

Table S1. Excluded studies by duplicate cases

| Author | Reference | Journal | Country | City | Data source | Number of women | Period of admission ("recruitment") | Date of publication | Title of publication |
|---------------------------------|-----------|--|---------|--------------|--|-----------------|-------------------------------------|---------------------|---|
| Duplicate cases of China | | | | | | | | | |
| Liu W et al. | 49 | PrePrints | China | Wuhan | Tongji Hospital, Tongji Medical College, Huazhong University of Science and Technology | 3 | 02/02/2020-13/02/2020 | 2/25/20 | Coronavirus disease 2019 (COVID-19) during pregnancy: a case series |
| Wang S et al. | 50 | Clinical Infectious Diseases | China | Wuhan | Tongji Hospital, Tongji Medical College, Huazhong University of Science and Technology | 1 | 2/1/20 | 3/12/20 | A Case Report of Neonatal 2019 Coronavirus Disease in China |
| Yu N et al. | 51 | The Lancet Infectious Diseases | China | Wuhan | Tongji Hospital, Tongji Medical College, Huazhong University of Science and Technology | 7 | 01/01/2020 - 08/02/2020 | 3/24/20 | Clinical features and obstetric and neonatal outcomes of pregnant patients with COVID-19 in Wuhan, China: a retrospective, single-centre, descriptive study |
| Yu N et al. | 52 | Progress in Modern Obstetrics and Gynecology | China | Wuhan | Tongji Hospital, Tongji Medical College, Huazhong University of Science and Technology | 23 | 01/01/2020 - 18/02/2020 | 3/5/20 | The perinatal outcome of late pregnancy complicated with new coronary pneumonia |
| Yu N et al | 53 | Lancet | China | Wuhan | Tongji Hospital, Tongji Medical College, Huazhong University of Science and Technology | 2 | 01/01/2020 - 08/02/2020 | 4/22/20 | No SARS-CoV-2 detected in amniotic fluid in mid-pregnancy |
| Liu W et al | 54 | Frontiers of Medicine | China | Wuhan | Tongji Hospital, Tongji Medical College, Huazhong University of Science and Technology | 10 | 31/01/2020 to 29/02/2020 | 4/13/20 | Clinical characteristics of 19 neonates born to mothers with COVID-19 |
| Chen R et al. | 55 | Canadian Journal of Anesthesia | China | Wuhan | Renmin Hospital of Wuhan University | 17 | 30/01/2020 - 23/02/2020 | 3/16/20 | Safety and efficacy of different anesthetic regimens for parturients with COVID-19 undergoing Cesarean delivery: a case series of 17 patients |
| Khan S et al | 56 | Infection Control and Hospital Epidemiology | China | Wuhan | Renmin Hospital of Wuhan University | 3 | 28/01/2020 - 01/03/2020 | 3/19/20 | Impact of COVID-19 infection on pregnancy outcomes and the risk of maternal-to-neonatal intrapartum transmission of COVID-19 during natural birth |
| Fan et al. | 57 | Clinical Infectious Diseases | China | Wuhan | Renmin Hospital of Wuhan University | 2 | 25/1/2020 and 26/01/2020 | 3/17/20 | Perinatal Transmission of COVID-19-Associated SARS-CoV-2: Should We Worry? |
| Khan S et al | 58 | Clinical Microbiology and Infection | China | Wuhan | Renmin Hospital of Wuhan University | 17 | 25/01/2020 to 15/02/2020 | 4/8/20 | Association of COVID-19 infection with pregnancy outcomes in healthcare workers and general women |
| Chen S et al. | 59 | Journal of Medical Virology | China | Wuhan | Maternal and Child Health Hospital of Hubei Province, Tongji Medical College, Huazhong University of Science and Technology, Wuhan | 5 | 20/01/2020 to 10/02/2020 | 3/28/20 | Clinical analysis of pregnant women with 2019 novel coronavirus pneumonia |
| Yang H et al | 60 | Journal of Infection | China | Wuhan | Maternal and Child Health Hospital of Hubei Province, Tongji Medical College, Huazhong University of Science and Technology, Wuhan | 13 | 20/01/2020 to 05/03/2020 | 4/20/20 | Clinical features and outcomes of pregnant women suspected of coronavirus disease 2019 |
| Wu C et al | 61 | Virologica Sinica | China | Wuhan | Maternal and Child Health Hospital of Hubei Province, Tongji Medical College, Huazhong University of Science and Technology, Wuhan | 8 | 23/01/2020 to 10/02/2020 | 4/20/20 | Clinical Manifestation and Laboratory Characteristics of SARS-CoV-2 Infection in Pregnant Women |
