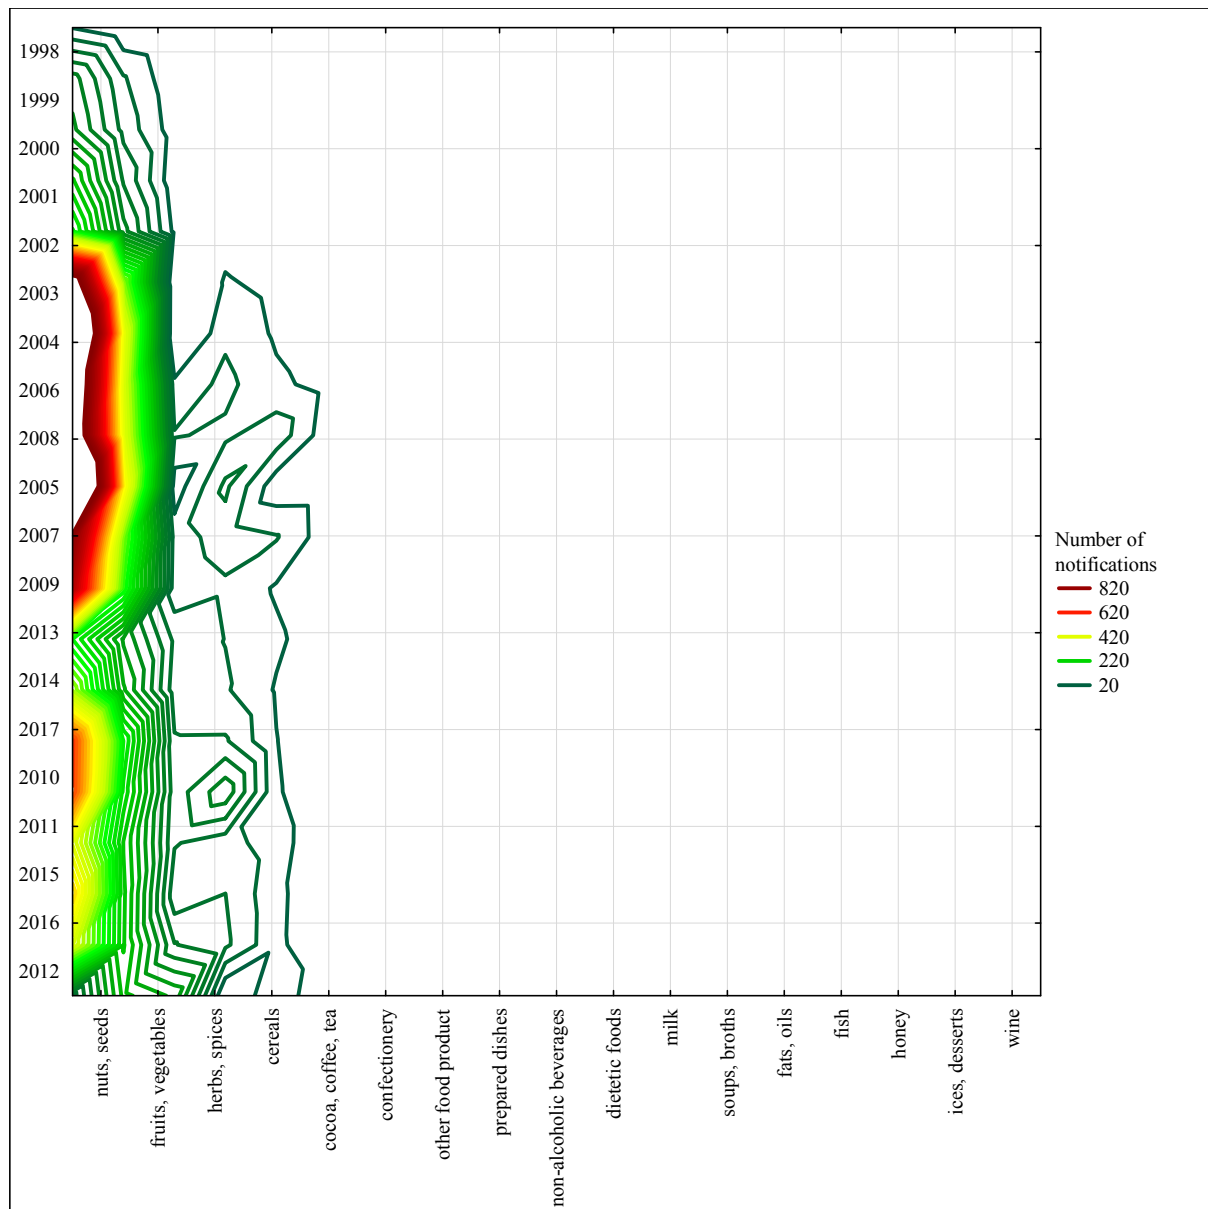

FIGURE S9 Similarities between notifications within action taken and hazard categories.

residues of veterinary products – residues of veterinary medicinal products
 TSEs – transmissible spongiform encephalopathies

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fats, oils – fats and oils
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 ices, desserts – ices and desserts
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S10 Similarities between product category and year within notifications on mycotoxins.

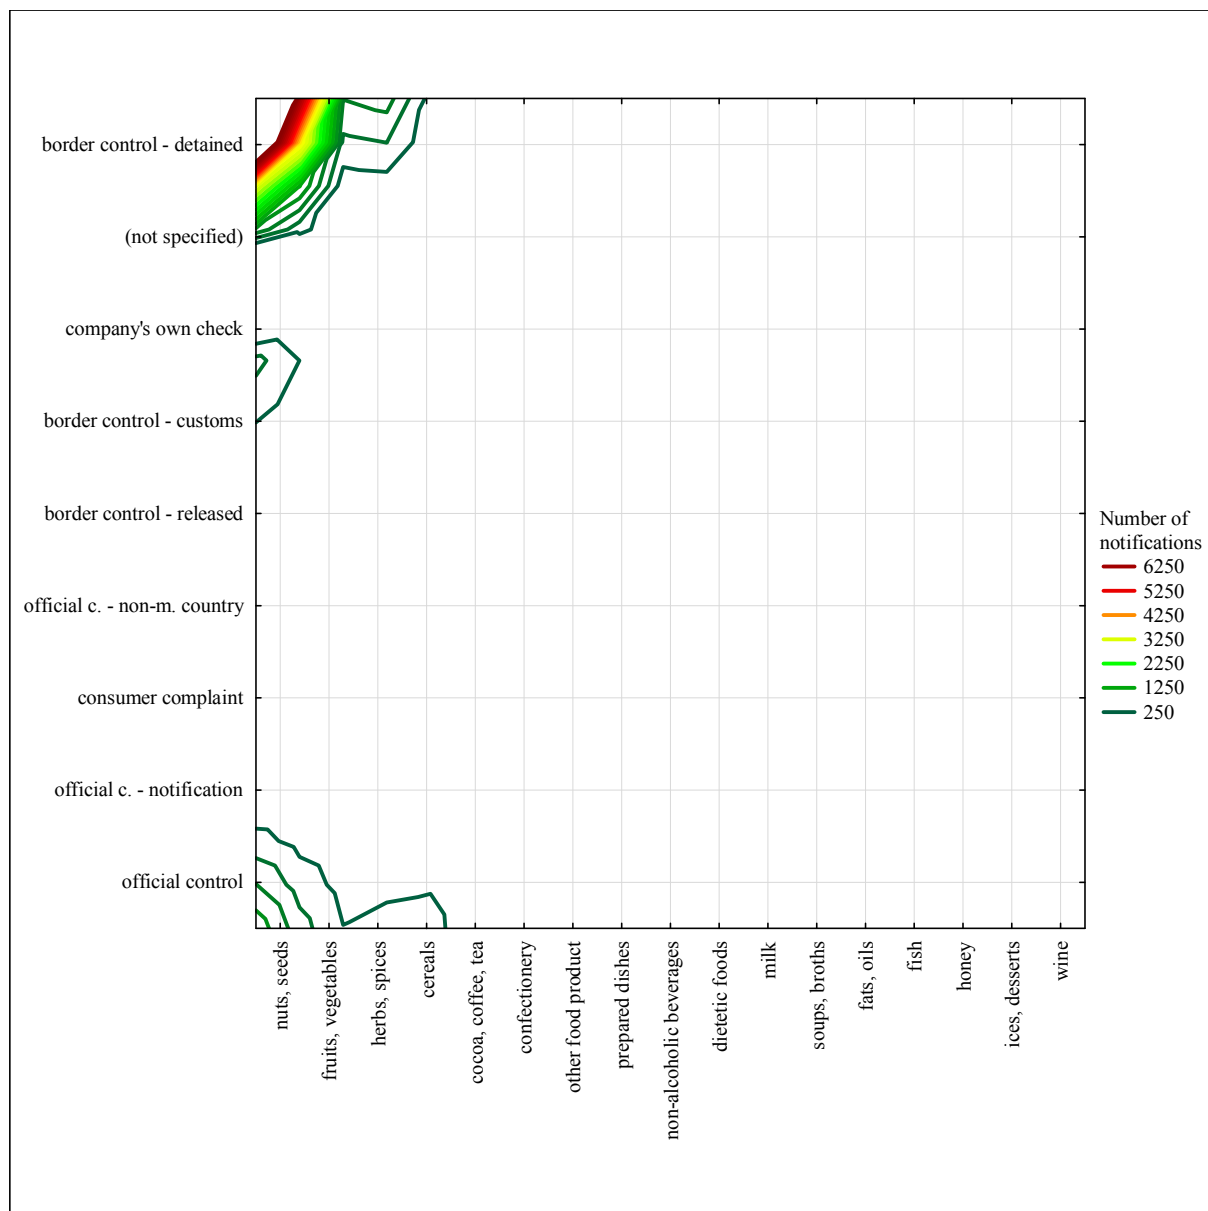

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fats, oils – fats and oils
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 ices, desserts – ices and desserts
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S11 Similarities between product category and notifying country within notifications on mycotoxins.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fats, oils – fats and oils
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 ices, desserts – ices and desserts
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S12 Similarities between product category and origin country within notifications on mycotoxins.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fats, oils – fats and oils
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 ices, desserts – ices and desserts
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

border control - customs – border control - consignment under customs
 border control - detained – border control - consignment detained
 border control - released – border control - consignment released
 official c. - non-m. country – official control in non-member country
 official c. - notification – official control following RASFF notification
 official control – official control on the market

FIGURE S13 Similarities between product category and notification basis within notifications on mycotoxins.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fats, oils – fats and oils
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 ices, desserts – ices and desserts
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

