Assessment of Small-Area Housing Environment Deterioration (SHED)

-

Portfolio 7

Notes

- We assume a processing time of about 2min per portfolio. However, you will not be given a time limit.

- During a case you are free to switch between slides and change your answers on the questionnaire as often as you like.

- However, once you have completed a portfolio, there is no way to view the slides again or to change your answers on the questionnaire. Your questionnaire is collected after each portfolio.

- If you have any questions, we are at your available at any time.
