

A**B**

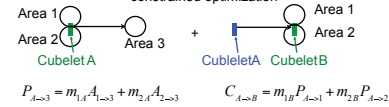

Infer brain area-to-brain area connection: weighted averaging

**D**

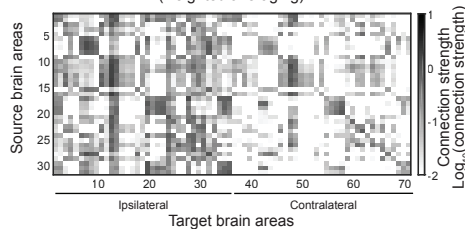

Infer cubelet-to-brain area connection: weighted averaging

**E**

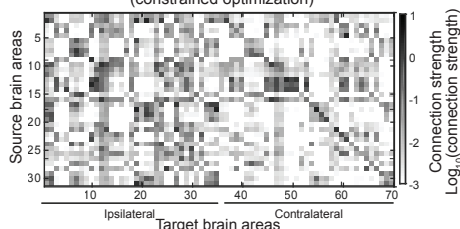

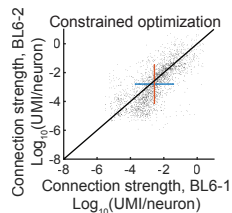

Infer brain area-to-brain area connection: constrained optimization

**C1**

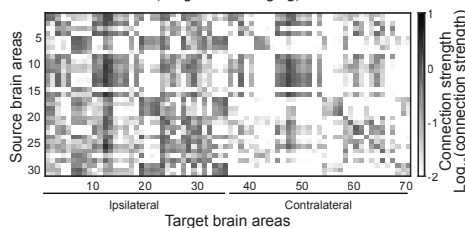

Brain BL6-1 (weighted averaging)

**F1**

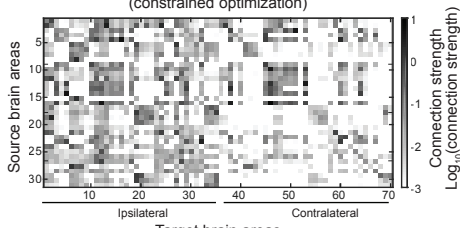

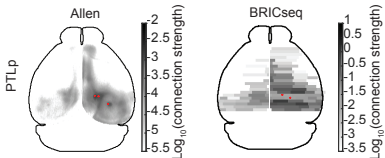

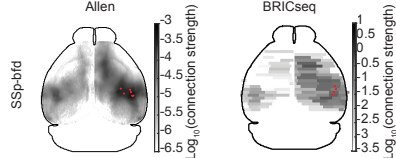

Brain BL6-1 (constrained optimization)

**G****C2**

Brain BL6-2 (weighted averaging)

**F2**

Brain BL6-2 (constrained optimization)