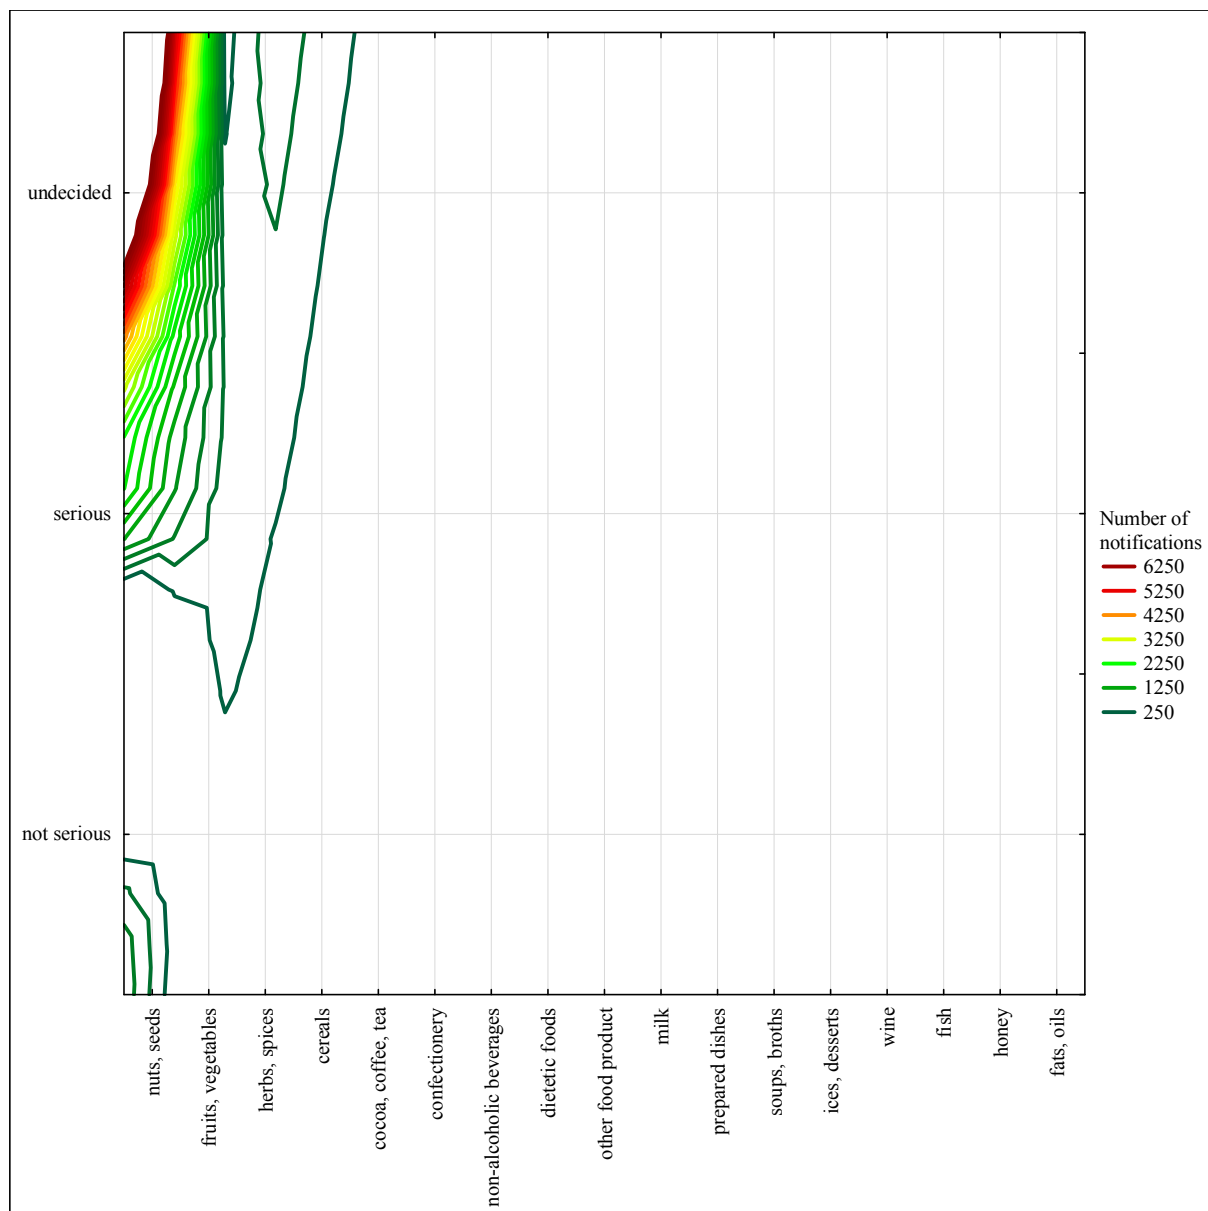

FIGURE S14 Similarities between product category and notification type within notifications on mycotoxins.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fats, oils – fats and oils
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 ices, desserts – ices and desserts
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

distr. to m. countries – distribution to other member countries
 distr. to third countries – distribution to third countries
 distribution (possible) – distribution on the market (possible)
 distribution restricted – distribution restricted to notifying country
 information not available – information on distribution not (yet) available
 no distr. from n. country – no distribution from notifying country
 no longer on market – product (presumably) no longer on the market
 not placed on market – product not (yet) placed on the market
 product - customs control – product under customs control
 product - customs seals – product allowed to travel to destination under customs seals
 product consumed – product already consumed
 product past best date – product past best before date

FIGURE S15 Similarities between product category and distribution status within notifications on mycotoxins.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fats, oils – fats and oils
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 ices, desserts – ices and desserts
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S16 Similarities between product category and risk decision within notifications on mycotoxins.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fats, oils – fats and oils
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 ices, desserts – ices and desserts
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

customs seals – placed under customs seals
 destination changed – destination of the product changed
 ph. treatment - blanching – physical treatment - blanching
 ph. treatment - sorting – physical treatment - sorting
 ph./ch. treatment – physical/chemical treatment
 recall – recall from consumers
 recall/withdrawal – product recall or withdrawal
 re-dispatch/destruction – re-dispatch or destruction
 withdrawal – withdrawal from the market

FIGURE S17 Similarities between product category and action taken within notifications on mycotoxins.

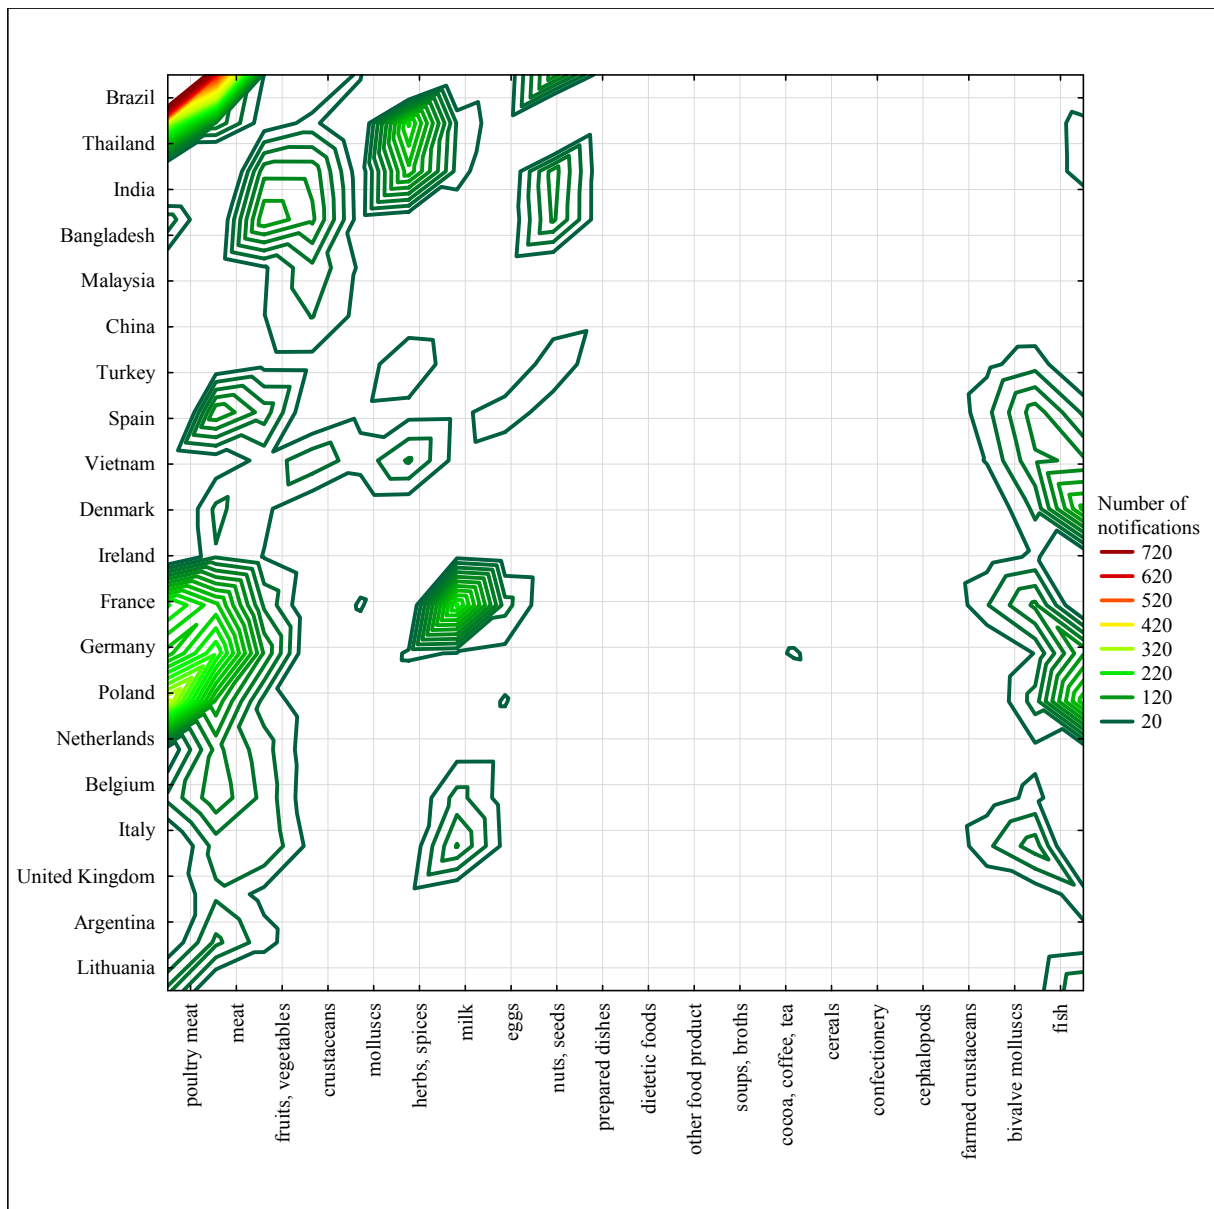

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 farmed crustaceans – farmed crustaceans and products thereof - (obsolete)
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seedsnuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S18 Similarities between product category and year within notifications on pathogenic micro-organisms.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 farmed crustaceans – farmed crustaceans and products thereof - (obsolete)
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seedsnuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S19 Similarities between product category and notifying country within notifications on pathogenic micro-organisms.

bivalve molluscs – bivalve molluscs and products thereof
cephalopods – cephalopods and products thereof
cereals – cereals and bakery products
cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
crustaceans – crustaceans and products thereof
dietetic foods – dietetic foods, food supplements, fortified foods
eggs – eggs and egg products
farmed crustaceans – farmed crustaceans and products thereof - (obsolete)
fish – fish and fish products
fruits, vegetables – fruits and vegetables
herbs, spices – herbs and spices
meat – meat and meat products (other than poultry)
milk – milk and milk products
molluscs – molluscs and products thereof - (obsolete)
nuts, seeds – nuts, nut products and seeds
other food product – other food product / mixed
poultry meat – poultry meat and poultry meat products
prepared dishes – prepared dishes and snacks
soups, broths – soups, broths, sauces and condiments

