

OSIRIS

Programme group list

3rd February 2020

Important note: 'bartshealth.nhs.uk' are liable to change to 'nhs.net' email addresses in the near future. Update these when possible, as peoples emails might change.

Programme Directors:

First Name	Last name	Role in OSIRIS	Contact details	Background/Affiliations
Rupert	Pearse	Programme Director	r.pearse@qmul.ac.uk	Professor and consultant in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
John	Prowle	Programme Co-director	j.prowle@qmul.ac.uk	Senior Clinical Lecturer in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>

Management group:

First Name	Last name	Role in OSIRIS	Contact details	Background/Affiliations
Rupert	Pearse	Programme Director	r.pearse@qmul.ac.uk	Professor and consultant in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
John	Prowle	Programme Co-director	j.prowle@qmul.ac.uk	Senior Clinical Lecturer in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Tim	Stephens	Investigator	t.t.stephens@qmul.ac.uk	Nurse Researcher with special interest critical care and perioperative medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Alex	Fowler	Investigator	a.fowler@qmul.ac.uk	Research Fellow with special interest in data analysis and systematic reviews - <i>Queen Mary University London / Barts Health NHS Trust</i>
Ruzena	Uddin	Senior trials co-ordinator	ruzena.uddin@qmul.ac.uk	Senior Trial Co-ordinator - <i>Queen Mary University London</i>
Bethan	O'Connor	Trials co-ordinator	b.griffiths@qmul.ac.uk	Trial Co-ordinator - <i>Queen Mary University London</i>
Mari-Liis	Pakats	Research co-ordinator	m.pakats@qmul.ac.uk	Senior Trial Co-ordinator - <i>Queen Mary University London</i>
Alastair	Somerville	Trials co-ordinator	alastair.somerville@qmul.ac.uk	Trial Co-ordinator - <i>Queen Mary University London</i>

Project 1: Phase 1: Interviews and video recordings of shared decision making encounters between doctors and patients considering major surgery, & Phase 2: Qualitative focus group discussions with patients and doctors after surgery:

First Name	Last name	Role in OSIRIS	Contact details	Background/Affiliations
Rupert	Pearse	Programme Director	r.pearse@qmul.ac.uk	Professor and consultant in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
John	Prowle	Programme Co-director	j.prowle@qmul.ac.uk	Senior Clinical Lecturer in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Sara	Shaw	Project Chief Investigator	sara.shaw@phc.ox.ac.uk	Professor of Health & Social Policy with a background in sociology - <i>Oxford University</i>
Tim	Stephens	Investigator	t.t.stephens@qmul.ac.uk	Nurse Researcher with special interest critical care and perioperative medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Gemma	Hughes	Investigator	gemma.hughes@phc.ox.ac.uk	Health services researcher with a background in sociology and NHS management - <i>Oxford University</i>
Charlotte	Thompson-Grant	Administrator	charlotte.thompson-grant@phc.ox.ac.uk	Personal Assistant and administrator - <i>Oxford University</i>

OSIRIS Programme Group List v1.0, 20-May-2019

James	Day	Local Investigator	James.Day@ouh.nhs.uk	Consultant anaesthetist and intensive care specialist - <i>Oxford University Hospital</i>
Jennifer	Edwards	Local Investigator	j.edwards10@nhs.net	Consultant anaesthetist - <i>Royal Alexandra Hospital</i>
Mark	Edsel	Local Investigator (until 20/06/2019)	Mark.Edsell@stgeorges.nhs.uk	Consultant anaesthetist with a special interest in cardiothoracic anaesthesia - <i>St George's Hospital</i>
Ester	Avagliano	Local Investigator (from 11/07/2019)	Esther.Avagliano@stgeorges.nhs.uk	Consultant anaesthetist with a special interest in cardiothoracic anaesthesia - <i>St George's Hospital</i>
Joseph	Wherton	Senior Co-Investigator	joseph.wherton@phc.ox.ac.uk	Senior researcher with a background in psychology and human-computer interaction - <i>Oxford University</i>
Andrew	Wragg	Consultant Cardiologist	Andrew.wragg2@nhs.net	Honorary Senior Lecturer in Cardiology and Consultant Cardiologist - <i>Barts Health</i>

