NeuroImage: Clinical - First Look <sup>b</sup> [35]	Content criteria as directed by associated journal (NeuroImage: Clinical)	Unknown	S: PDF, Word doc V: By PDF download, PDF viewable in browser without download I: URL only VP: Unknown / Unknown L: Unknown R: No reader registration required	<i>Journal submission:</i> Manuscripts must be submitted to the NeuroImage: Clinical first, authors are then provided with the option of displaying their manuscript while under review using SSRN's 'First Look'  PL: Unknown	El: Unknown  MA: Unknown  MR: No
PeerJ Preprints [36] – Verified	Any scholarly content (primary and secondary research)	English	S: PDF V: By PDF download, PDF viewable in browser without download, by XML download I: DOI (10.7287) VP: Accepts any new versions until publication in a journal / each version receives its own non-DOI citable identifier L: Authors are provided with a choice of licenses: CC0, CC-BY; with CC-BY preferred R: No reader registration required	<i>Journal submission:</i> Unrestricted - manuscript can be published in any destination  <i>Journals directly associated with platform:</i> PeerJ journals  <i>Facilitated submission to other journals:</i> Unknown  PL: Can be added by author or journal	El: Google Scholar, Europe PMC  MA: Openly available via Crossref  MR: No
Preprints with The Lancet <sup>b</sup> [37] – Verified	Content criteria as directed by associated journal(s) (Lancet family of journals)	Unknown	S: Unknown V: By PDF download, PDF viewable in browser without download I: URL only VP: Accepts first submission only / not applicable L: Unknown R: Reader can view basic content (title, abstract) without account but must register to view and download full content	<i>Journal submission:</i> Manuscripts must be submitted to the Lancet family of journals (including EBioMedicine and EClinicalMedicine) first, authors are then provided with the option of displaying their manuscript while under review using SSRN's 'First Look'  PL: Can be added by author or journal	El: Unknown  MA: Unknown  MR: No
Preprints.org [38]	Multiple article types (including research manuscripts, comprehensive reviews, data articles, case reports; types not accepted are: editorials, discussion papers, commentaries, coursework)	English	S: Word doc, LaTeX V: By PDF download I: DOI (10.20944) VP: Accepts any new versions / each version receives its own DOI and own non-DOI citable identifier L: Authors must use CC-BY license R: No reader registration required	<i>Journal submission:</i> Unrestricted - manuscript can be published in any destination  <i>Journals directly associated with platform:</i> None  <i>Facilitated submission to other journals:</i> Not available  PL: Unknown	El: Google Scholar, PrePubMed, Europe PMC, SHARE, SciLit  MA: Openly available via Crossref  MR: No
Research Square [39] –	Multiple article	English	S: Word doc, LaTeX	<i>Journal submission:</i> Unrestricted - manuscript	El: Google Scholar, Crossref,

<i>Verified</i>	types (including research articles, systematic reviews, method articles, data articles; types not accepted are: literature reviews, hypotheses, opinions, theories or commentaries)		V: By PDF download, full-text viewable in browser without PDF (e.g. as HTML) I: DOI (10.21203) VP: Accepts any new versions / each version receives its own DOI L: Authors must use CC-BY license R: No reader registration required	can be published in any destination  <i>Journals directly associated with platform:</i> Submit directly or submit from BMC journals and more from Springer Nature portfolio listed at <a href="https://www.researchsquare.com/journals">https://www.researchsquare.com/journals</a>  <i>Facilitated submission to other journals:</i> Not available  PL: Yes, added by platform within one month of publication	Researcher-app  MA: Openly available via Crossref  MR: Yes (HTML)
SciELO Preprints [40] – <i>Verified</i>	Research manuscripts only	English, Portuguese, Spanish	S: PDF or any PDF-convertible format V: By PDF download, PDF viewable in browser without download I: URL only VP: Accepts new versions until acceptance at journal / single DOI retained for all versions L: Authors must use CC-BY license R: No reader registration required	<i>Journal submission:</i> Unrestricted - manuscript can be published in any destination  <i>Journals directly associated with platform:</i> None (SciELO journals when full operation launched)  <i>Facilitated submission to other journals:</i> Available for any journal using a SWORD (Simple Web-service Offering Repository Deposit) protocol-based manuscript submission platform  PL: Can be added by author or journal	EI: Google Scholar  MA: Openly available via API  MR: No
SSRN [41] – <i>Verified</i>	Multiple types (including research manuscripts, abstracts, editorials, opinion papers)	Any language – English preferred, title and abstract must be provided in English, non-English translations can be submitted and linked to English version	S: PDF V: By PDF download, PDF viewable in browser without download I: DOI (10.2139) VP: Accepts any new versions / unknown L: Unknown R: No reader registration required	<i>Journal submission:</i> Unrestricted - manuscript can be published in any destination  <i>Journals directly associated with platform:</i> None  <i>Facilitated submission to other journals:</i> Not available  PL: Unknown	EI: Unknown  MA: Unknown  MR: No
Surgery Open Science – <i>First Look</i> <sup>b</sup> [42] – <i>Verified</i>	Content criteria as directed by associated journal (Surgery Open Science)	Unknown	S: Unknown V: By PDF download, PDF viewable in browser without download I: URL only VP: Unknown L: Unknown R: Reader can view basic content (title, abstract) without account but must register to view and download full content	<i>Journal submission:</i> Manuscripts must be submitted to Surgery Open Science first, authors are then provided with the option of displaying their manuscript while under review using SSRN's 'First Look'  PL: Unknown	EI: Unknown  MA: Unknown  MR: No
Therapoid [43] –	Research	English – Chinese	S: PDF	<i>Journal submission:</i> Unrestricted – manuscript	EI: Not indexed

<i>Verified</i>	manuscripts only (multimedia content accepted in associated discussion forum)	also to be supported in future	V: By PDF download, PDF viewable in browser without download I: URL only VP: Accepts any new versions / each version receives its own DOI L: Authors must use CC-BY license R: No reader registration required	can be published in any destination  <i>Journals directly associated with platform:</i> None  <i>Facilitated submission to other journals:</i> Not available yet (to be provided for any and only open access journals)  PL: Yes, added by platform within one month of publication	MA: Openly available via Crossref  MR: No (plan to require HTML in future)
ViXra [44]	Multiple types (including research articles, books, theses)	Any language – English preferred, non-English translations can be provided with English version, as new versions or submitted separately	S: PDF V: By PDF download, PDF viewable in browser without download I: URL, Platform-specific ID VP: Accepts any new versions / each version retains ID with a version number L: Authors can use any license R: No reader registration required	<i>Journal submission:</i> Unrestricted - manuscript can be published in any destination  <i>Journals directly associated with platform:</i> None  <i>Facilitated submission to other journals:</i> Not available  PL: Can be added by author or journal	EI: Not indexed  MA: Unknown  MR: No

<sup>a</sup> Where primary research is research based on empirical data and secondary research is derived from primary research, such as literature reviews and meta-reviews; <sup>b</sup> See SSRN for general platform information