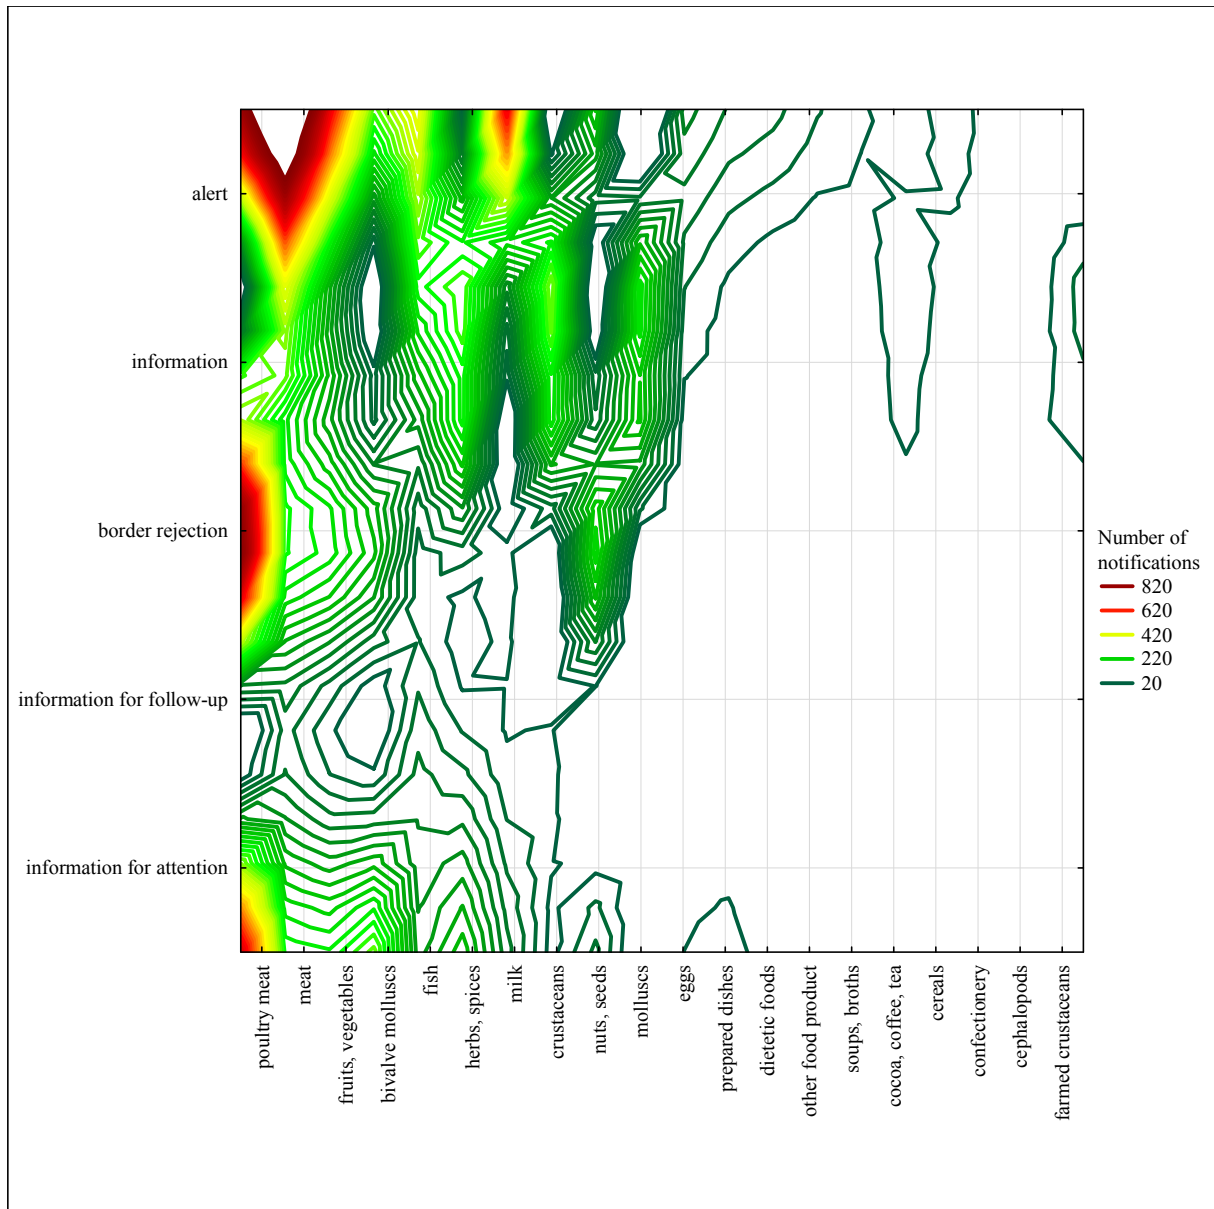

FIGURE S20 Similarities between product category and origin country within notifications on pathogenic micro-organisms.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 farmed crustaceans – farmed crustaceans and products thereof - (obsolete)
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

 border control - customs – border control - consignment under customs
 border control - detained – border control - consignment detained
 border control - released – border control - consignment released
 official c. - non-m. country – official control in non-member country
 official c. - notification – official control following RASFF notification
 official control – official control on the market

FIGURE S21 Similarities between product category and notification basis within notifications on pathogenic micro-organisms.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 farmed crustaceans – farmed crustaceans and products thereof - (obsolete)
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S22 Similarities between product category and notification type within notifications on pathogenic micro-organisms.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 farmed crustaceans – farmed crustaceans and products thereof - (obsolete)
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks

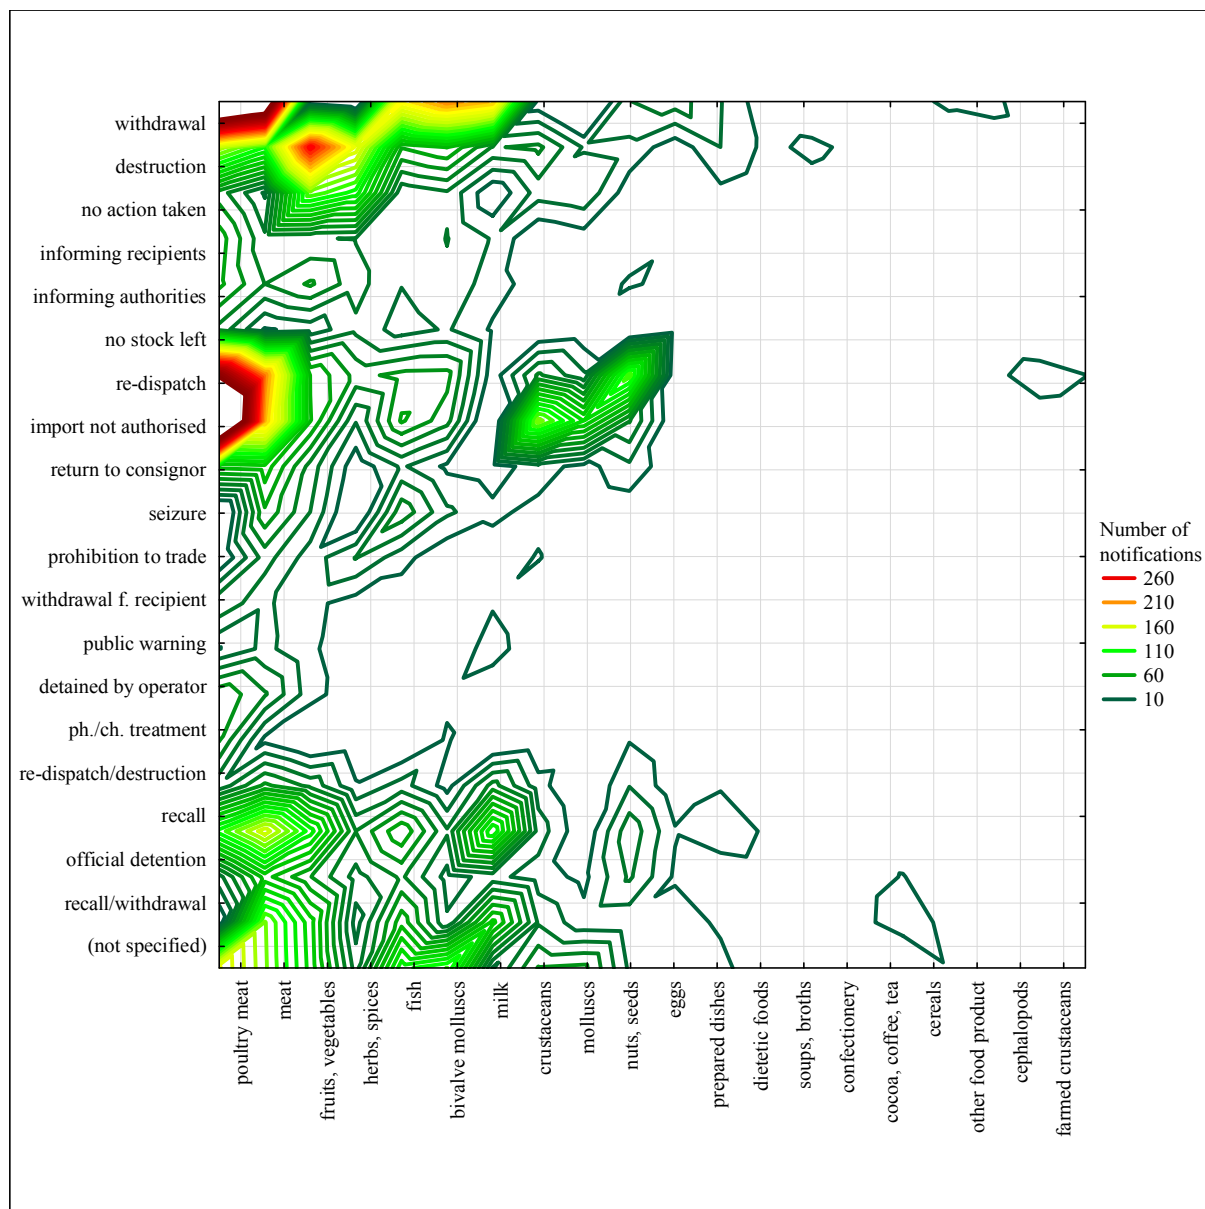

soups, broths – soups, broths, sauces and condiments
 distr. to m. countries – distribution to other member countries
 distr. to non-m. countries – distribution to non-member countries
 distr. to third countries – distribution to third countries
 distribution (possible) – distribution on the market (possible)
 distribution restricted – distribution restricted to notifying country
 information not available – information on distribution not (yet) available
 no distr. from n. country – no distribution from notifying country
 no longer on market – product (presumably) no longer on the market
 not placed on market – product not (yet) placed on the market
 product - customs seals – product allowed to travel to destination under customs seals
 product consumed – product already consumed
 product - customs control – product under customs control
 product past best date – product past best before date

FIGURE S23 Similarities between product category and distribution status within notifications on pathogenic micro-organisms.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 farmed crustaceans – farmed crustaceans and products thereof - (obsolete)
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seeds nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S24 Similarities between product category and risk decision within notifications on pathogenic micro-organisms.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 farmed crustaceans – farmed crustaceans and products thereof - (obsolete)
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 molluscs – molluscs and products thereof - (obsolete)