Project 1.3: Comparison of patient and doctor decision making frameworks

First Name	Last name	Role in OSIRIS	Contact details	Background/Affiliations
Rupert	Pearse	Programme Director	r.pearse@qmul.ac.uk	Professor and consultant in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
John	Prowle	Programme Co-director	j.prowle@qmul.ac.uk	Senior Clinical Lecturer in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Magda	Osman	Project Chief Investigator	m.osman@qmul.ac.uk	Reader in Experimental Psychology with special interest in decision-making and learning - <i>Queen Mary University London</i>
Tim	Stephens	Investigator	t.t.stephens@qmul.ac.uk	Nurse Researcher with special interest critical care and perioperative medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Agata	Ludwiczak	Post-doc researcher	a.ryterska@qmul.ac.uk	Post-doctoral researcher with special interest in decision making - <i>Queen Mary University London</i>
Joseph	Wherton	Senior Co-Investigator	joseph.wherton@phc.ox.ac.uk	Senior researcher with a background in psychology and human-computer interaction - <i>Oxford University</i>
Steven	Millington	Clinical advisor	Steven.Millington@bartshealth.nhs.uk	Consultant Trauma and Orthopaedic Surgeon - <i>Barts Health NHS Trust</i>
Sammy	Hanna	Clinical advisor	Sammy.Hanna@bartshealth.nhs.uk	Consultant orthopaedic surgeon with a specialist interest in hip and knee disorders - <i>Barts Health NHS Trust</i>
Neil	Roberts	Clinical advisor		Consultant cardiac surgeon - <i>Barts Health NHS Trust</i>
Charles	Knowles	Clinical advisor	c.h.knowles@qmul.ac.uk	Professor of Surgery, Deputy Director of Research and Director of National Bowel Research Centre - <i>Barts Health NHS Trust</i>

Project 1.4: Discrete choice surgical decision making experiments

First Name	Last name	Role in OSIRIS	Contact details	Background/Affiliations
Rupert	Pearse	Programme Director	r.pearse@qmul.ac.uk	Professor and consultant in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
John	Prowle	Programme Co-director	j.prowle@qmul.ac.uk	Senior Clinical Lecturer in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Francesca	Cornaglia	Project Chief Investigator	f.cornaglia@qmul.ac.uk	Reader in Economics with a special interest in health economics - <i>Queen Mary University London</i>
Tim	Stephens	Investigator	t.t.stephens@qmul.ac.uk	Nurse Researcher with special interest critical care and perioperative medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Joseph	Wherton	Senior Co-	joseph.wherton@phc.	Senior researcher with a background in psychology

OSIRIS Programme Group List v1.0, 20-May-2019

		Investigator	ox.ac.uk	and human-computer interaction - <i>Oxford University</i>
Steven	Millington	Clinical advisor	Steven.Millington@bartshealth.nhs.uk	Consultant Trauma and Orthopaedic Surgeon - <i>Barts Health NHS Trust</i>
Sammy	Hanna	Clinical advisor	Sammy.Hanna@bartshealth.nhs.uk	Consultant orthopaedic surgeon with a specialist interest in hip and knee disorders - <i>Barts Health NHS Trust</i>
Alessandro	Iaria	Collaborator	alessandro.iaria@bristol.ac.uk	Lecturer in economics with a special interest in applied econometrics - <i>Bristol University</i>
Eugenio	Merlano	Collaborator	e.f.merlanolombana@qmul.ac.uk	PhD student in the School of Economics and Finance - <i>Queen Mary University London</i>

Project 2.1: Long-term surgical outcomes in the UK population

First Name	Last name	Role in OSIRIS	Contact details	Background/Affiliations
Rupert	Pearse	Programme Director	r.pearse@qmul.ac.uk	Professor and consultant in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
John	Prowle	Programme Co-director	j.prowle@qmul.ac.uk	Senior Clinical Lecturer in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Alex	Fowler	Lead Investigator	a.fowler@qmul.ac.uk	Research Fellow with special interest in data analysis and systematic reviews - <i>Queen Mary University London / Barts Health NHS Trust</i>
David	Cromwell	Senior Investigator	dcromwell@rcseng.ac.uk	Professor of Health Services Research – <i>LSHTM/Royal College of Surgeons</i>
Kambiz	Boomla	Senior Investigator	k.boomla@qmul.ac.uk	Clinical Senior Lecturer and GP, Clinical Lead in the Clinical Effectiveness Group - <i>Queen Mary University London</i>
Michael	Gillies	Collaborator	michael.gillies@ed.ac.uk	Honorary Clinical Reader, Consultant and Associate Medical Director with special interest in perioperative intensive care - <i>Royal Infirmary Edinburgh</i>
Ewen	Harrison	Collaborator	ewen.harrison@gmail.com	Professor of Surgery and Data Science and Honorary Consultant Surgeon - <i>University of Edinburgh</i>

