

Source data Figure 1A (cropped region indicated)

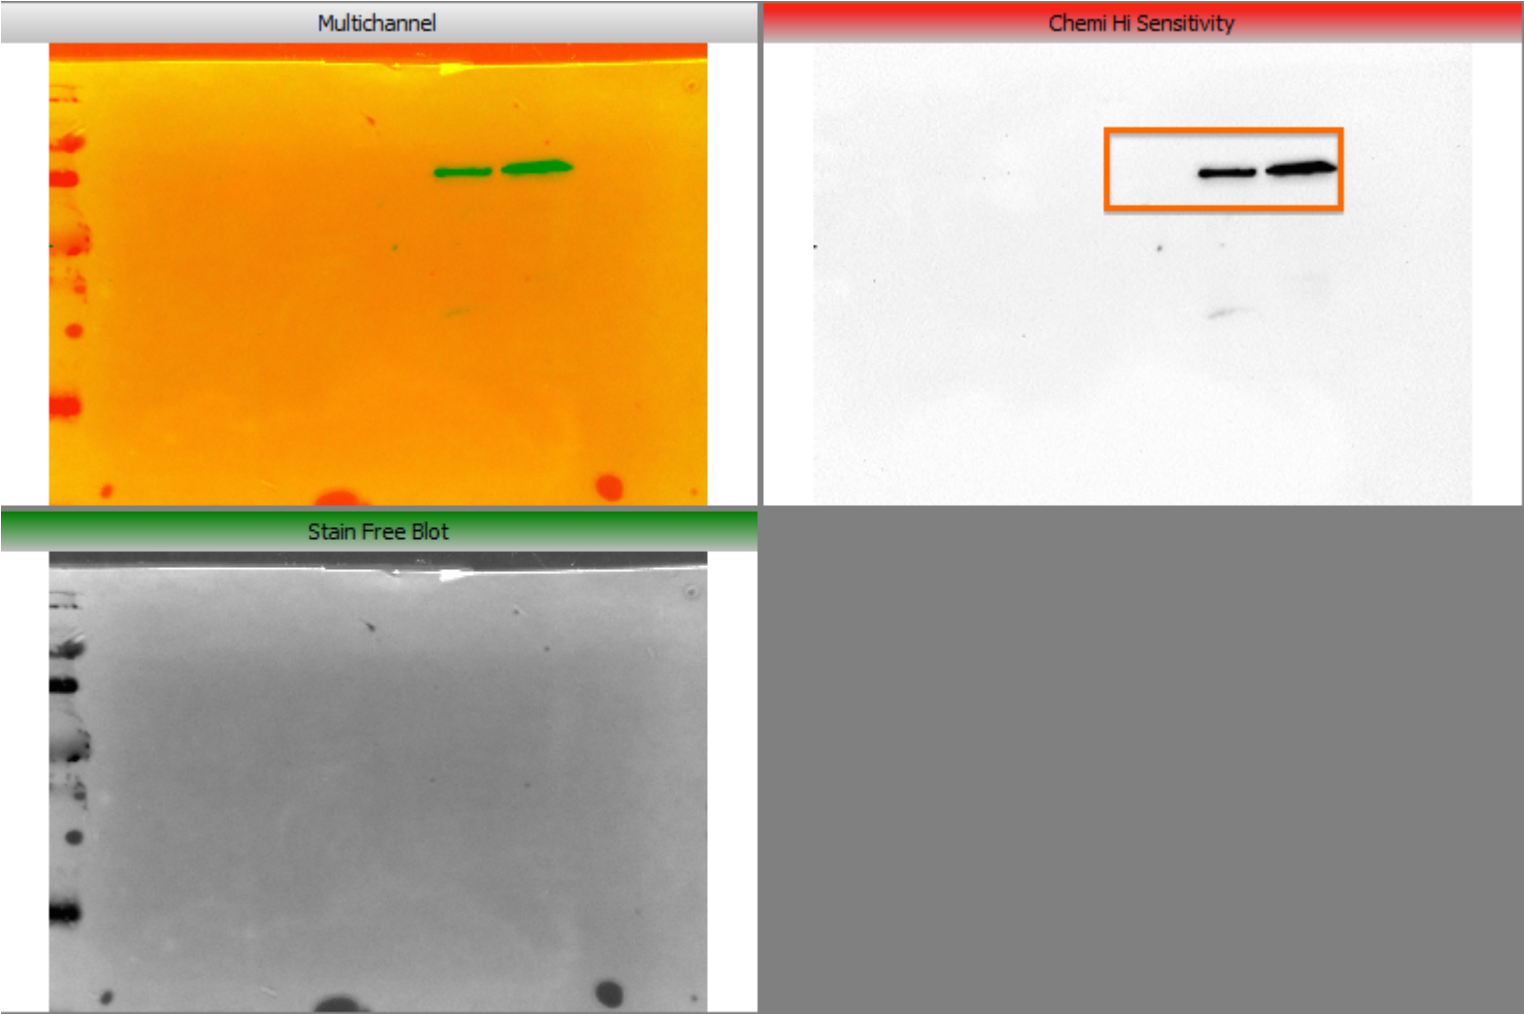

Anti beta actin

Source data Figure 1A (cropped region indicated)