nuts, seedsnuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

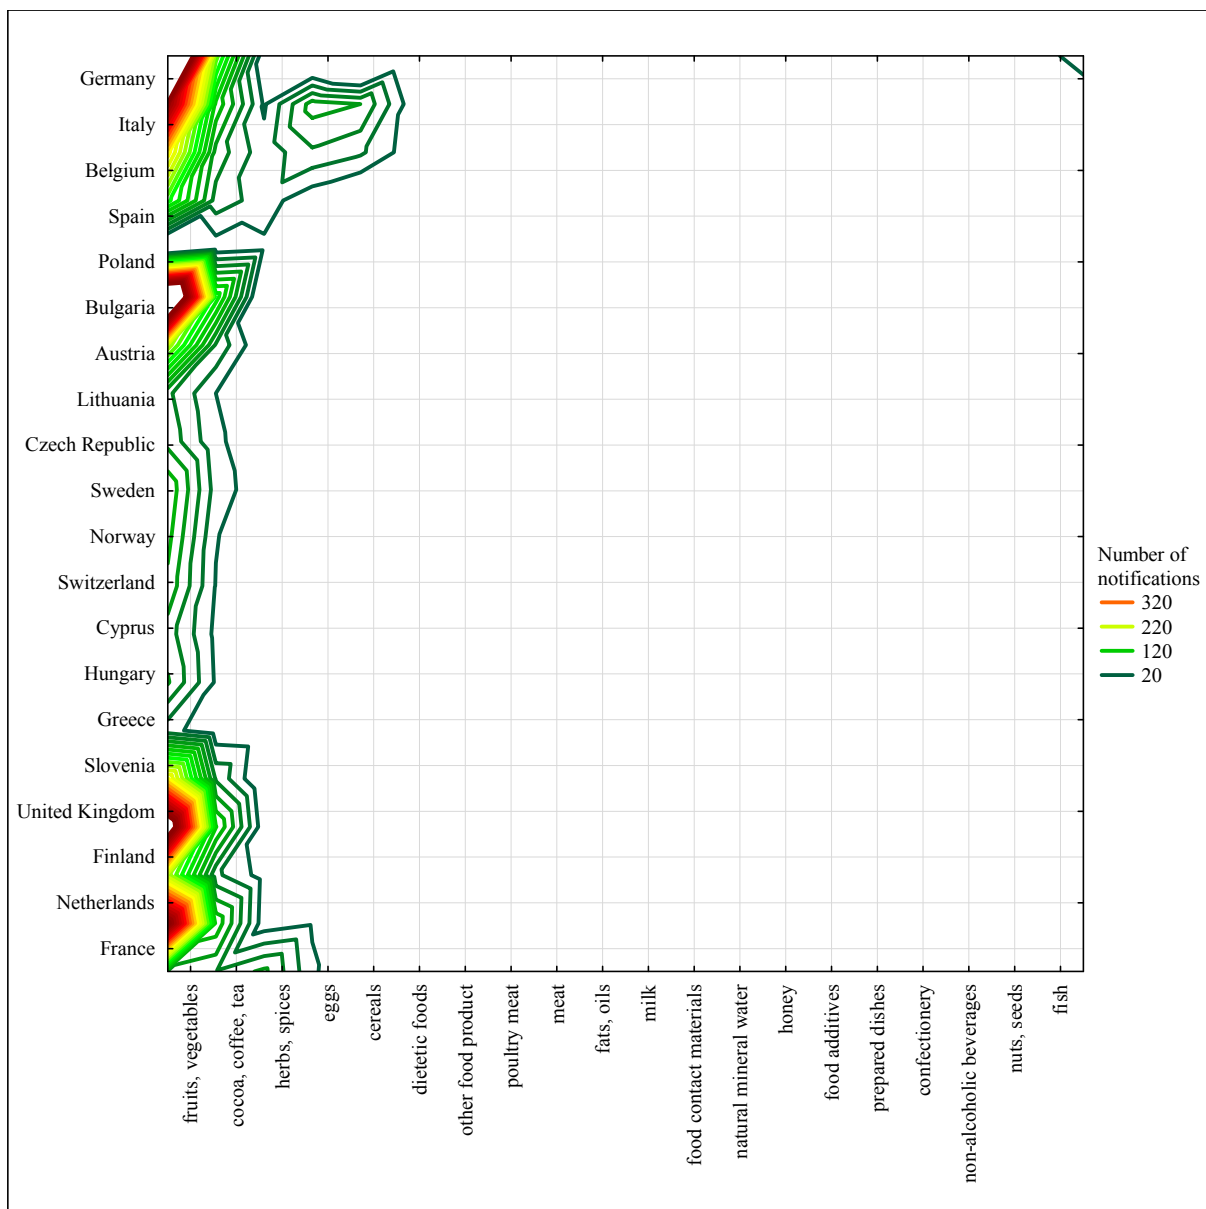

ph./ch. treatment – physical/chemical treatment
 prohibition to trade – prohibition to trade - sales ban
 public warning – public warning - press release
 recall – recall from consumers
 recall/withdrawal – product recall or withdrawal
 re-dispatch/destruction – re-dispatch or destruction
 withdrawal – withdrawal from the market
 withdrawal f. recipient – withdrawal from recipient(s)

FIGURE S25 Similarities between product category and action taken within notifications on pathogenic micro-organisms.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 fats, oils – fats and oils
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks

FIGURE S26 Similarities between product category and year within notifications on pesticide residues.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 fats, oils – fats and oils
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks

FIGURE S27 Similarities between product category and notifying country within notifications on pesticide residues.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 fats, oils – fats and oils
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks

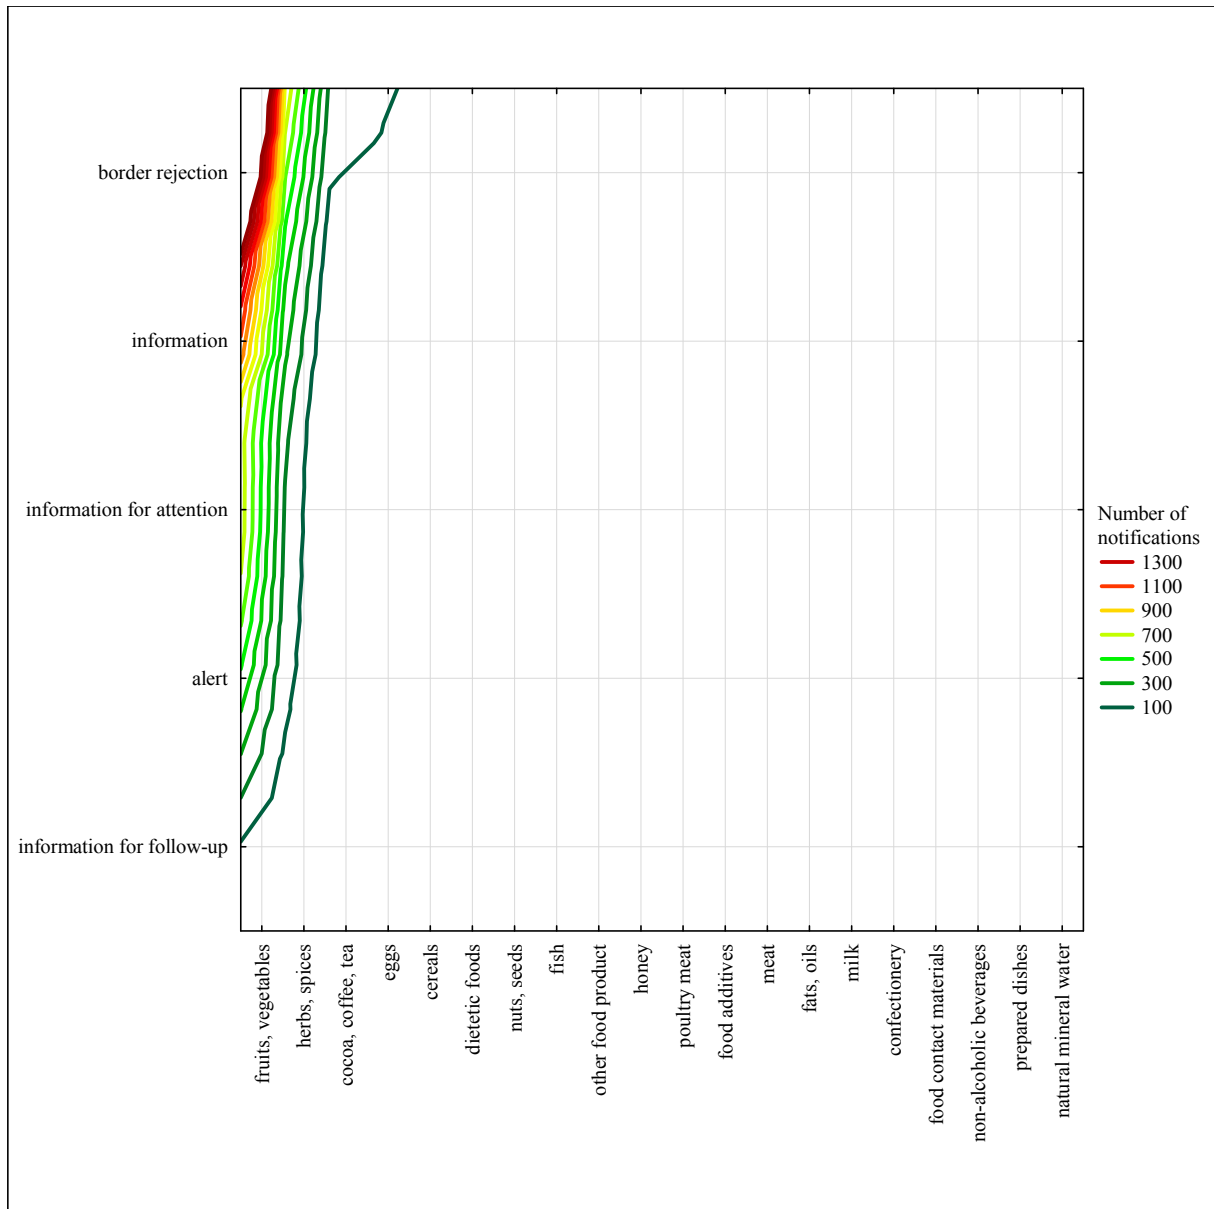

FIGURE S28 Similarities between product category and origin country within notifications on pesticide residues.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 fats, oils – fats and oils
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks

border control - customs – border control - consignment under customs
 border control - detained – border control - consignment detained
 border control - released – border control - consignment released
 official c. - notification – official control following RASFF notification
 official control – official control on the market

FIGURE S29 Similarities between product category and notification basis within notifications on pesticide residues.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 fats, oils – fats and oils
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks

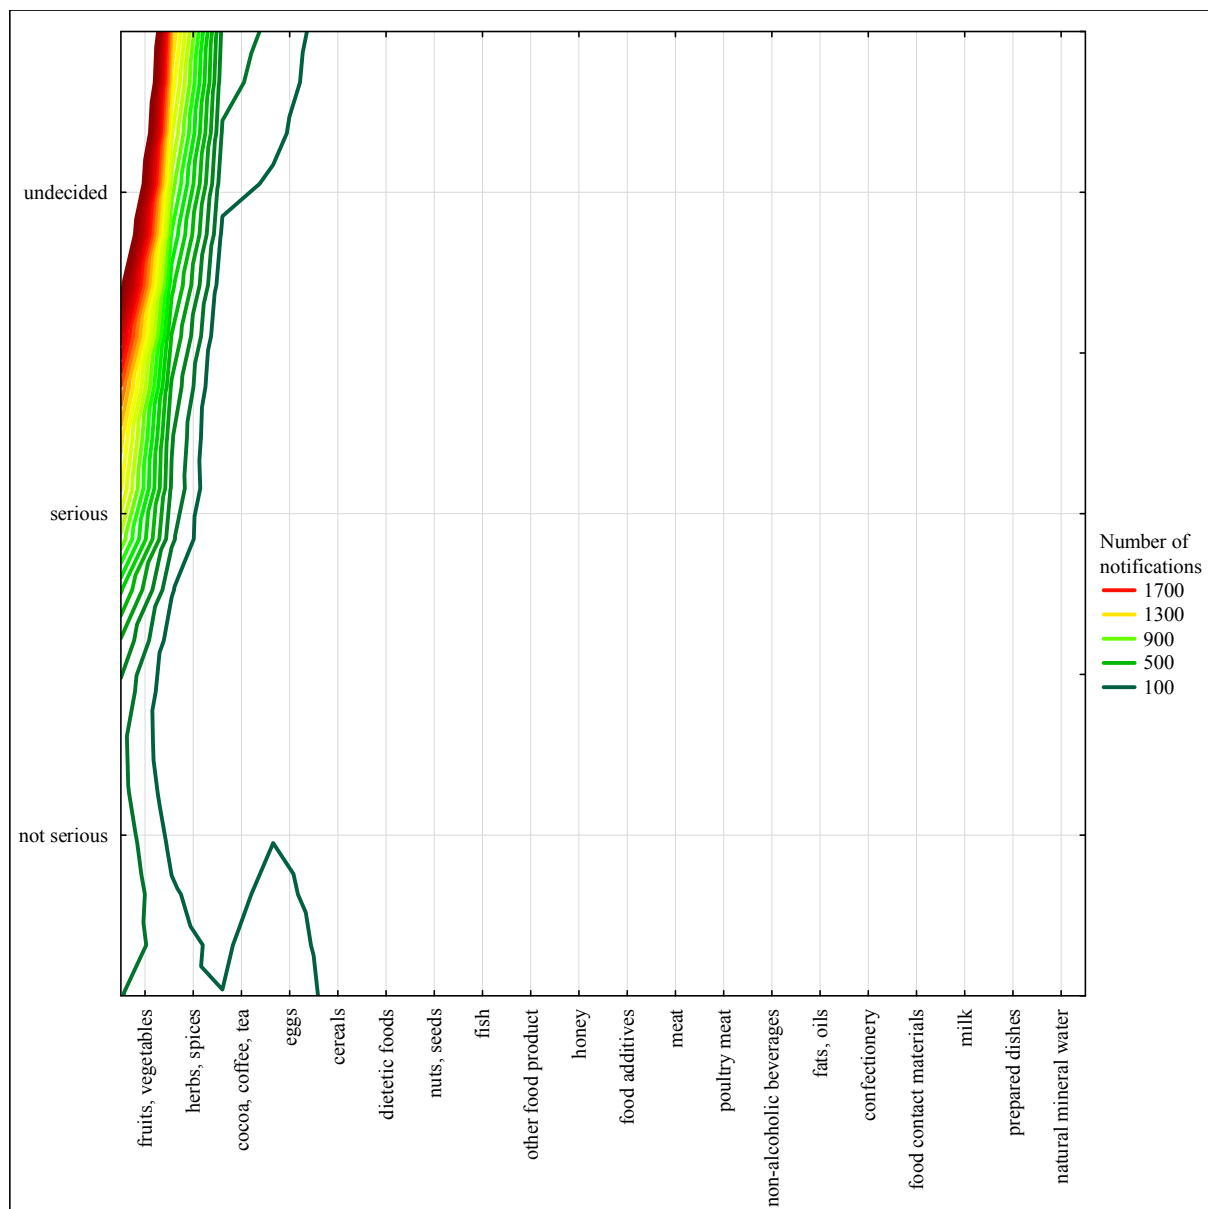

FIGURE S30 Similarities between product category and notification type within notifications on pesticide residues.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 fats, oils – fats and oils
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks

