shit crazy
shame
serious shit
serious lockdown
serious coronavirus
serious consequence
self isolate
scary time
scary
sad
risk
restriction on travel
refuse
real crisis
quarantine suck
quarantine shit
put people in danger
punish people
project death
problem
prison population
people starve
people in crisis
people ignore lockdown
people hurt
people go crazy
people during crisis
people die yesterday
people die from flu
people die
pay for treatment
pay bill
panic
overwhelm health system
on crisis
nurse die
nothing funny
not safe
no medicine
new death total death
new death
national health emergency
national disaster
murderous
million dead
mild illness
make hard choice
low wage worker
loss of taste smell
lose million
lose
look crazy
look at mess
life suck
leave school
lack of preparedness
kind of sad