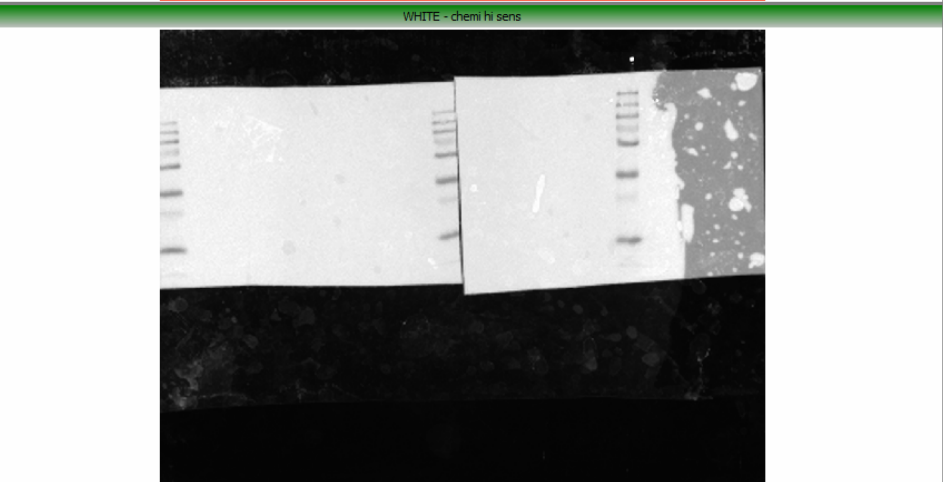

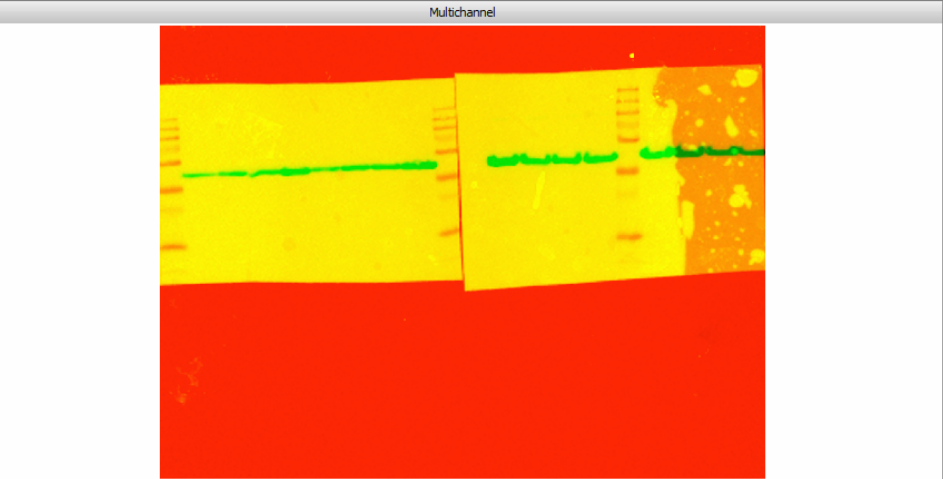

Anti PB1-F2

Source data Figure 1A (cropped region indicated)