distr. to m. countries – distribution to other member countries
 distr. to non-m. countries – distribution to non-member countries
 distr. to third countries – distribution to third countries
 distribution (possible) – distribution on the market (possible)
 distribution restricted – distribution restricted to notifying country
 information not available – information on distribution not (yet) available
 no distr. from n. country – no distribution from notifying country
 no longer on market – product (presumably) no longer on the market
 not placed on market – product not (yet) placed on the market
 product - customs control – product under customs control
 product - customs seals – product allowed to travel to destination under customs seals
 product consumed – product already consumed
 product past best date – product past best before date

FIGURE S31 Similarities between product category and distribution status within notifications on pesticide residues.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 fats, oils – fats and oils
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks

FIGURE S32 Similarities between product category and risk decision within notifications on pesticide residues.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 fats, oils – fats and oils
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks

customs seals – placed under customs seals
 product consumed – product already consumed
 recall – recall from consumers
 recall/withdrawal – product recall or withdrawal
 re-dispatch/destruction – re-dispatch or destruction
 withdrawal – withdrawal from the market
 withdrawal f. recipient – withdrawal from recipient(s)

FIGURE S33 Similarities between product category and action taken within notifications on pesticide residues.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 soups, broths – soups, broths, sauces and condiments
 wild fish – wild caught fish and products thereof (other than crustaceans and molluscs) - (obsolete)

FIGURE S34 Similarities between product category and year within notifications on heavy metals.

bivalve molluscs – bivalve molluscs and products thereof

cephalopods – cephalopods and products thereof

cereals – cereals and bakery products

cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea

crustaceans – crustaceans and products thereof

dietetic foods – dietetic foods, food supplements, fortified foods

fish – fish and fish products

food additives – food additives and flavourings

fruits, vegetables – fruits and vegetables

herbs, spices – herbs and spices

meat – meat and meat products (other than poultry)

molluscs – molluscs and products thereof - (obsolete)

nuts, seeds – nuts, nut products and seeds

other food product – other food product / mixed

soups, broths – soups, broths, sauces and condiments

wild fish – wild caught fish and products thereof (other than crustaceans and molluscs) - (obsolete)

FIGURE S35 Similarities between product category and notifying country within notifications on heavy metals.

bivalve molluscs – bivalve molluscs and products thereof

cephalopods – cephalopods and products thereof

cereals – cereals and bakery products

cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea

crustaceans – crustaceans and products thereof

dietetic foods – dietetic foods, food supplements, fortified foods

fish – fish and fish products

food additives – food additives and flavourings

fruits, vegetables – fruits and vegetables

herbs, spices – herbs and spices

meat – meat and meat products (other than poultry)

molluscs – molluscs and products thereof - (obsolete)

nuts, seeds – nuts, nut products and seeds

other food product – other food product / mixed

soups, broths – soups, broths, sauces and condiments

wild fish – wild caught fish and products thereof (other than crustaceans and molluscs) - (obsolete)

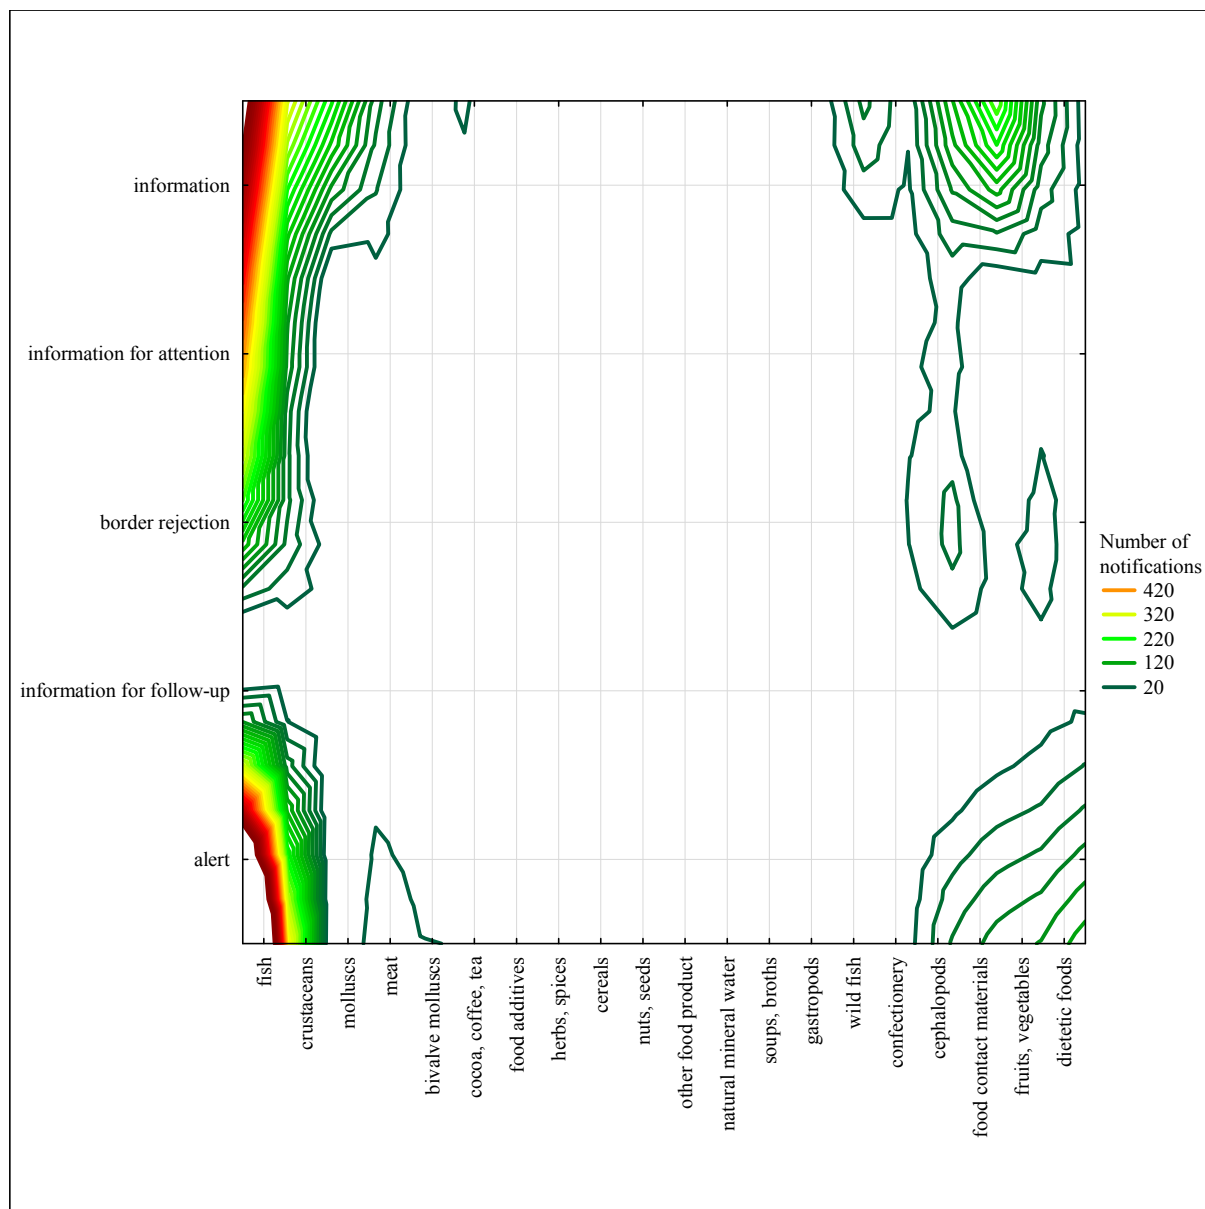

FIGURE S36 Similarities between product category and origin country within notifications on heavy metals.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 soups, broths – soups, broths, sauces and condiments
 wild fish – wild caught fish and products thereof (other than crustaceans and molluscs) - (obsolete)

border control - customs – border control - consignment under customs
 border control - detained – border control - consignment detained
 border control - released – border control - consignment released
 official c. - notification – official control following RASFF notification
 official c. – non-m. country – official control in non-member country
 official control – official control on the market

FIGURE S37 Similarities between product category and notification basis within notifications on heavy metals.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 soups, broths – soups, broths, sauces and condiments
 wild fish – wild caught fish and products thereof (other than crustaceans and molluscs) - (obsolete)

FIGURE S38 Similarities between product category and notification type within notifications on heavy metals.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 soups, broths – soups, broths, sauces and condiments
 wild fish – wild caught fish and products thereof (other than crustaceans and molluscs) - (obsolete)

distr. to m. countries – distribution to other member countries
 distr. to third countries – distribution to third countries
 distribution (possible) – distribution on the market (possible)
 distribution restricted – distribution restricted to notifying country
 information not available – information on distribution not (yet) available
 no distr. from n. country – no distribution from notifying country
 no longer on market – product (presumably) no longer on the market
 not placed on market – product not (yet) placed on the market

 product - customs seals – product allowed to travel to destination under customs seals
 product consumed – product already consumed
 product past best date – product past best before date

FIGURE S39 Similarities between product category and distribution status within notifications on heavy metals.

bivalve molluscs – bivalve molluscs and products thereof

cephalopods – cephalopods and products thereof

cereals – cereals and bakery products

cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea

crustaceans – crustaceans and products thereof

dietetic foods – dietetic foods, food supplements, fortified foods

fish – fish and fish products

food additives – food additives and flavourings

fruits, vegetables – fruits and vegetables

herbs, spices – herbs and spices

meat – meat and meat products (other than poultry)

molluscs – molluscs and products thereof - (obsolete)

nuts, seeds – nuts, nut products and seeds

other food product – other food product / mixed

soups, broths – soups, broths, sauces and condiments

wild fish – wild caught fish and products thereof (other than crustaceans and molluscs) - (obsolete)

