Subjective evaluation

Question 1

How simple/challenging was performing CPR using an Automated External Defibrillator from your point of view?

1	2	3	4	5	6	7	8	9	10
Highly demanding					fairly simple				

Question 2

How intelligible were the Automated External Defibrillator's instructions during the course of performing CPR?

1	2	3	4	5	6	7	8	9	10
incomprehensible					highly intelligible				

Question 3

To which degree were the Automated External Defibrillator's instructions supporting you during the course of performing CPR?

1	2	3	4	5	6	7	8	9	10
Too little					highly supportive				

Question 4

How would you rate the quality of your chest compressions with respect to effectiveness?

1	2	3	4	5	6	7	8	9	10
Rather bad					very good				

Question 5

How challenging was the resuscitation process for you?

1	2	3	4	5	6	7	8	9	10
Not at all					To a maximum				

If there were **video-instructions** available, please answer the following questions as well:

Question 6

How much attention did you pay to the video instructions?

1	2	3	4	5	6	7	8	9	10
No attention at all					a lot of attention				

Question 7

Was the video supportive concerning your emergency efforts?

Yes

No
