

Perception of the PDDM model's contribution (T3):

1. Has the PDDM model contributed to your patient's assessment?
  - a. If yes, can you explain to me how the model has contributed to your patient's assessment?
2. Following your patient's assessment, has the PDDM model contributed to establish a treatment plan with your patient?
3. Has the PDDM model contributed to your patient's assessment?
  - b. If yes, can you explain to me how the model has contributed to your patient's assessment?
4. Following your patient's assessment, has the PDDM model contributed to establish a treatment plan with your patient?
