**Fig. S1. Significance levels of the selection differences associated with human pigmentation between populations.** The blue bars are the empirical distributions of population differences using 10,000 random sets of 30 SNPs in the genomes. The red lines are the selection differences between populations using 30 SNPs associated with human pigmentation (Materials and Methods). Population abbreviations: WAF, West Africans; EAF, East Africans; OCN, Oceanians; EUR, Europeans; NAS, North Asians; EAS, East Asians.

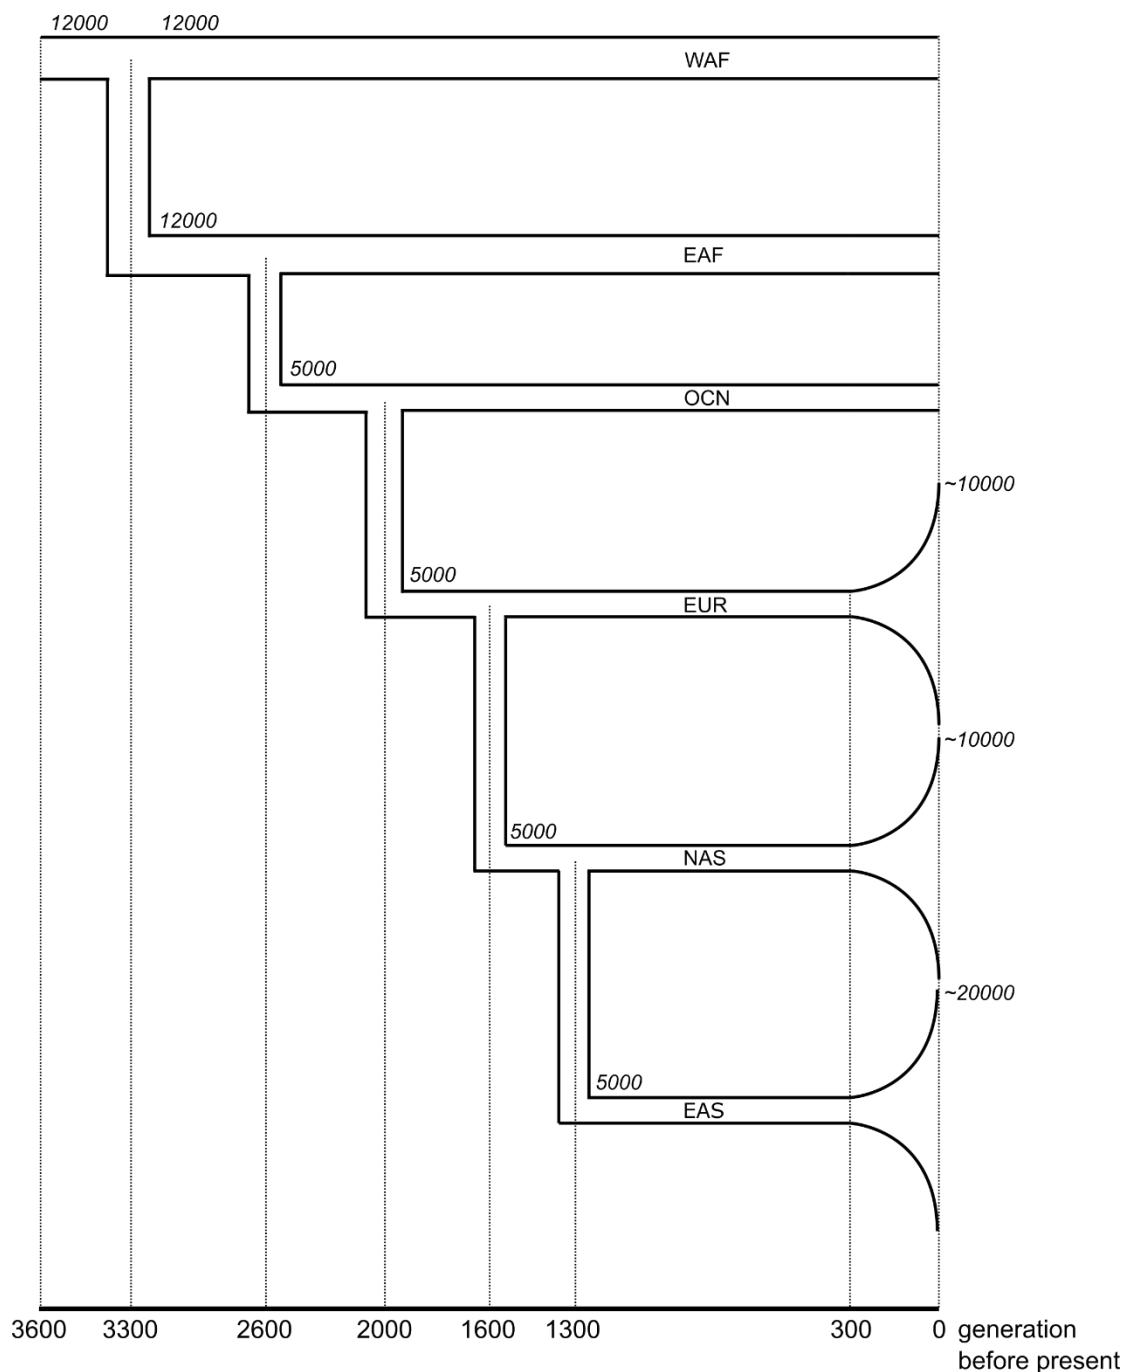

**Fig. S2. Comparisons between selection differences from simulation and the data.** The selection differences are:  $d_{21}$ , differences between East Africans and West Africans;  $d_{31}$ , differences between Oceanians and West Africans;  $d_{41}$ , differences between Europeans and West Africans;  $d_{51}$ , differences between North Asians and West Africans;  $d_{61}$ , differences between East Asians and West Africans;  $d_{32}$ , differences between Oceanians and East Africans;  $d_{42}$ , differences between Europeans and East Africans;  $d_{52}$ , differences between North Asians and East Africans;  $d_{62}$ , differences between East Asians and East Africans;  $d_{43}$ , differences between Europeans and Oceanians;  $d_{53}$ , differences between North Asians and Oceanians;  $d_{63}$ , differences between East Asians and Oceanians;  $d_{54}$ , differences between North Asians and Europeans;  $d_{64}$ , differences between East Asians and Europeans;  $d_{65}$ , differences between East Asians and North Asians.

**Fig. S3. PCA plot of 2346 samples.**

**Fig. S4. Derived allele frequencies of candidate SNPs from imputation and the 1000 Genomes project.** Population abbreviations: WAF, West Africans; EAF, East Africans; OCN, Oceanians; EUR, Europeans; NAS, North Asians; EAS, East Asians.

**Fig. S5. The demography model for simulation.** The italic numbers indicate population sizes at different time periods. Population abbreviations: WAF, West Africans; EAF, East Africans; OCN, Oceanians; EUR, Europeans; NAS, North Asians; EAS, East Asians.
