

## **Description of Additional Supplementary Files**

File Name: Supplementary Data 1

Description: Binding scores of E3 ligases to cFLIPL.

File Name: Supplementary Data 2

Description: Statistical analysis of the results in Fig. 4.

File Name: Supplementary Data 3

Description: Statistical analysis of the results in Fig. 6.

File Name: Supplementary Data 4

Description: Statistical analysis of the results in Fig. 8.

File Name: Supplementary Data 5

Description: Statistical analysis of the results in Fig. 9.

File Name: Supplementary Data 6

Description: Statistical analysis of the results in Supplementary Fig. 7.

File Name: Supplementary Data 7

Description: Statistical analysis of the results in Supplementary Fig. 8.

File Name: Supplementary Data 8

Description: Statistical analysis of the results in Supplementary Fig. 10.
