

# S5 Fig. Unedited and uncropped full image western blots, Round 1

**S6 Fig. Unedited and uncropped full image western blots, Round 2  
and used in Figure 10**

**S7 Fig. Coq4 blot validated twice more to affirm results of the respective blot from S6 Fig.**

\*This is the one  
used in the  
revised panel

\*These two are  
to validate the  
top result
