Contributors

ISARIC Working Group 3 defined, assessed and prioritised research studies. The ISARIC Council reviewed and considered the planned studies, and provided feedback on the protocols. LM, JKB, JWD, GR, JF, ZG, GC, MGS, and PJMO wrote the protocols and supporting documents. JKB, PO, SvdW, and JF led the development of research studies. SvdW, JKB, ZG, JWD, AG, PLO, PK, SHK, RB, PH, DE, PJMO, and TA proposed studies. All authors contributed to and reviewed drafts of the protocols, supporting documents, and the manuscript.

Acknowledgments

JKB is supported by a Wellcome Trust Clinical Fellowship (090385/Z/09/Z) through the Edinburgh Clinical Academic Track (ECAT), and through core institutional support funding from the BBSRC at the Roslin Institute. ISARIC activities, including the Coordinating Centre (GC and K-SL) are supported by grants from the Wellcome Trust (WT098091MA), Medical Research Council UK (MCUMAE02E000), The Bill and Melinda Gates Foundation (OPP1034566), INSERM,

Li Ka Shing Foundation, Fondation Merieux, and the Ministry of Health of Singapore. JD and PJMO are supported by the Wellcome Trust (Programme Grants 090382 and 25092), and acknowledge NIHR support of the comprehensive Biomedical Research Centre (cBRC) at Imperial College NHS Healthcare Trust. The funders had no role in the decision to publish or preparation of the manuscript.
