Spring 2018**

---

- 1) What is your current role?
  - A. PL-1
  - B. PL-2
  - C. PL-3
  - D. PL-4
  
- 2) Please select the team you worked on during block 12:
  - A. Blue (3E CSH/ 4W CSH) resident team
  - B. Adolescent/GP team
  - C. Red (5E) resident team
  - D. Yellow resident team
  - E. 8S resident team
  - F. 9S resident team
  - G. Other: please specify \_\_\_\_\_
  
- 3) What % of the medical team's total administrative tasks do you perceive is completed by the RTA?
  - A. Less than 20%
  - B. 20-40%
  - C. 40-60%
  - D. 60-80%
  - E. More than 80%
  
- 4) The Resident Team Assistant allows me to have more time for direct patient care.
  - A. Strongly agree
  - B. Agree
  - C. Neutral

Takei R, Dalembert G, Ronan J, Washington N, Tank S, Perry M, et al. Implementing resident team assistant programs at academic medical centers: lessons learned. *J Grad Med Educ.* 2020;12(6):769–772.

- D. Disagree
- E. Strongly disagree

5) The RTA allows me to discharge patients more efficiently

- A. Strongly agree
- B. Agree
- C. Neutral
- D. Disagree
- E. Strongly disagree

6) I am able to spend more time using my clinical skills by having a Resident Team Assistant as part of the medical team.

- A. Strongly agree
- B. Agree
- C. Neutral
- D. Disagree
- E. Strongly disagree

7) My job satisfaction is higher having the RTAs help with the administrative tasks.

- A. Strongly agree
- B. Agree
- C. Neutral
- D. Disagree
- E. Strongly disagree

8) What are the tasks you feel the RTA was most helpful in completing?

9) What jobs/tasks did not work well when assigned to the RTA?

10) Are there other jobs/tasks that you wish the RTAs can help with?
