- 6 to 10 years "tsevu wa malembe ku fika khume ra malembe"
- longer than 10 years "ku tlula khume ra malembe"

Are you currently taking medicine for high blood sugar or diabetes?  
 "Mi ngava mi ri ku tekeni ka vutshunguri bya chukele leri tlakukeke engatini kumbe bya vuvabyi bya chukele eka nkarhi wa sweswi?"

- no  
 yes  
 dont know

Have you taken your medicine for high blood sugar or diabetes today?  
 "Xana mi ngava mi tekile vutshunguri bya n'wina bya chukele leri tlakukeke engatini kumbe bya vuvabyi bya chukele namuntlha?"

- no  
 yes  
 dont know

### Screening the participant for high cholesterol

Has a doctor or other health care worker ever tested your blood for high cholesterol?  
 "Xana dokodela kumbe mutirhi un'wana wa swarihanyo u tshame a mi kambela ntlakuko wa mafurha engatini ya n'wina?"

- no  
 yes  
 dont know

Has a doctor or health worker ever told you that you have high blood cholesterol?  
 "Xana dokodela kumbe mtirhi un'wana wa swarihanyo u tshame a mi byela leswaku mi na mafurha yo tala enngatini?"

- no  
 yes  
 dont know

How long have you had raised blood cholesterol?  
 "I nkarhi wo tani hi kwihi mi ri na ntlakuko wa mafurha engatini?"

- less than 1 year "hansi ka lembe rin'we"  
 1 to 5 years "lembe ri'nwe ku fika ntlhanu wa melembé"  
 6 to 10 years "tsevu wa malembe ku fika khume ra malembe"  
 longer than 10 years "ku tlula khume ra malembe"

Are you currently taking medicine for high blood cholesterol?  
 "Mi ngava mi ri ku tekeni ka vutshunguri bya ntlakuko wa mafurha engatini eka nkarhi wa sweswi?"

- no  
 yes  
 dont know

Have you taken your medicine for high blood cholesterol today?  
 "Xana mi ngava mi tekile vutshunguri bya n'wina bya ntlakuko wa mafurha namuntha?"

- no  
 yes  
 dont know

### Screening the participant for kidney disease

Has a doctor or other health care worker ever tested your blood for kidney disease?  
 "Xana dokodela kumbe mutirhi un'wana wa swarihanyo u tshame a mi kambela vuvabyi bya tinso engatini ya n'wina?"

- no  
 yes  
 dont know

Has a doctor or health worker ever told you that you have kidney disease?  
 "Xana dokodela kumbe mtirhi un'wana wa swarihanyo u tshame a mi byela leswaku mi na vuvabyi bya tinso?"

- no  
 yes  
 dont know

---

How long have you had kidney disease? "I nkarhi wo tani hi kwihi mi ri na vuvabyi bya tinso?"	<input type="radio"/> less than 1 year "hansi ka lembe rin'we" <input type="radio"/> 1 to 5 years "lembe ri'nwe ku fika ntlhanu wa melembé" <input type="radio"/> 6 to 10 years "tsevu wa malembe ku fika khume ra malembe" <input type="radio"/> longer than 10 years "ku tlula khume ra malembe"
--	---

---

Are you currently taking medicine for kidney disease? "Xana mi ngava mi teka vutshunguri bya vuvabyi bya tinso eka nkarhi wa sweswi?"	<input type="radio"/> no <input type="radio"/> yes <input type="radio"/> dont know
--	--

---

Have you taken your medicine for kidney disease today? "Xana mi ngava mi tekile vutshunguri bya n'wina bya vuvabyi bya tinso namuntlha?"	<input type="radio"/> no <input type="radio"/> yes <input type="radio"/> dont know
---	--

---

**Infections in the bladder or kidneys can cause any of the following symptoms:**

**burning when you pass urine;**  
**the urge to pass urine frequently;**

**"Ku tluleriwa hi mavabyi eka buladara kumbe tinso swi nga vanga swikombiso swihi kumbe swihi swa leswi landzelaka: ku twa ku hisa/vava loko mi tsakamisa, ku va mi twa mi lava ku tsakamisa nkarhi na nkarhi, ngati eka mitsakamiso, ku twa ku hisa kumbe ku titimela, ku vava enhlanini, ku vava amasengeni kumbe eka pelvic area"**