Project 2.2: Burden of primary and secondary care for high-risk patients before and after major

First Name	Last name	Role in OSIRIS	Contact details	Background/Affiliations
Rupert	Pearse	Programme Director	r.pearse@qmul.ac.uk	Professor and consultant in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
John	Prowle	Programme Co-director	j.prowle@qmul.ac.uk	Senior Clinical Lecturer in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Alex	Fowler	Lead Investigator	a.fowler@qmul.ac.uk	Research Fellow with special interest in data analysis and systematic reviews - <i>Queen Mary University London / Barts Health NHS Trust</i>
David	Cromwell	Senior Investigator	dcromwell@rcseng.ac.uk	Professor of Health Services Research – <i>LSHTM/Royal College of Surgeons</i>
Kambiz	Boomla	Senior Investigator	k.boomla@qmul.ac.uk	Clinical Senior Lecturer and GP, Clinical Lead in the Clinical Effectiveness Group - <i>Queen Mary University London</i>
Adam	Brayne	Collaborator	abrayne@doctors.org.uk	Department of infection - <i>Barts Health NHS Trust</i>
Bhavi	Trivedi	Collaborator	Bhavi.Trivedi@bartshealth.nhs.uk	Clinical Research Fellow - <i>Barts Health NHS Trust</i>

Project 2.3: Collation of quality of life dataset

First Name	Last name	Role in OSIRIS	Contact details	Background/Affiliations
Rupert	Pearse	Programme	r.pearse@qmul.ac.uk	Professor and consultant in Intensive Care Medicine -

OSIRIS Programme Group List v1.0, 20-May-2019

		Director		<i>Queen Mary University London / Barts Health NHS Trust</i>
John	Prowle	Programme Co-director	j.prowle@qmul.ac.uk	Senior Clinical Lecturer in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Alex	Fowler	Lead Investigator	a.fowler@qmul.ac.uk	Research Fellow with special interest in data analysis and systematic reviews - <i>Queen Mary University London / Barts Health NHS Trust</i>
David	Cromwell	Senior Investigator	dcromwell@rcseng.ac.uk	Professor of Health Services Research – <i>LSHTM/Royal College of Surgeons</i>
Kambiz	Boomla	Senior Investigator	k.boomla@qmul.ac.uk	Clinical Senior Lecturer and GP, Clinical Lead in the Clinical Effectiveness Group - <i>Queen Mary University London</i>

Project 3.1: Modelling outcomes for high-risk patients contemplating major surgery

First Name	Last name	Role in OSIRIS	Contact details	Background/Affiliations
Rupert	Pearse	Programme Director	r.pearse@qmul.ac.uk	Professor and consultant in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
John	Prowle	Programme Co-director	j.prowle@qmul.ac.uk	Senior Clinical Lecturer in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
William	Marsh	Lead Investigator	d.w.r.marsh@qmul.ac.uk	Senior lecturer with special interest in decision support models - <i>Queen Mary University London</i>
Charles	Knowles	Clinical Advisor	c.h.knowles@qmul.ac.uk	Professor of Surgery, Deputy Director of Research and Director of National Bowel Research Centre - <i>Barts Health NHS Trust</i>
Joseph	Wherton	Senior Co-Investigator	joseph.wherton@phc.ox.ac.uk	Senior researcher with a background in psychology and human-computer interaction - <i>Oxford University</i>
Neil	MacDonald	Clinical Advisor	Neil.Macdonald@barthealth.nhs.uk	Consultant anaesthetist - <i>Barts Health NHS Trust</i>
Sara	Shaw	Senior Co-Investigator	sara.shaw@phc.ox.ac.uk	Professor of Health & Social Policy with a background in sociology - <i>Oxford University</i>

Project 3.2: Co-design of the decision support intervention and implementation planning