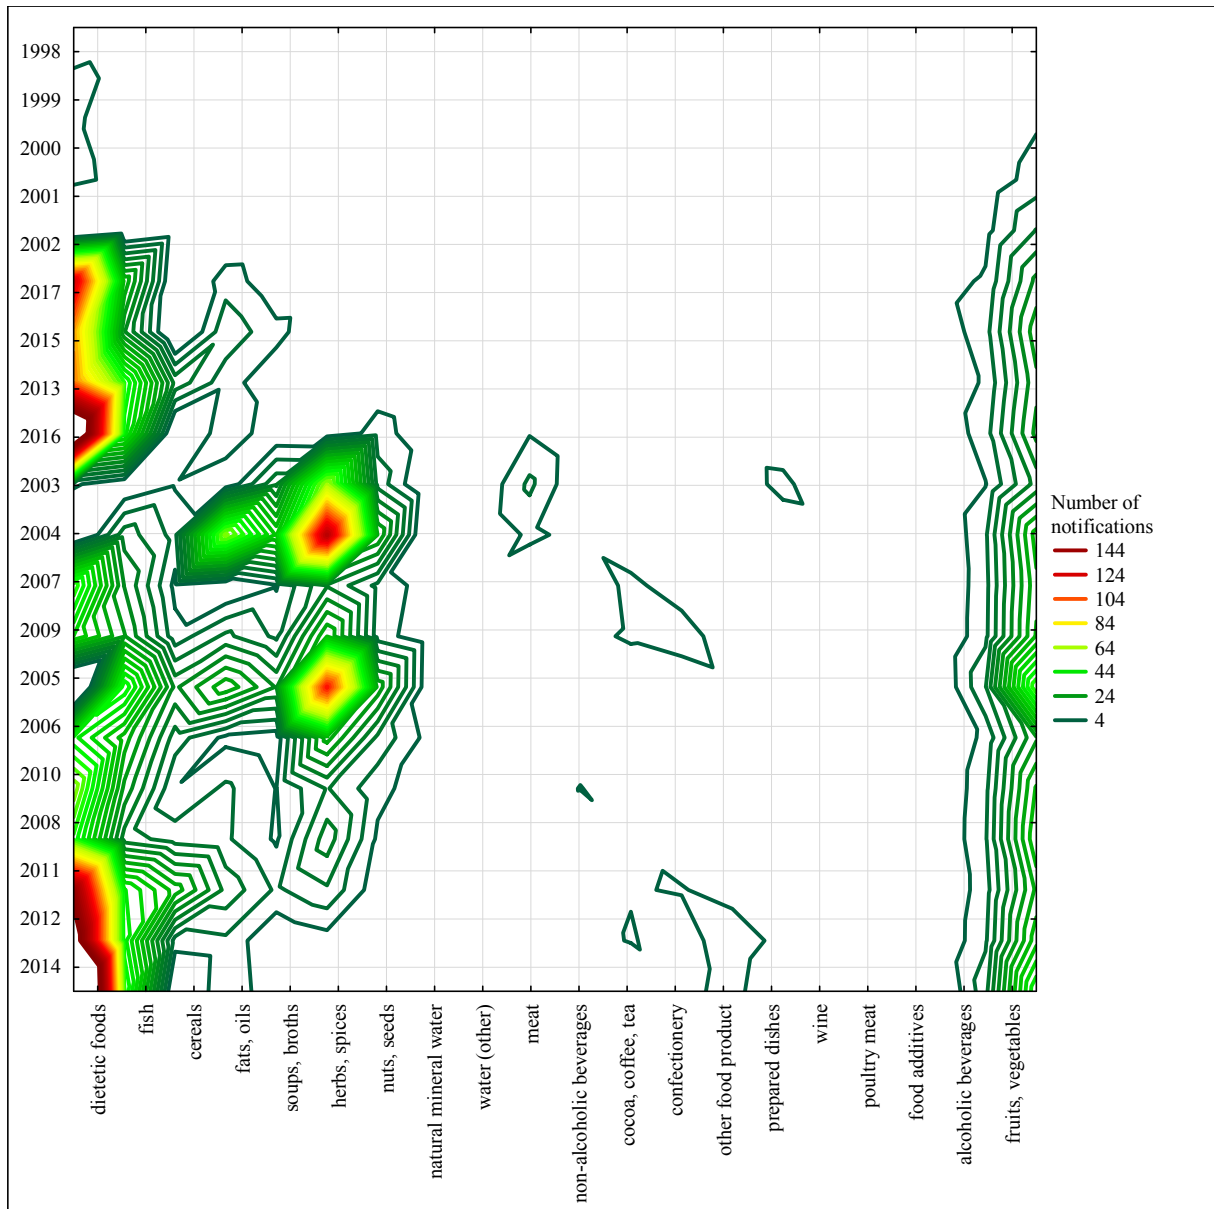

FIGURE S40 Similarities between product category and risk decision within notifications on heavy metals.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 soups, broths – soups, broths, sauces and condiments
 wild fish – wild caught fish and products thereof (other than crustaceans and molluscs) - (obsolete)

prohibition to trade – prohibition to trade - sales ban
 recall – recall from consumers
 recall/withdrawal – product recall or withdrawal
 re-dispatch/destruction – re-dispatch or destruction
 withdrawal – withdrawal from the market
 withdrawal f. recipient – withdrawal from recipient(s)

FIGURE S41 Similarities between product category and action taken within notifications on heavy metals.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fats, oils – fats and oils
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments
 water (other) – water for human consumption (other)

FIGURE S42 Similarities between product category and year within notifications on composition.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fats, oils – fats and oils
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments
 water (other) – water for human consumption (other)

FIGURE S43 Similarities between product category and notifying country within notifications on composition.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fats, oils – fats and oils
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments
 water (other) – water for human consumption (other)

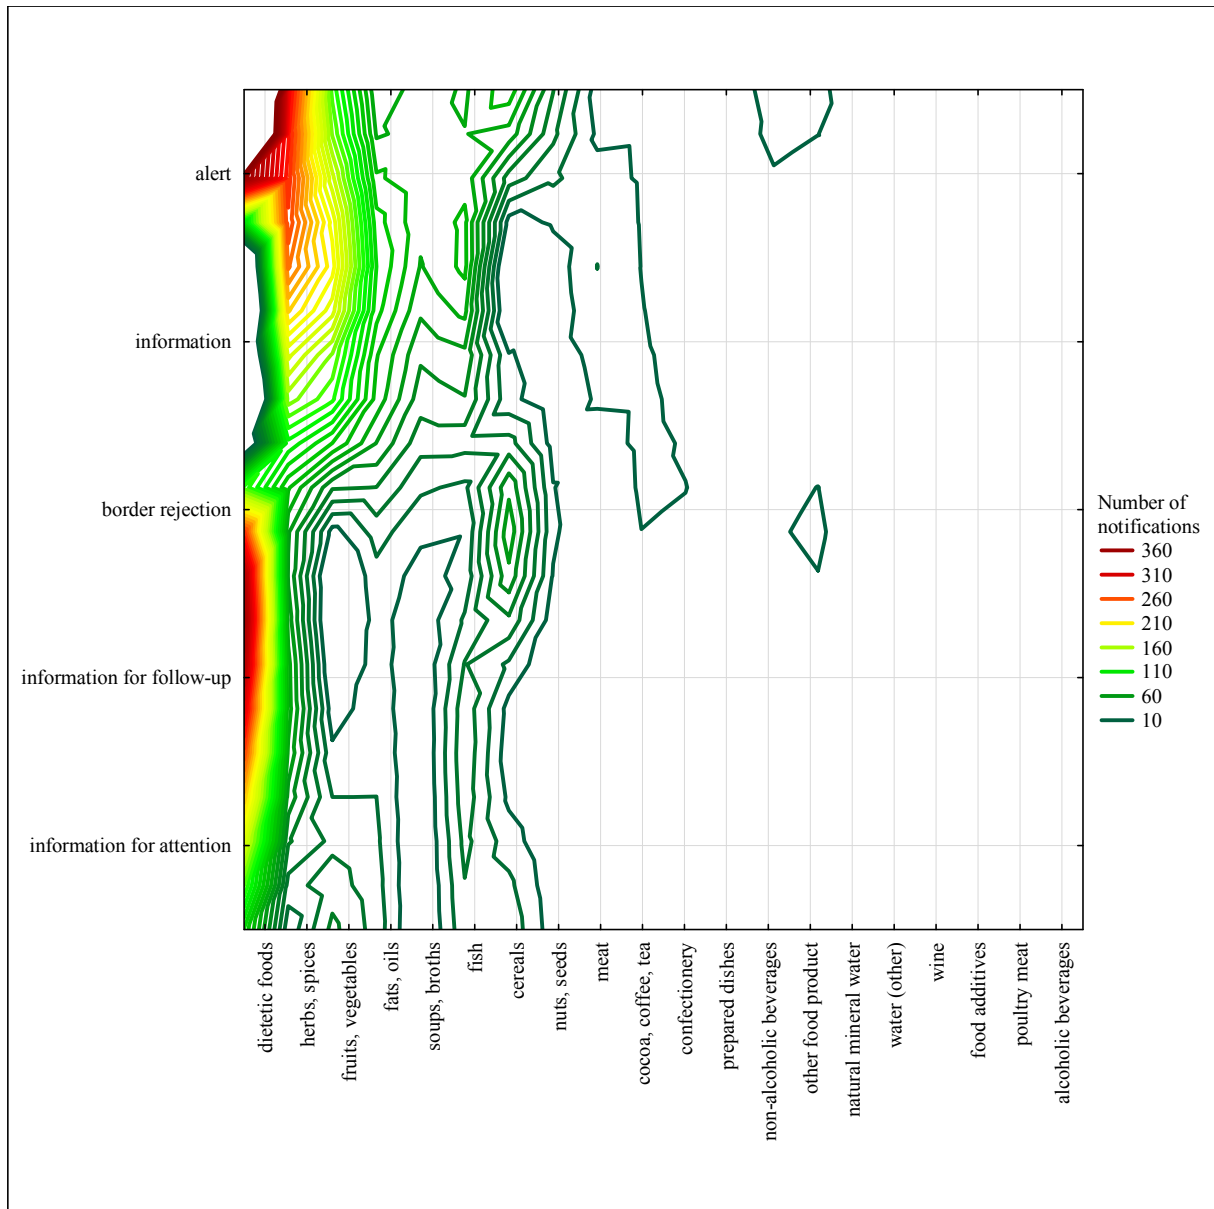

FIGURE S44 Similarities between product category and origin country within notifications on composition.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fats, oils – fats and oils
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments
 water (other) – water for human consumption (other)

border control - customs – border control - consignment under customs
 border control - detained – border control - consignment detained
 border control - released – border control - consignment released
 official c. - non-m. country – official control in non-member country
 official c. - notification – official control following RASFF notification
 official control – official control on the market

FIGURE S45 Similarities between product category and notification basis within notifications on composition.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fats, oils – fats and oils
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments
 water (other) – water for human consumption (other)

FIGURE S46 Similarities between product category and notification type within notifications on composition.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fats, oils – fats and oils
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments
 water (other) – water for human consumption (other)

distr. to m. countries – distribution to other member countries
 distr. to non-m. countries – distribution to non-member countries

distr. to third countries – distribution to third countries
 distribution (possible) – distribution on the market (possible)
 distribution restricted – distribution restricted to notifying country
 information not available – information on distribution not (yet) available
 no distr. from n. country – no distribution from notifying country
 no distr. to m. countries – no distribution to other member countries
 no longer on market – product (presumably) no longer on the market
 not placed on market – product not (yet) placed on the market
 product - customs control – product under customs control
 product - customs seals – product allowed to travel to destination under customs seals
 product consumed – product already consumed
 product past best date – product past best before date

FIGURE S47 Similarities between product category and distribution status within notifications on composition.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fats, oils – fats and oils
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments
 water (other) – water for human consumption (other)

FIGURE S48 Similarities between product category and risk decision within notifications on composition.

cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fats, oils – fats and oils
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 meat – meat and meat products (other than poultry)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments
 water (other) – water for human consumption (other)

customs seals – placed under customs seals
 prohibition to trade – prohibition to trade - sales ban
 public warning – public warning - press release
 recall – recall from consumers
 recall/withdrawal – product recall or withdrawal
 re-dispatch/destruction – re-dispatch or destruction
 withdrawal – withdrawal from the market
 withdrawal f. recipient – withdrawal from recipient(s)

FIGURE S49 Similarities between product category and action taken within notifications on composition.