| Chen S et al. | 62 | Zhonghua Bing Li Xue Za Zhi (Chinese Journal of Pathology) | China | Wuhan | Union Hospital, Tongji Medical College, Huazhong University of Science and Technology | 2 | 21/01/2020 to 04/02/2020 | 3/3/20 | Pregnant women with new coronavirus infection: a clinical characteristics and placental pathological analysis of three cases |
| Chen Y et al. | 63 | Frontiers in Pediatrics | China | Wuhan | Union Hospital, Tongji Medical College, | 4 | - | 2/28/20 | Infants Born to Mothers with a New Coronavirus (COVID-19) |
| Liu D et al. | 64 | American journal of roentgenology | China | Wuhan | Union Hospital, Tongji Medical College, | 15 | 20/01/2020 - 10/02/2020 | 3/19/20 | Pregnancy and Perinatal Outcomes of Women With Coronavirus Disease (COVID-19) Pneumonia: A Preliminary Analysis |
| Chen H et al. | 65 | Lancet | China | Wuhan | Zhongnan Hospital of Wuhan University | 9 | 20/01/2020 to 31/01/2020 | 3/7/20 | Clinical characteristics and intrauterine vertical transmission potential of COVID-19 infection in nine pregnant women: a retrospective review of medical records |
| Yang P et al | 66 | Journal of Clinical Virology | China | Wuhan | Zhongnan Hospital of Wuhan University | 7 | 20/01/2020 to 29/01/2020 | 4/10/20 | Clinical characteristics and risk assessment of newborns born to mothers with COVID-19 |
| Huang J-w | 67 | Journal of Zhejiang University-SCIENCE B | China | Hangzhou | The First Affiliated Hospital, College of Medicine, Zhejiang University | 1 | 2/6/20 | 4/1/20 | dialectical behavior therapy-based psychological intervention for woman in late pregnancy and early postpartum suffering from COVID-19: a case report |
| Li Y et al. | 68 | Emerging Infectious Diseases | China | Hangzhou | The First Affiliated Hospital, College of Medicine, Zhejiang University | 1 | 2/6/20 | 3/6/20 | Lack of Vertical Transmission of Severe Acute Respiratory Syndrome Coronavirus 2, China |
| Kang X et al. | 69 | Journal of Zhejiang University (Medical Edition) | China | Hangzhou | The First Affiliated Hospital, College of Medicine, Zhejiang University | 1 | 2/6/20 | 3/14/20 | 2019 Coronary Virus Disease (COVID-19) A Case of Cesarean Section Anesthesia for Pregnant Women |
| Wu X et al | 70 | International Journal of Gynecology & Obstetrics | China | Wuhan | The Central Hospital of Wuhan | 23 | 31/12/2019 - 07/03/2020 | 4/8/20 | Radiological findings and clinical characteristics of pregnant women with COVID-19 pneumonia |
| Xia H et al. | 71 | British Journal of Anaesthesia | China | Wuhan | Wuhan Red Cross Hospital | 1 | 20/01/2020 - 24-01/2020 | 3/17/20 | Emergency Caesarean delivery in a patient with confirmed coronavirus disease 2019 under spinal anaesthesia. |
| Chen L et al | 72 | New England Journal of Medicine | China | Wuhan | Multicentric | 84 | December 8, 2019, to March 4/17/20 | 4/17/20 | Clinical Characteristics of Pregnant Women with Covid-19 in Wuhan, China |
| Liu Y et al. | 73 | Journal of Infection | China | multi cities | Multicentric | 13 | 08/12/2019 to 25/02/2020 | 3/5/20 | Clinical manifestations and outcome of SARS-CoV-2 infection during pregnancy |
| Zhu et al. | 74 | Translational Pediatrics | China | Wuhan, Ta | Multicentric | 8 | 20/01/2020 to 5/02/2020 | 3/11/20 | Clinical analysis of 10 neonates born to mothers with 2019-nCoV pneumonia |
| Duplicate cases of USA | | | | | | | | | |
| Breslin et al | 75 | American Journal of Obstetrics and Gynecology | USA | New York | Columbia University Irving Medical Center | 7 | 3/18/20 | 3/27/20 | COVID-19 in pregnancy: early lessons |
| Sutton et al | 76 | New England Journal of Medicine | USA | New York | New York-Presbyterian Allen Hospital and Columbia University Irving Medical Center. | | 22/03/2020 - 04/04/2020 | 4/13/20 | Universal Screening for SARS-CoV-2 in Women Admitted for Delivery |

Table S2. General characteristics of included studies

| First author | Journal | Country | City | Study type | Number of patient | Date of publication | Reference |
