Dear Dr. Meliker,

Thank you for again giving me the opportunity to serve as a referee for the *PLOS ONE*. Enclosed please find my referee report for “Effectiveness of COVID-19 Shelter-in-Place Orders Varied By States” (PONE-D-20-29575_R1).

The authors have addressed most of my comments and questions in the previous report. I do not have further comments.

As in my previous cover letter to you, I might not be in a position to judge if the contribution of this paper is sufficient for PLOS ONE. I hope my questions and comments are relevant and worth being addressed. Thank you.

Sincerely yours,

Ying-Ying Lee
