

SURVEY OF COMPLIANCE AND PERCEPTION RELATED TO USAGE OF PPE IN OPERATING ROOM

1. Welcome to the survey to assess compliance and perception related to the usage of PPE in the OT.

Dear Participant,

In the current situation of COVID-19 pandemic, the use of Personal Protective Equipment (PPE) has proven a vital link in curbing the spread of the virus amongst the hospital personnel.

With this survey, we intend to assess the mindset of the health personnel working in the operating theatres about the usage of PPE in general and the face shields in particular.

We are extremely grateful for you having taken your valuable time and having considered to participate in this survey.

Time required to complete the survey: 3 minutes.

This survey is conducted by the OT committee, Tata Memorial Hospital.

For any further details or clarifications about the survey, you may email otcommitteetmh@gmail.com