First Name	Last name	Role in OSIRIS	Contact details	Background/Affiliations
Rupert	Pearse	Programme Director	r.pearse@qmul.ac.uk	Professor and consultant in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
John	Prowle	Programme Co-director	j.prowle@qmul.ac.uk	Senior Clinical Lecturer in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
William	Marsh	Lead Investigator	d.w.r.marsh@qmul.ac.uk	Senior lecturer with special interest in decision support models - <i>Queen Mary University London</i>
Charles	Knowles	Clinical Advisor	c.h.knowles@qmul.ac.uk	Professor of Surgery, Deputy Director of Research and Director of National Bowel Research Centre - <i>Barts Health NHS Trust</i>
Joseph	Wherton	Senior Co-Investigator	joseph.wherton@phc.ox.ac.uk	Senior researcher with a background in psychology and human-computer interaction - <i>Oxford University</i>
Neil	MacDonald	Clinical Advisor	Neil.Macdonald@barthealth.nhs.uk	Consultant anaesthetist - <i>Barts Health NHS Trust</i>
Sara	Shaw	Senior Co-Investigator	sara.shaw@phc.ox.ac.uk	Professor of Health & Social Policy with a background in sociology - <i>Oxford University</i>

Project 4.1: Testing the feasibility of the decision support intervention

First Name	Last name	Role	Contact details	Affiliations
Rupert	Pearse	Programme	r.pearse@qmul.ac.uk	Professor and consultant in Intensive Care Medicine -

OSIRIS Programme Group List v1.0, 20-May-2019

		Director		<i>Queen Mary University London / Barts Health NHS Trust</i>
John	Prowle	Programme Co-director	j.prowle@qmul.ac.uk	Senior Clinical Lecturer in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Tim	Stephens	Investigator	t.t.stephens@qmul.ac.uk	Nurse Researcher with special interest critical care and perioperative medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Ann	Thomson	Senior trials co-ordinator	ann.thomson@qmul.ac.uk	Senior Trial Manager - <i>Queen Mary University London</i>
Mel	Smuk	Statistician	m.smuk@qmul.ac.uk	Senior Statistician and Lecturer in Medical Statistics - <i>Queen Mary University London</i>
Charles	Knowles	Clinical Advisor	c.h.knowles@qmul.ac.uk	Professor of Surgery, Deputy Director of Research and Director of National Bowel Research Centre - <i>Barts Health NHS Trust</i>
Neil	MacDonald	Clinical Advisor	Neil.Macdonald@bartshhealth.nhs.uk	Consultant anaesthetist - <i>Barts Health NHS Trust</i>
Sandra	Eldridge	Senior Co-Investigator	s.eldridge@qmul.ac.uk	Professor of Biostatistics and Director of the Pragmatic Clinical Trials Unit, QMUL - <i>Queen Mary University London</i>
Sara	Shaw	Senior Co-Investigator	sara.shaw@phc.ox.ac.uk	Professor of Health & Social Policy with a background in sociology - <i>Oxford University</i>

Project 4.2: Cluster randomised trial

First Name	Surname	Role in OSIRIS	Contact details	Background/Affiliations
Rupert	Pearse	Programme Director	r.pearse@qmul.ac.uk	Professor and consultant in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
John	Prowle	Programme Co-director	j.prowle@qmul.ac.uk	Senior Clinical Lecturer in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Tim	Stephens	Investigator	t.t.stephens@qmul.ac.uk	Nurse Researcher with special interest critical care and perioperative medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Ann	Thomson	Senior trials co-ordinator	ann.thomson@qmul.ac.uk	Senior Trial Manager - <i>Queen Mary University London</i>
Mel	Smuk	Statistician	m.smuk@qmul.ac.uk	Senior Statistician and Lecturer in Medical Statistics - <i>Queen Mary University London</i>
Charles	Knowles	Clinical Advisor	c.h.knowles@qmul.ac.uk	Professor of Surgery, Deputy Director of Research and Director of National Bowel Research Centre - <i>Barts Health NHS Trust</i>
Neil	MacDonald	Clinical Advisor	Neil.Macdonald@bartshhealth.nhs.uk	Consultant anaesthetist - <i>Barts Health NHS Trust</i>
Sandra	Eldridge	Senior Co-Investigator	s.eldridge@qmul.ac.uk	Professor of Biostatistics and Director of the Pragmatic Clinical Trials Unit, QMUL - <i>Queen Mary University London</i>
Sara	Shaw	Senior Co-Investigator	sara.shaw@phc.ox.ac.uk	Professor of Health & Social Policy with a background in sociology - <i>Oxford University</i>

Project 4.3: Mixed method process evaluation of the OSIRIS cluster trial

First Name	Surname	Role in OSIRIS	Contact details	Background/Affiliations
Rupert	Pearse	Programme Director	r.pearse@qmul.ac.uk	Professor and consultant in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
John	Prowle	Programme Co-director	j.prowle@qmul.ac.uk	Senior Clinical Lecturer in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Tim	Stephens	Investigator	t.t.stephens@qmul.ac.uk	Nurse Researcher with special interest critical care and perioperative medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>

