DECLARATION OF CONTRIBUTIONS TO ARTICLE

| Manuscript Number: | | Journal Name: | | |
|---|----------------------|------------------------------|---------------------|--|
| | | Cell Death & Differentiation | (the 'Journal') | |
| Proposed Title of the Contribution: | | | 1 | |
| | | | (the 'Contribution) | |
| Author(s): | | | | |
| | | | (the 'Authors') | |
| For all <i>CDD</i> articles, each person named as an author in the published version must be able to show he or she has contributed substantially to the article. | | | | |
| Authorship credit should be based on 1) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Authors should meet conditions 1, 2 and 3. | | | | |
| Any person who cannot be shown to have made a substantial contribution to the article cannot be listed as an author in the final version. The name of any person who is deemed to have made a minor contribution can, however, appear in the Acknowledgments section of the article. | | | | |
| Please complete the table below to indicate the contributions of all named authors to the manuscript. | | | | |
