

# Supplemental Figure 1: Initial Interest Survey

## Nursing Home Volunteering

Dr. [REDACTED] is the Medical Director at [REDACTED] Nursing Home in [REDACTED] and [REDACTED]. She is hoping to pilot a volunteer initiative involving medical students during this COVID-19 pandemic.

She has come up with multiple volunteer opportunities, and would like to gauge your interest in committing to them. If you have ideas of your own, let us know in question #12!

Of note, if you need to enter the facility to volunteer, you will be required to have your temperature taken, answer screening questions, and wear mask, gloves, & gown provided by the facility for the duration of your stay.

Hi [REDACTED], when you submit this form, the owner will be able to see your name and email address.

5. Resident biography -- The nursing home residents are confined to their rooms. This would be an opportunity to call the resident, or their family members if the resident is unable, in order to gather a life history. You will be provided with some basic questions you can ask about their lives, but are not limited to them! After, you/we would compile a paragraph about them to hang on their door! Phone numbers of residents or family would be provided to you by Dr. [REDACTED].

6. Window entertainer -- Options include:

1. Bringing your dog and walking them around (outside) to resident's windows
2. Painting resident's windows (supplies for this TBD)
3. Tic-tac-toe or other simple games at resident's windows (supplies for this TBD)
4. Kid parade
5. We are open to other window entertainment ideas!

7. Medical Record transfer -- Dr. [REDACTED] utilizes two medical record EHR when working with her nursing home patients. It would be helpful to her, and to other providers in an emergency, for basic medical records of her nursing home resident's be transferred into [REDACTED]. This would require remote access to [REDACTED] and obtaining student access to the nursing home EHR.

8. [REDACTED] Hospice No One Dies Alone -- This is an opportunity through another facility that Dr. [REDACTED] works closely with. Hospice volunteers can serve at bedside at the end of life with our NODA (No One Dies Alone) program. NODA is called when the family can't be at bedside when the patient is dying. This type of visitation is still allowed, even with COVID19 visit restrictions. This program will require a short application through [REDACTED].
