

Appendix D: Standardized assessments included in follow up surveys

Included in:		Survey scale or item	Measures
Long form	Short form		
X	X	Locating questions	Contact information questions to increase likely hood of reaching the subject during the next follow up period
X	X	Patient Health Questionnaire (PHQ-8) ²⁴	Depression <i>Note: Short form survey used the PHQ-2</i>
X	X	Short Form Health Survey (SF-12) ²⁷	Health-related quality of life <i>Note: Short form survey included only the overall global health question from the SF-12</i>
X	X	The Alcohol Use Identification Test (AUDIT) ²⁸	Risky alcohol use <i>Note: Short form survey used only the first three questions on the AUDIT survey</i>
X	X	Alcohol, Smoking and Substance Involvement Screening Test (ASSIST) ²⁹	Lifetime substance use and substance use disorders <i>8 item scale</i>
X	X	Critical Time Intervention (CTI) Satisfaction	Satisfaction with the CTI intervention program <i>Note: Asked only of intervention patients</i>
X	X	Firearm-related behaviors	Firearm ownership, carrying and storage behaviors <i>Note: This module was added March 2017</i>
X		Posttraumatic Stress Disorder Checklist – Civilian Version (PCL-C) ²³	Posttraumatic stress disorder <i>17 item scale</i>
X		Impulsive-Premeditated Aggression Scale (IPAS)	Impulsive and premeditated aggressive behavior <i>30 item scale</i>
X		Conflicts Tactics Scale (CTS)	Interpersonal violence <i>6 item sub-scale for physical assault</i>
X		Happiness Scale ²⁶	Satisfaction with specific areas of life
X		Service utilization questions	Use of physical and mental health services
X		Self-Reported Delinquency (SRD) items of the Pittsburgh Youth Study ⁴⁵	Criminal justice system involvement, violence, criminal outcomes, conviction(s) and incarceration(s) <i>26 item scale</i>
X		Multidimensional Scale of Perceived Social Support (MSPSS) ²⁵	Perceived social support <i>12 item scale</i>
X		Neighborhood safety questions	Perceived exposure to disorder and violence <i>8 item scale</i>
X		Educational attainment	Educational attainment and activities <i>“What is the highest grade or year of school you completed?”</i>
X		Employment status	Employment status <i>“In the last month, what were you doing most of the time?”</i>
X		Housing status	Type of housing <i>“What is your current living situation?”</i>
X		Marital status	Marital status <i>“What best describes your current relationship status?”</i>

Note: At the beginning of the study, patients completed the same long form survey at each follow-up time point after hospital discharge. Starting September 2017, a shorted version of this form was used at the 1, 3, and 9 month time points to reduce RA and patient data collection burden. Patients who received short form surveys still completed the long form survey at 6 and 12 months following hospital discharge.