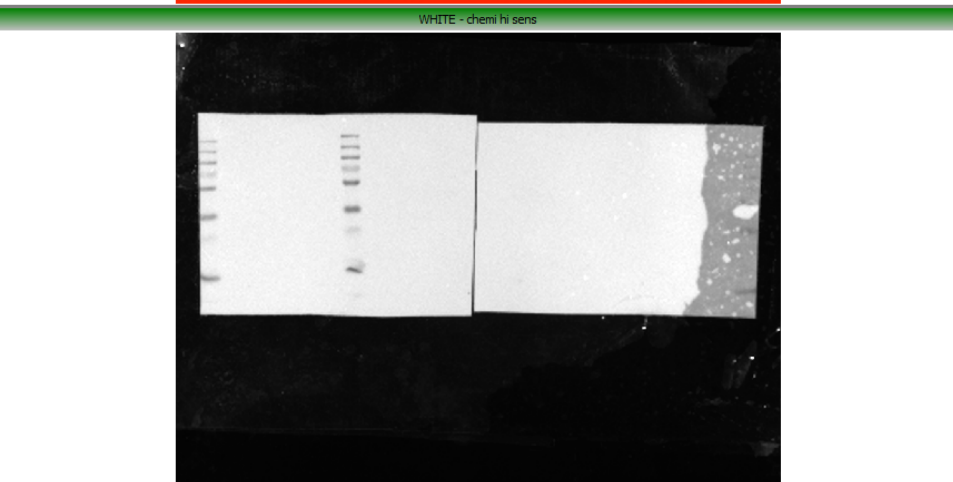

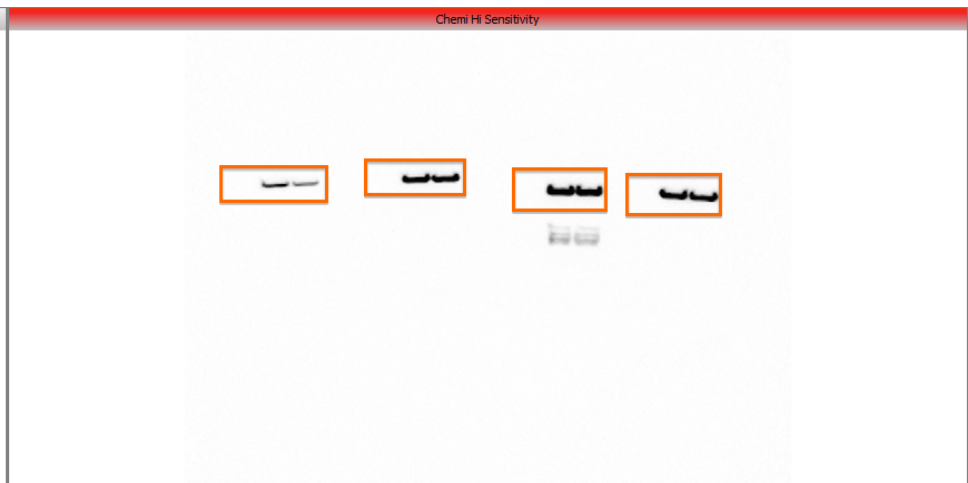

Anti NP

Source data Figure 1B (cropped region indicated)

