

S1 Table: Basic biographic data of individuals in the TB group (N=234).
 (MR = morgue record; DC1 = death certificate primary; DC2 = death certificate secondary; DC3 = death certificate tertiary; c. = circa; F = female; M = male;
 + = exhibiting GIs; - = not exhibiting GIs)

No.	Terry No.	Age at death	Sex	Cause of death				Exhibiting GIs or not