OSIRIS Programme Group List v1.0, 20-May-2019

Ann	Thomson	Senior trials co-ordinator	ann.thomson@qmul.ac.uk	Senior Trial Manager - <i>Queen Mary University London</i>
Mel	Smuk	Statistician	m.smuk@qmul.ac.uk	Senior Statistician and Lecturer in Medical Statistics - <i>Queen Mary University London</i>
Charles	Knowles	Clinical Advisor	c.h.knowles@qmul.ac.uk	Professor of Surgery, Deputy Director of Research and Director of National Bowel Research Centre - <i>Barts Health NHS Trust</i>
Neil	MacDonald	Clinical Advisor	Neil.Macdonald@bartshhealth.nhs.uk	Consultant anaesthetist - <i>Barts Health NHS Trust</i>
Sandra	Eldridge	Senior Co-Investigator	s.eldridge@qmul.ac.uk	Professor of Biostatistics and Director of the Pragmatic Clinical Trials Unit, QMUL - <i>Queen Mary University London</i>
Sara	Shaw	Senior Co-Investigator	sara.shaw@phc.ox.ac.uk	Professor of Health & Social Policy with a background in sociology - <i>Oxford University</i>

Project 4.4: Health economic analyses

First Name	Surname	Role in OSIRIS	Contact details	Background/Affiliations
Rupert	Pearse	Programme Director	r.pearse@qmul.ac.uk	Professor and consultant in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
John	Prowle	Programme Co-director	j.prowle@qmul.ac.uk	Senior Clinical Lecturer in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Borislava	Mihaylova	Senior health economist	b.mihaylova@qmul.ac.uk	Chair and Professor of Health Economics at the Centre for Primary Care and Public Health - <i>Queen Mary University London</i>
Vladimir	Gordeev	Health economist	v.gordeev@qmul.ac.uk	Senior Health Economist - <i>Queen Mary University London</i>
Sandra	Eldridge	Senior Co-Investigator	s.eldridge@qmul.ac.uk	Professor of Biostatistics and Director of the Pragmatic Clinical Trials Unit, QMUL - <i>Queen Mary University London</i>

Programme Steering Committee (PSC) members:

First Name	Surname	Role in OSIRIS	Contact details	Background/Affiliations
Rupert	Pearse	Programme Director	r.pearse@qmul.ac.uk	Professor and consultant in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
John	Prowle	Programme Co-director	j.prowle@qmul.ac.uk	Senior Clinical Lecturer in Intensive Care Medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Julian	Bion	Chair	J.F.BION@bham.ac.uk	Professor Of Intensive Care Medicine - <i>University of Birmingham</i>
Obi	Ukoumune	Independent Statistician member	o.c.ukoumune@exeter.ac.uk	Associate Professor in Medical Statistics - <i>University of Exeter</i>
Michael	Swart	Independent member	michael.swart@nhs.net	Consultant in Anaesthesia and Critical Care Medicine - <i>Torbay and South Devon NHS Foundation Trust</i>
John	Hitchman	Lay member	jmhitchman@aol.com	N/A

Patient and public involvement group (PPI) members:

First Name	Surname	Role in OSIRIS	Contact details	Background/Affiliations
Lesley	Booth	PPI organiser	lesley@bowelcancerresearch.org	Lead in Patient and Public Involvement – <i>Bowel & Cancer Research</i>
Tim	Stephens	PPI organiser	t.t.stephens@qmul.ac.uk	Nurse Researcher with special interest critical care and perioperative medicine - <i>Queen Mary University London / Barts Health NHS Trust</i>
Leslie	Everest	PPI Chair	leslieeverest2017@g	Extensive experience in decision making for high-risk

OSIRIS Programme Group List v1.0, 20-May-2019

			mail.com	surgery and sat on previous PPI committees
Nigel	Horwood	PPI Chair	nigelhorwood@btinternet.com	Extensive experience in decision making for high-risk surgery.
Len	Evans	PPI	lenevans1@btinternet.com	Extensive experience in decision making for high-risk surgery.
Gael	Ramsey	PPI	gaelramsey@msn.com	Extensive experience in decision making for high-risk surgery.
Eve	Smyth	PPI	fairlady@adrianjs.free-online.co.uk	Extensive experience in decision making for high-risk surgery.
Brian	Morris	PPI	bmazing@yahoo.co.uk	Extensive experience in decision making for high-risk surgery.

OSIRIS Programme Group List v1.0, 20-May-2019