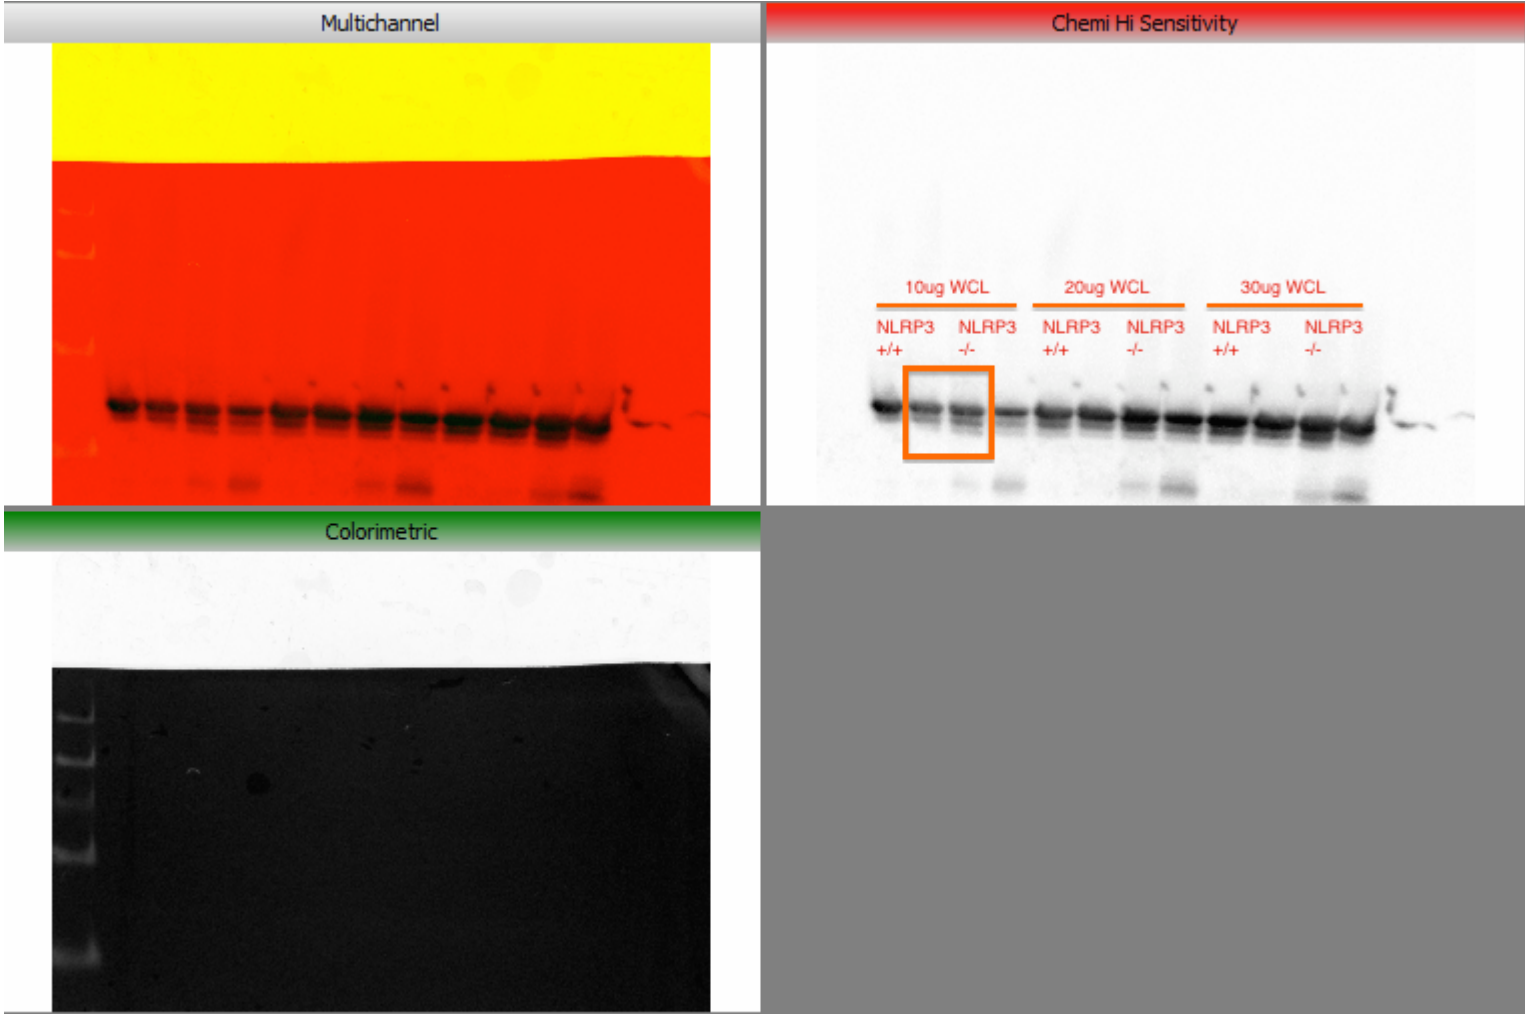

Anti beta actin

Source data Figure 1B (cropped region indicated)

