

Discussion topics for workshop 2

Guidance was provided to delegates via a slide (presented by TK) that asked them specifically to consider ‘*What does the northeast of England need to do to successfully implement the new PA guidelines?*’.

The slide also provided three discussion topics (developed by TK, CDR, and BR):

1. *What activities will you be responsible for in the implementation of the new PA Guidelines?*
2. *Will the new PA Guidelines require you to change how you work – e.g. undertake new tasks or new ways of working, or work with new groups?*
3. *What challenges need to be overcome to implement the new PA Guidelines successfully, and are these new challenges or continuing ones?*
