

Description of Supplementary Files

File Name: Supplementary Data 1

Description:

Sheet 1: Cell type specific markers in Seurat-based clustering of adventitial immune cells in steady state

Sheet 2: Cell type specific markers in Seurat-based clustering of adventitial immune cells in AngII induced inflammation

Sheet 3: Differentially expressed genes (*eYfp+* vs. *eYfp-* cells) in steady state

Sheet 4: Differentially expressed genes (*eYfp+* vs. *eYfp-* cells) in AngII induced inflammation