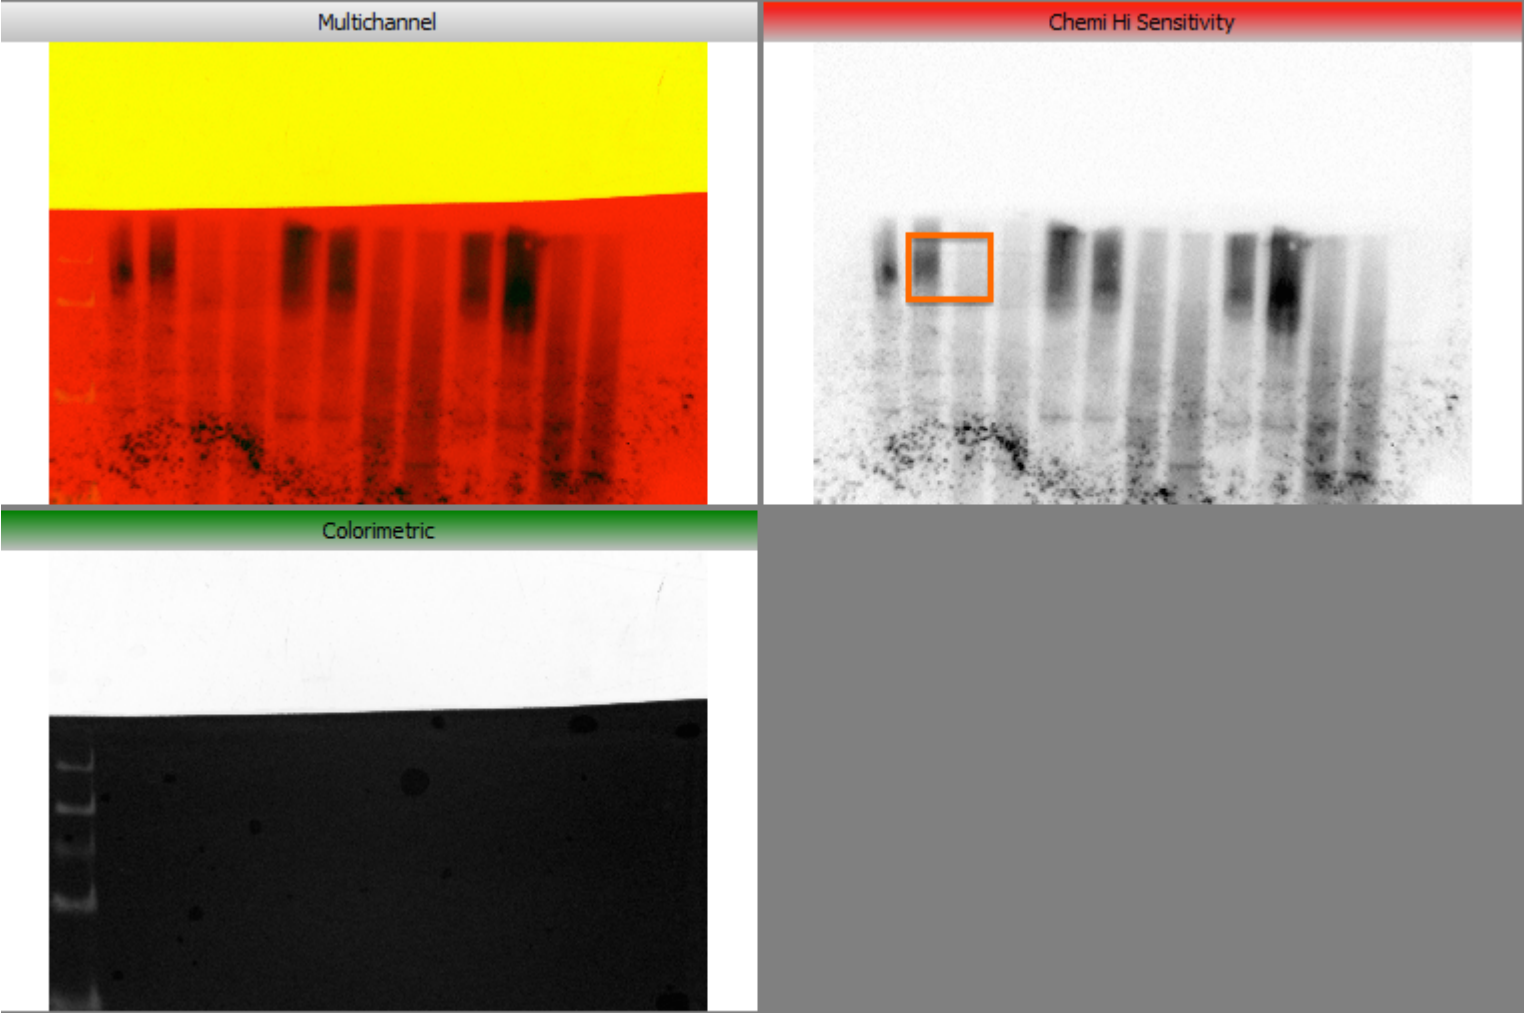

Anti NP

Source data Figure 1F (cropped region indicated)

