

# Supplemental Materials

*Molecular Biology of the Cell*

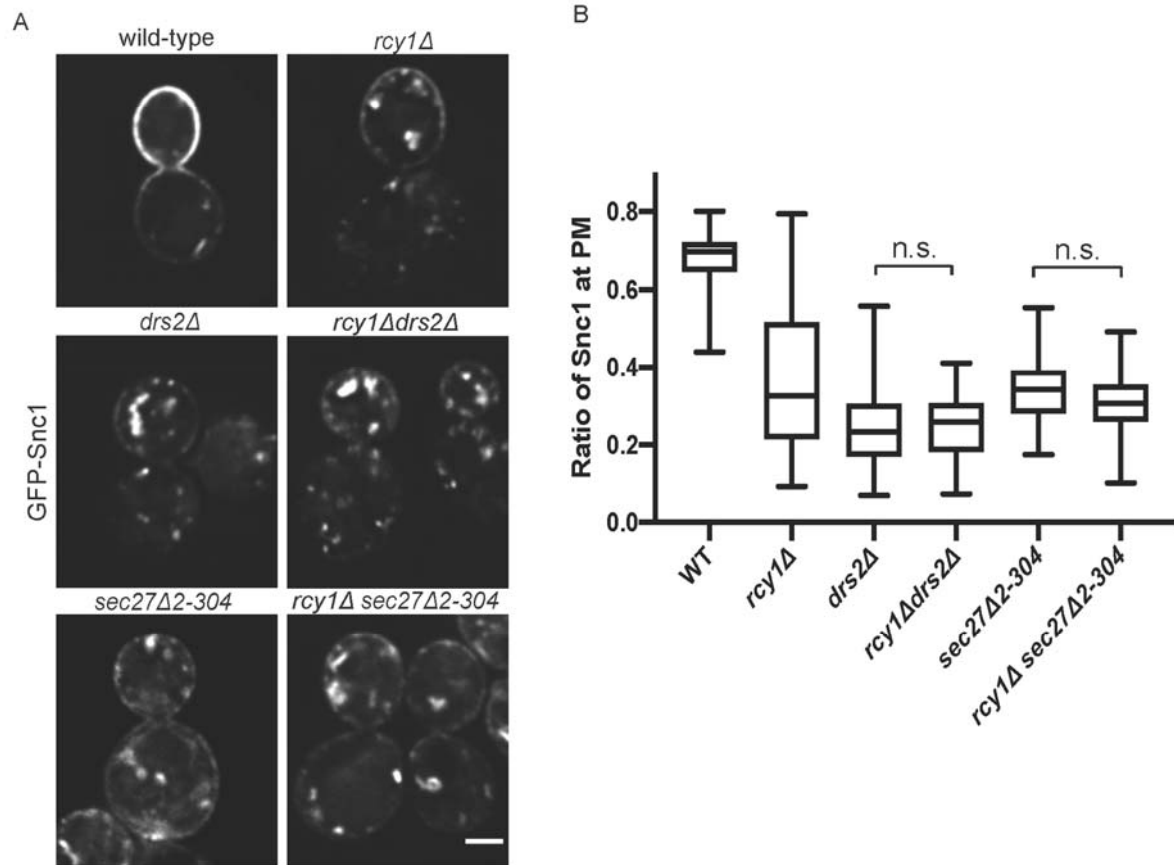

Best et al.

Supplemental Figure 1: The Snx4-Atg20 complex mediates Snc1 recycling

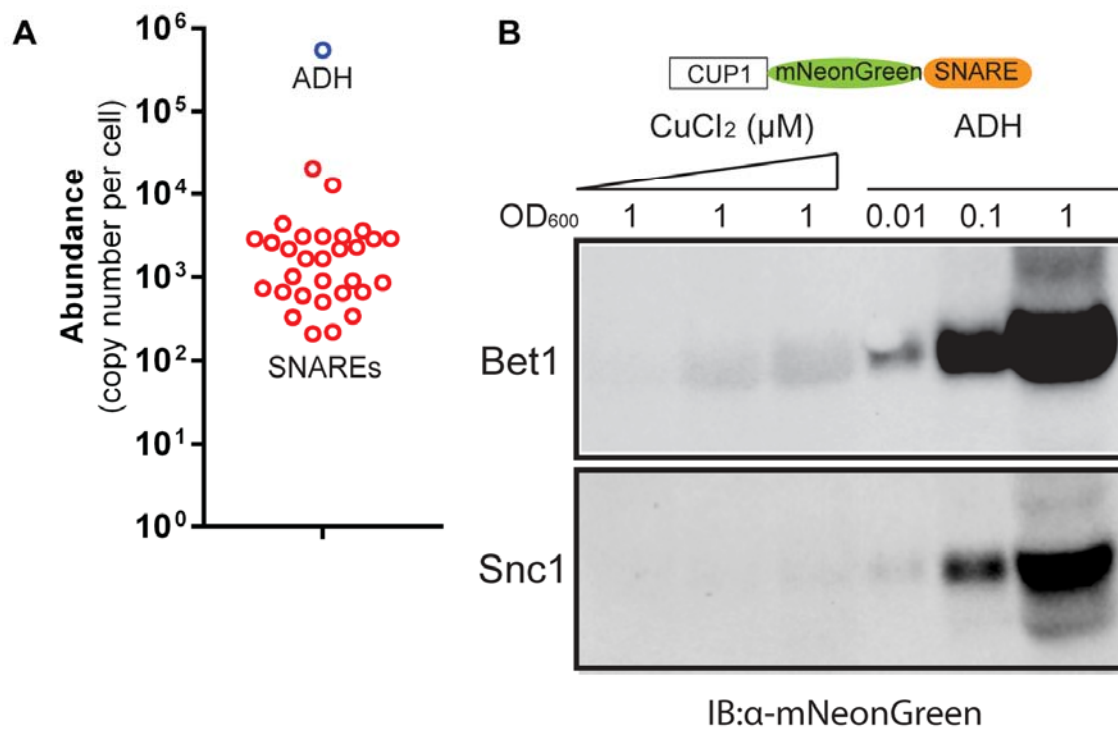

A

Supplemental Figure 2: Rcy1/Dras2/COPI act within a single pathway of Snc1 retrieval

Supplemental Figure 3: Expression of Cu-Inducible mNG-SNAREs

Supplemental Figure 4: Colocalization of Snc1 in *snx4Δ rcy1Δvps35Δ* with endosomal markers