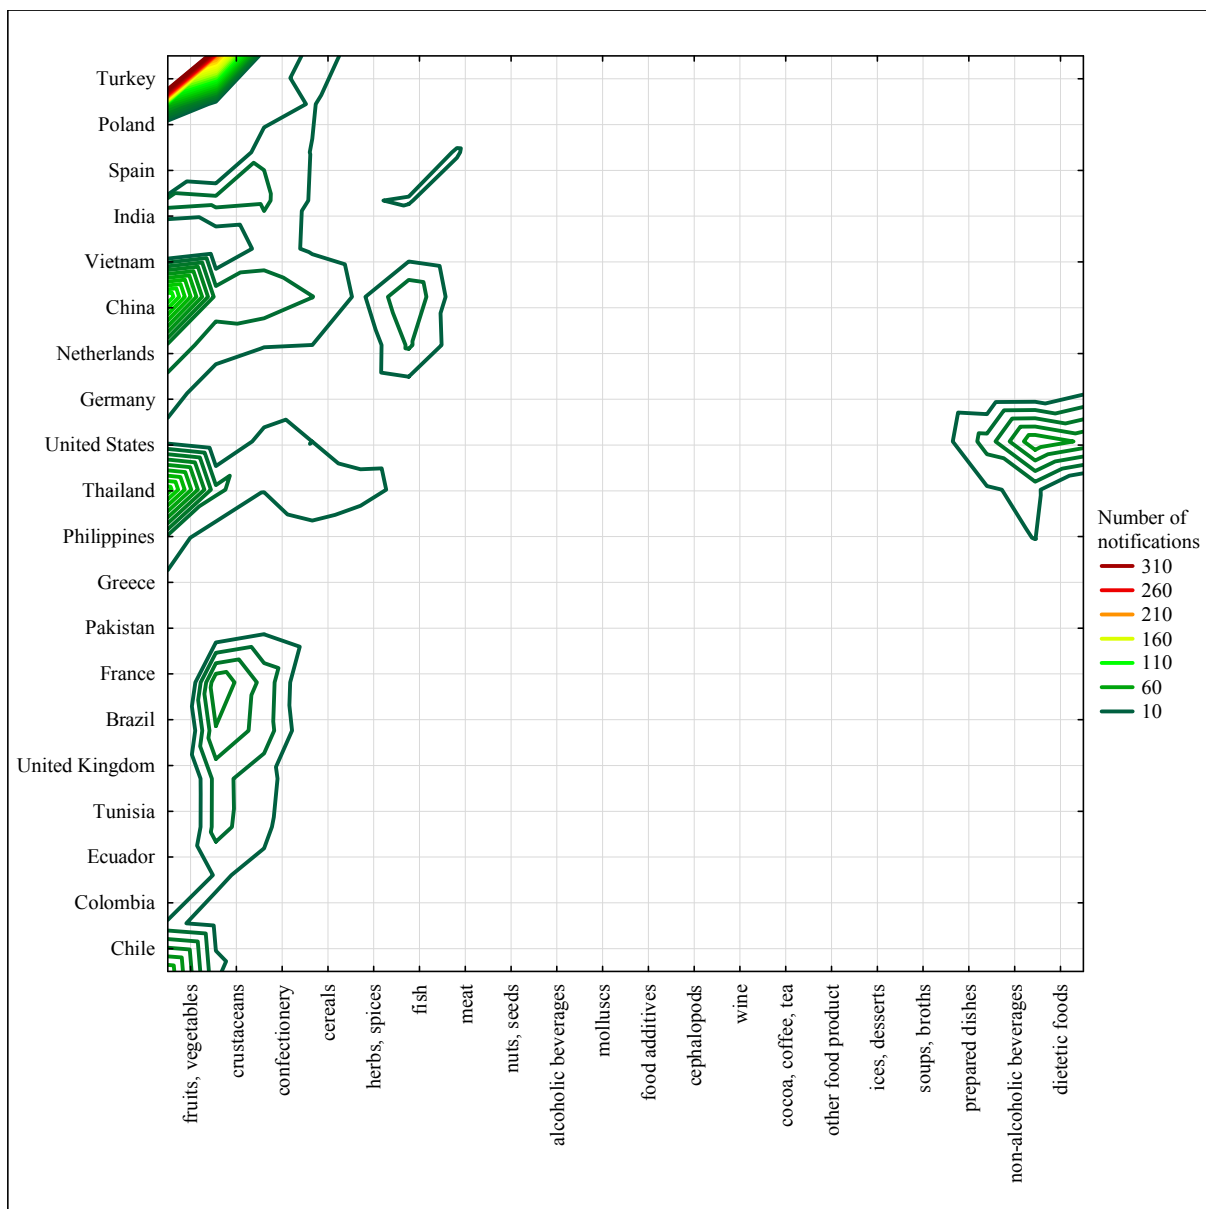

cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 ices, desserts – ices and desserts
 meat – meat and meat products (other than poultry)
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S50 Similarities between product category and year within notifications on food additives and flavourings.

cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 ices, desserts – ices and desserts
 meat – meat and meat products (other than poultry)
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S51 Similarities between product category and notifying country within notifications on food additives and flavourings.

cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 ices, desserts – ices and desserts
 meat – meat and meat products (other than poultry)
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S52 Similarities between product category and origin country within notifications on food additives and flavourings.

cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 ices, desserts – ices and desserts
 meat – meat and meat products (other than poultry)
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

border control - detained – border control - consignment detained
 border control - released – border control - consignment released
 border control - customs – border control - consignment under customs
 official c. - non-m. country – official control in non-member country
 official c. - notification – official control following RASFF notification
 official control – official control on the market

FIGURE S53 Similarities between product category and notification basis within notifications on food additives and flavourings.

cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 ices, desserts – ices and desserts
 meat – meat and meat products (other than poultry)
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S54 Similarities between product category and notification type within notifications on food additives and flavourings.

cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 ices, desserts – ices and desserts
 meat – meat and meat products (other than poultry)
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

distr. to m. countries – distribution to other member countries

distr. to non-m. countries – distribution to non-member countries
 distr. to third countries – distribution to third countries
 distribution (possible) – distribution on the market (possible)
 distribution restricted – distribution restricted to notifying country
 information not available – information on distribution not (yet) available
 no distr. from n. country – no distribution from notifying country
 no distr. to m. countries – no distribution to other member countries
 no longer on market – product (presumably) no longer on the market
 not placed on market – product not (yet) placed on the market
 product - customs control – product under customs control
 product - customs seals – product allowed to travel to destination under customs seals
 product consumed – product already consumed
 product past best date – product past best before date

FIGURE S55 Similarities between product category and distribution status within notifications on food additives and flavourings.

cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 ices, desserts – ices and desserts
 meat – meat and meat products (other than poultry)
 molluscs – molluscs and products thereof - (obsolete)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S56 Similarities between product category and risk decision within notifications on food additives and flavourings.

cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 ices, desserts – ices and desserts
 meat – meat and meat products (other than poultry)
 molluscs – molluscs and products thereof (obsolete)
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

customs seals – placed under customs seals
 prohibition to trade – prohibition to trade - sales ban
 public warning – public warning - press release
 recall – recall from consumers
 recall/withdrawal – product recall or withdrawal
 re-dispatch/destruction – re-dispatch or destruction
 withdrawal – withdrawal from the market
 withdrawal f. recipient – withdrawal from recipient(s)

FIGURE S57 Similarities between product category and action taken within notifications on food additives and flavourings.

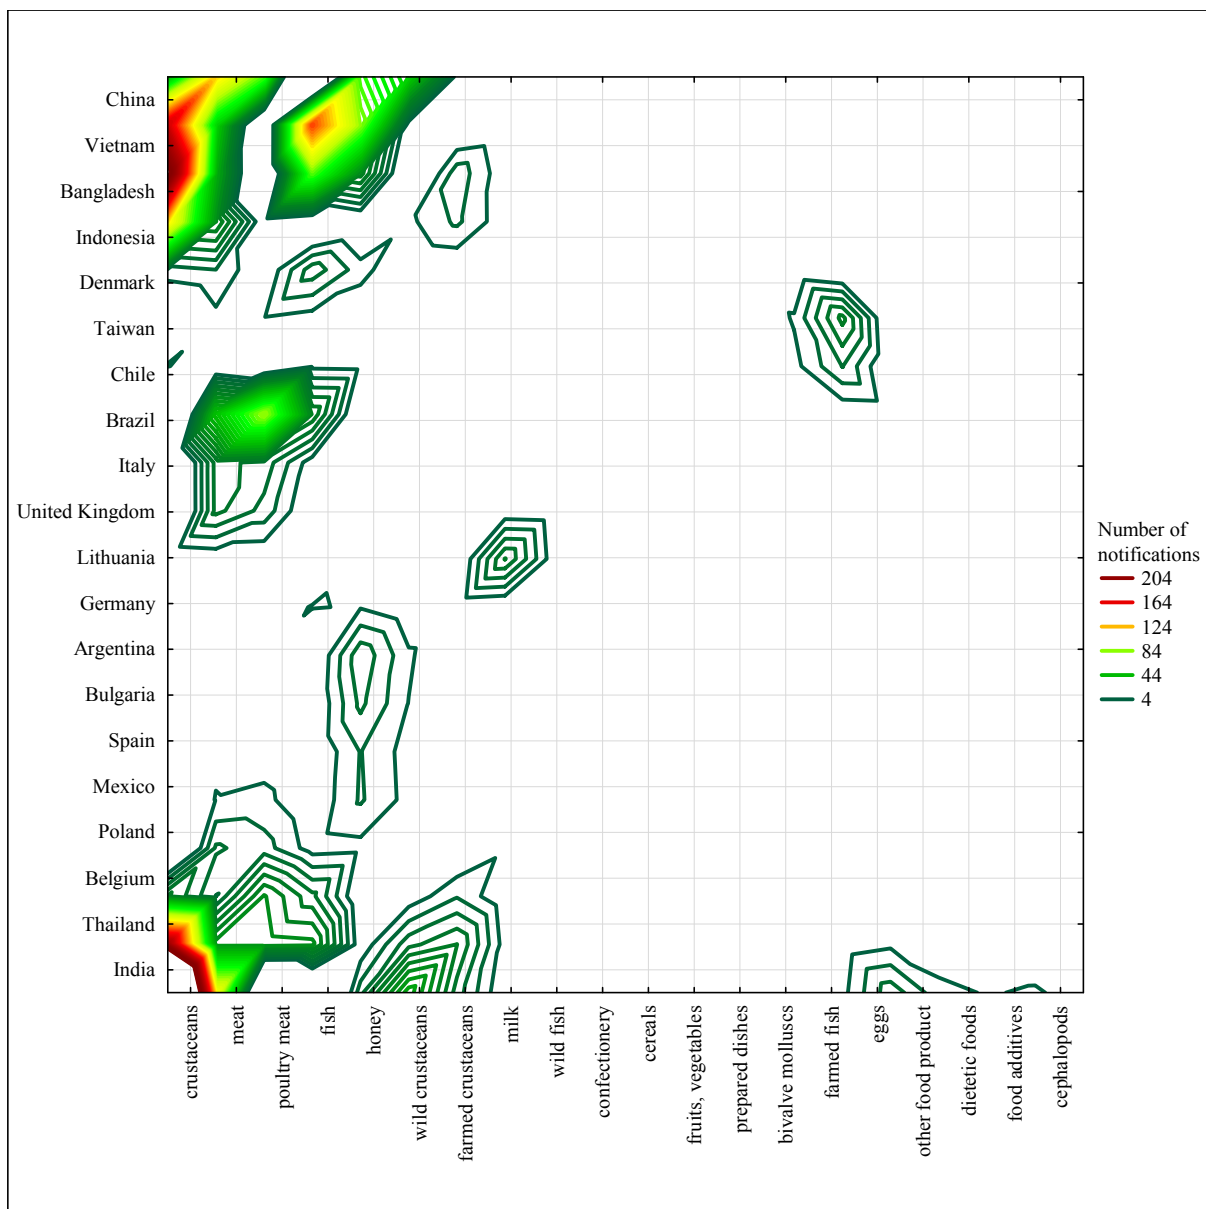

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 farmed crustaceans – farmed crustaceans and products thereof - (obsolete)
 farmed fish – farmed fish and products thereof (other than crustaceans and molluscs) - (obsolete)
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 honey – honey and royal jelly
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 wild fish – wild caught fish and products thereof (other than crustaceans and molluscs) - (obsolete)
 wild crustaceans – wild caught crustaceans and products thereof - (obsolete)

