

Supplementary Figure 10A.

Transcript length distribution for different dN/dS ratios in Mouse. dN values, dS values and Transcript Length for each transcript were obtained using biomart.

Supplementary Figure 10B.

Transcript length distribution for different dN/dS ratios in Gorilla. dN values, dS values and Transcript Length for each transcript were obtained using biomart.

Supplementary Figure 10C.

Transcript length distribution for different dN/dS ratios in Chimpanzee. dN values, dS values and Transcript Length for each transcript were obtained using biomart.