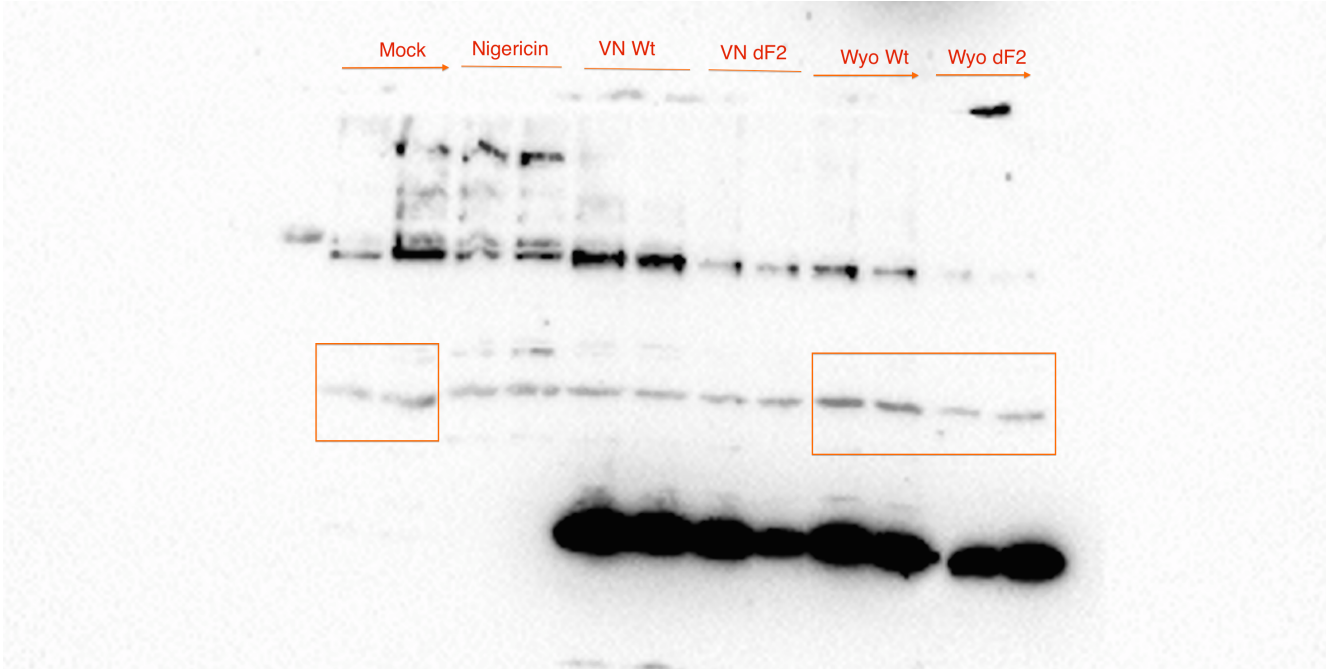

Anti NP

Source data Figure 1F (cropped region indicated)

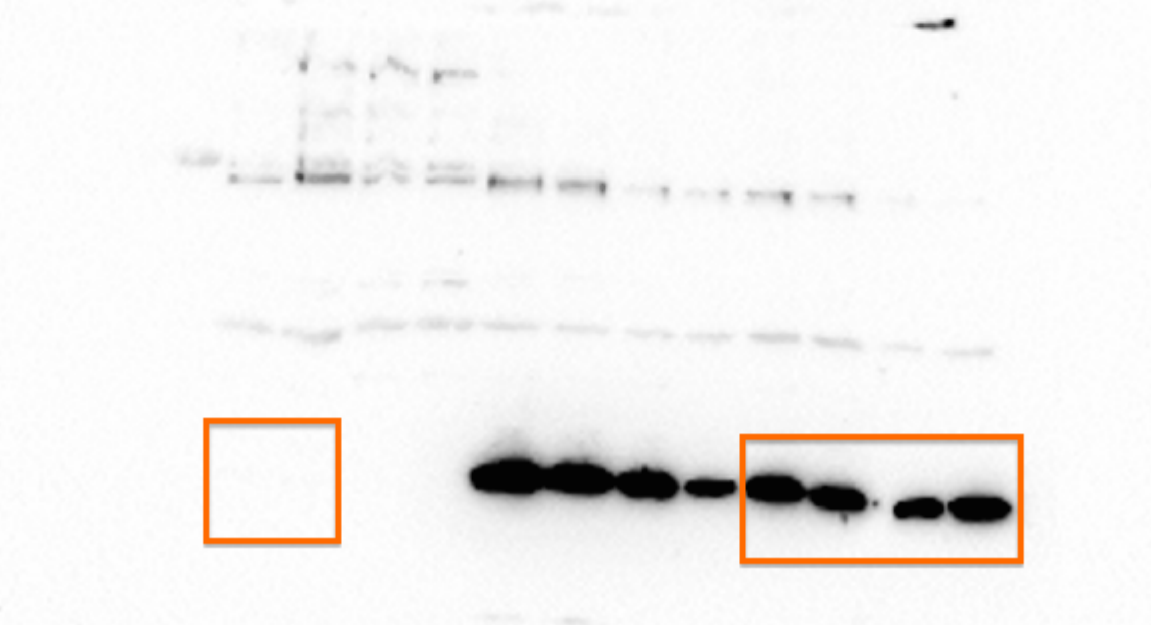

Anti NLRP3

Source data Figure 1I (cropped region indicated)

Anti beta actin

Source data Figure 1I (cropped region indicated)

Anti M1
