Dear Sir,

I, Mrs. Fahmy Aida, Head of Medical Capabilities Market at Bristol Myers Squibb France, confirm that the following BMS authors:

- Mr. François Emery-Cotte,
- Mrs. Sabrina Gollety,
- Mrs. Cinira Lefevre

Contributed on behalf of BMS to the manuscript « Comparative safety and effectiveness of oral anticoagulants in non-valvular atrial fibrillation: the NAXOS study » with the Stroke journal submission ref: MS ID#:STROKE/2019/028825DR1

I confirm that the Stroke Journal has received permission from BMS to publish the manuscript.

Yours Faithfully,

Mrs. Aida Fahmy

Head of Medical Capabilities Market France

Bristol Myers Squibb