FIGURE S58 Similarities between product category and year within notifications on residues of veterinary medicinal products.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 farmed crustaceans – farmed crustaceans and products thereof - (obsolete)
 farmed fish – farmed fish and products thereof (other than crustaceans and molluscs) - (obsolete)
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 honey – honey and royal jelly
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 wild fish – wild caught fish and products thereof (other than crustaceans and molluscs) - (obsolete)
 wild crustaceans – wild caught crustaceans and products thereof - (obsolete)

FIGURE S59 Similarities between product category and notifying country within notifications on residues of veterinary medicinal products.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 farmed crustaceans – farmed crustaceans and products thereof - (obsolete)
 farmed fish – farmed fish and products thereof (other than crustaceans and molluscs) - (obsolete)
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 honey – honey and royal jelly
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 wild fish – wild caught fish and products thereof (other than crustaceans and molluscs) - (obsolete)
 wild crustaceans – wild caught crustaceans and products thereof - (obsolete)

FIGURE S60 Similarities between product category and origin country within notifications on residues of veterinary medicinal products.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 farmed crustaceans – farmed crustaceans and products thereof - (obsolete)
 farmed fish – farmed fish and products thereof (other than crustaceans and molluscs) - (obsolete)
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 honey – honey and royal jelly
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 wild fish – wild caught fish and products thereof (other than crustaceans and molluscs) - (obsolete)
 wild crustaceans – wild caught crustaceans and products thereof - (obsolete)

border control - detained – border control - consignment detained
 border control - released – border control - consignment released
 official c. - non-m. country – official control in non-member country
 official control – official control on the market

FIGURE S61 Similarities between product category and notification basis within notifications on residues of veterinary medicinal products.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 farmed crustaceans – farmed crustaceans and products thereof - (obsolete)
 farmed fish – farmed fish and products thereof (other than crustaceans and molluscs) - (obsolete)
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 honey – honey and royal jelly
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 wild fish – wild caught fish and products thereof (other than crustaceans and molluscs) - (obsolete)
 wild crustaceans – wild caught crustaceans and products thereof - (obsolete)

FIGURE S62 Similarities between product category and notification type within notifications on residues of veterinary medicinal products.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 farmed crustaceans – farmed crustaceans and products thereof - (obsolete)

 milk – milk and milk products
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 wild fish – wild caught fish and products thereof (other than crustaceans and molluscs) - (obsolete)
 wild crustaceans – wild caught crustaceans and products thereof - (obsolete)

FIGURE S64 Similarities between product category and risk decision within notifications on residues of veterinary medicinal products.

bivalve molluscs – bivalve molluscs and products thereof
 cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 crustaceans – crustaceans and products thereof
 dietetic foods – dietetic foods, food supplements, fortified foods
 eggs – eggs and egg products
 farmed crustaceans – farmed crustaceans and products thereof - (obsolete)
 farmed fish – farmed fish and products thereof (other than crustaceans and molluscs) - (obsolete)
 fish – fish and fish products
 food additives – food additives and flavourings
 fruits, vegetables – fruits and vegetables
 honey – honey and royal jelly
 meat – meat and meat products (other than poultry)
 milk – milk and milk products

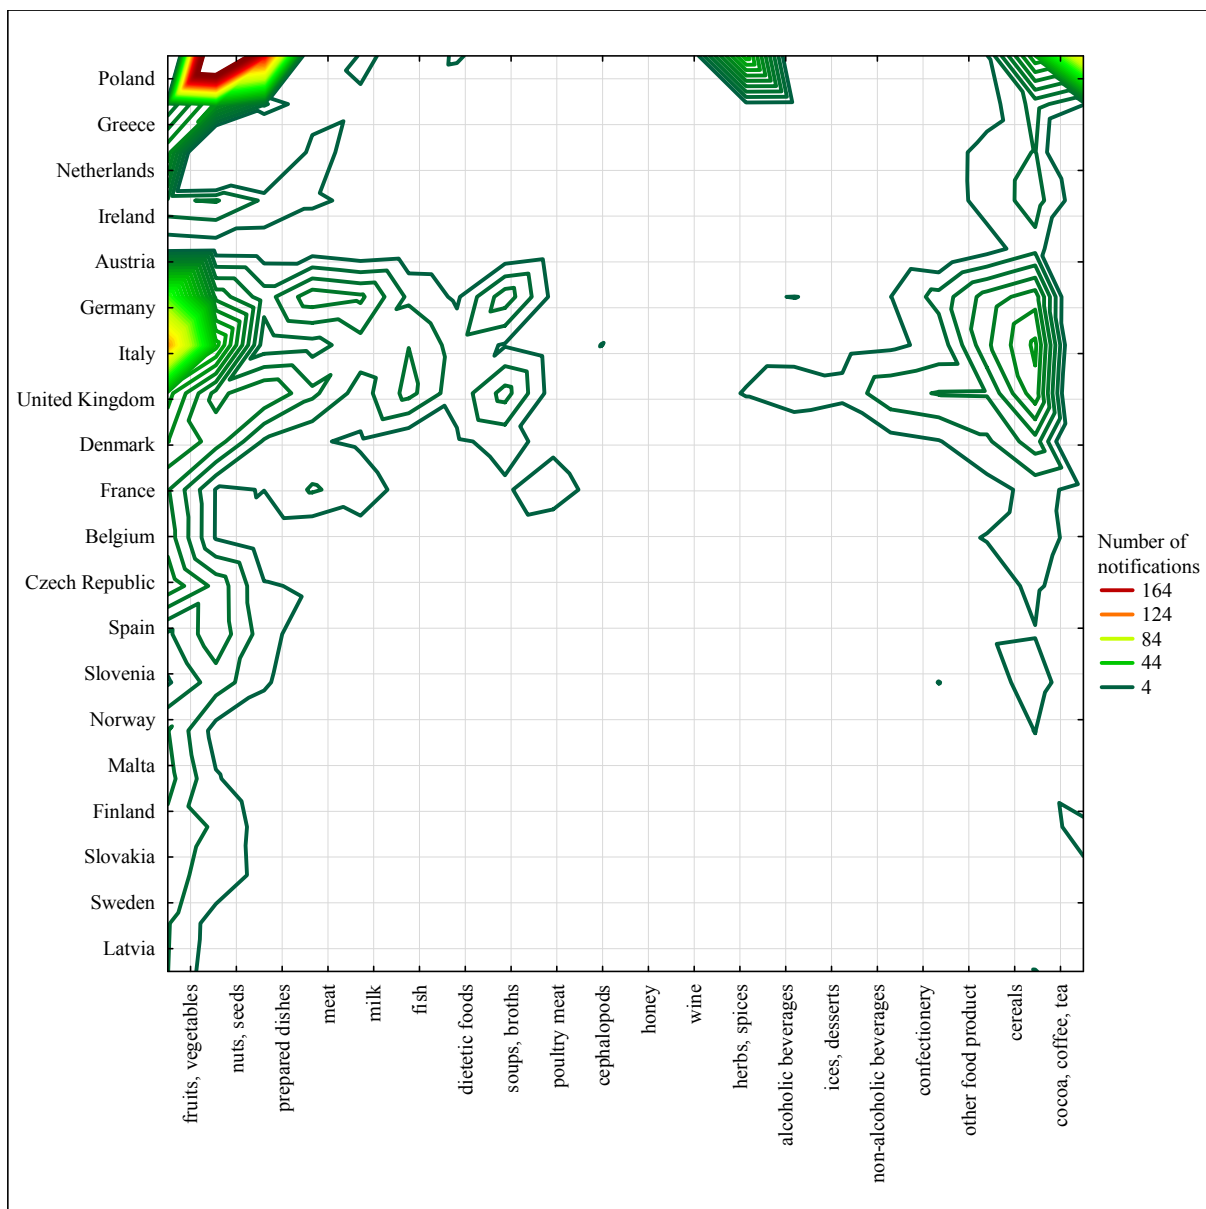

other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 wild fish – wild caught fish and products thereof (other than crustaceans and molluscs) - (obsolete)
 wild crustaceans – wild caught crustaceans and products thereof - (obsolete)
 destination identified – destination of the product identified
 product consumed – product already consumed
 recall/withdrawal – product recall or withdrawal
 re-dispatch/destruction – re-dispatch or destruction
 seized, destroyed – product seized and will be destroyed
 withdrawal – withdrawal from the market
 withdrawal f. recipient – withdrawal from recipient(s)

FIGURE S65 Similarities between product category and action taken within notifications on residues of veterinary medicinal products.

cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 ices, desserts – ices and desserts
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S66 Similarities between product category and year within notifications on foreign bodies.

cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 ices, desserts – ices and desserts
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S67 Similarities between product category and notifying country within notifications on foreign bodies.

cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 ices, desserts – ices and desserts
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S68 Similarities between product category and origin country within notifications on foreign bodies.

cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 ices, desserts – ices and desserts
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

border control - customs – border control - consignment under customs
 border control - detained – border control - consignment detained
 border control - released – border control - consignment released
 official c. - non-m. country – official control in non-member country
 official control – official control on the market

FIGURE S69 Similarities between product category and notification basis within notifications on foreign bodies.

cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 ices, desserts – ices and desserts
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S70 Similarities between product category and notification type within notifications on foreign bodies.

cephalopods – cephalopods and products thereof

cereals – cereals and bakery products

cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea

dietetic foods – dietetic foods, food supplements, fortified foods

fish – fish and fish products

fruits, vegetables – fruits and vegetables

herbs, spices – herbs and spices

honey – honey and royal jelly

ices, desserts – ices and desserts

meat – meat and meat products (other than poultry)

milk – milk and milk products

nuts, seeds – nuts, nut products and seeds

other food product – other food product / mixed

poultry meat – poultry meat and poultry meat products

prepared dishes – prepared dishes and snacks

soups, broths – soups, broths, sauces and condiments

distr. to m. countries – distribution to other member countries

distr. to non-m. countries – distribution to non-member countries

distr. to third countries – distribution to third countries

distribution (possible) – distribution on the market (possible)

distribution restricted – distribution restricted to notifying country

information not available – information on distribution not (yet) available

no distr. from n. country – no distribution from notifying country
no longer on market – product (presumably) no longer on the market

not placed on market – product not (yet) placed on the market

product - customs control – product under customs control

product - customs seals – product allowed to travel to destination under customs seals

product consumed – product already consumed

product past best date – product past best before date

FIGURE S71 Similarities between product category and distribution status within notifications on foreign bodies.

cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 ices, desserts – ices and desserts
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

FIGURE S72 Similarities between product category and risk decision within notifications on foreign bodies.

cephalopods – cephalopods and products thereof
 cereals – cereals and bakery products
 cocoa, coffee, tea – cocoa and cocoa preparations, coffee and tea
 dietetic foods – dietetic foods, food supplements, fortified foods
 fish – fish and fish products
 fruits, vegetables – fruits and vegetables
 herbs, spices – herbs and spices
 honey – honey and royal jelly
 ices, desserts – ices and desserts
 meat – meat and meat products (other than poultry)
 milk – milk and milk products
 nuts, seeds – nuts, nut products and seeds
 other food product – other food product / mixed
 poultry meat – poultry meat and poultry meat products
 prepared dishes – prepared dishes and snacks
 soups, broths – soups, broths, sauces and condiments

customs seals – placed under customs seals
 ph./ch. treatment – physical/chemical treatment
 prohibition to trade – prohibition to trade - sales ban
 public warning – public warning - press release
 recall – recall from consumers
 recall/withdrawal – product recall or withdrawal
 re-dispatch/destruction – re-dispatch or destruction
 withdrawal – withdrawal from the market
 withdrawal f. recipient – withdrawal from recipient(s)

FIGURE S73 Similarities between product category and action taken within notifications on foreign bodies.