---

Have you ever experienced this or been told by a doctor or other health care worker that you have an infection in your bladder or kidneys? "Xana mi tshame mi tokota swilo leswi kumbe ku byeriwa hi dokodela kumbe un'wana wa swarihanyo leswaku mi tluleriwile hi mavabyi eka buladara kumbe tinso n'wina?"	<input type="radio"/> no <input type="radio"/> yes <input type="radio"/> dont know
--	--

---

How old were you when this happened? "Xana a mi ri na malembe mangani loko swilo leswi swi humelela?"	<input type="radio"/> younger than 18 years old "ehansi ka malembe ya khume-nhungu" <input type="radio"/> 18 years or older "Khume-nhungu wa malembe kumbe ku ya ehenhla" <input type="radio"/> dont know "a ndzi swi tivi"
--	---

---

How many times has this happened? "Xana leswi swi ngava swi humelele kangani?" Once = 0, "kan'we" More than once = 1 "ku tlula kan'we"	<input type="radio"/> once <input type="radio"/> more than once
---	--

## Screening the participant for kidney stones

Have you ever been told by a doctor or other health care worker that you have a stone/s in your kidney?  
 "Xana mi tshame my byeriwa hi dokodela kumbe mutirhi un'wana wa swarihanyo leswaku mi na ribye/maribye eka yinso ya n'wina?"

- no
- yes
- dont know

How old were you when this happened?  
 "Xana a mi ri na malembe mangani loko swilo leswi swi humelela?"

- younger than 18 years old "ehansi ka malembe ya khume-nhungu"
- 18 years or older "Khume-nhungu wa malembe kumbe ku ya ehenhla"
- dont know "a ndzi swi tivi"

How many times has this happened? "Xana leswi swi ngava swi humelele kangani?"  
 Once = 0, "kan'we" More than once = 1 "ku tlula kan'we"

- once
- more than once

Has any family member ever been told by a doctor or other health care worker that they have kidney stones?  
 "Xana xirho xiji kumbe xiji xa ndyangu xi ngava xi tshame xi byeriwa hi dokodela kumbe mutirhi wa swarihanyo leswaku xi na swiribiana eka tinso?"

- no
- yes
- dont know

Who?  
 "Mani?"

- parent/s
- brother/s and/or sisters
- child/children
- other
- dont know

## Screening the participant for urinary bilharzia

Have you ever seen blood in your urine?  
 "Xana mi tshame mi vona ngati eka mitsakamiso ya n'wina?"  
 (for women - if you have seen blood in your urine at the time of menstruation this does not count)  
 ("eka vavasati - loko mi vone ngati eka mitsakamiso ya n'wina hi nkarhi lowu mi nga emasikwini a swi vuli nchumu")

- no
- yes
- dont know

Have you seen blood in your urine in the last 12 months?  
 "Xana mi tshame mi vona ngati eka mitsakamiso ya n'wina eka tin'hweti ta khume-mbirhi leti nga hundza?"  
 (for women - if you have seen blood in your urine at the time of menstruation this does not count)  
 ("eka vavasati - loko mi vone ngati eka mitsakamiso ya n'wina hi nkarhi lowu mi nga emasikwini a swi vuli nchumu")

- no
- yes
- dont know

Have you ever swum in the rivers in the area, collected water from the river or washed clothes in the river?  
 "Xana mi tshame mi hlambela eminkoveni laha ndzhawini, kumbe ku ka mati enkoveni kumbe ku hlantswa swimbalo enkoveni?"

- no
- yes
- dont know

---

Has a doctor or other health care worker ever tested  
your urine for bilharzia?  
"Xana dokodela kumbe mutirhi un'wana wa swarihanyo u  
tshame a kambela bilharzia eka mitsakamiso ya n'wina?"

- no  
 yes  
 dont know

---

Has a doctor or health worker ever told you that you  
have bilharzia in your urine?  
"Xana dokodela kumbe mutirhi wa swarihanyo u tshame a  
mi byela lewsaku mi na bilharzia eka mitsakamiso ya  
n'wina?"

- no  
 yes  
 dont know

---

Did you receive treatment?  
"Mi ngava mi kumile vutshunguri?"

- no  
 yes  
 dont know

---

How many times have you received treatment?  
"Xana mi kumile vutshunguri nkarhi wo fika kwihi?"

- once "kanwe"  
 2 to 5 times "kambirhi ku fika ka nthananu"  
 more than 5 times "ku tlula ka ntlhanu"  
 dont know "a ndzi swi tivi"
